Education & Training Institute

Overview

This is a two-day course focused on cognition and communication for all types and levels of Health Care Professionals providing care for older adults with cancer.

Day 1 will consist of high-level discussions surrounding all types of cognitive impairments commonly seen in the older cancer patient. There will be a focus on communication based concerns and barriers when interacting with the older cancer patient (including caregivers and family members), evaluation of decision-making capacity, as well as how to work with an interpreter for patients with dementia and may experience a language barrier.

Day 2 is a **Geriatric Communication Skills Training Workshop** comprised of a specific experiential learning methodology that will immerse participants in applying newly taught skills in a simulated relevant clinical environment.

TARGET AUDIENCE

This course is directed towards oncologists, primary care physicians, geriatricians, advanced care practitioners, oncology nurses, and other healthcare professionals involved in the care of older adult cancer patients.

EDUCATIONAL OBJECTIVES

- Provide an overview on dementia, delirium, depression: its detection and care
- Discuss the role of distress and anxiety on quality of life of older cancer patients
- Define decision making capacity and explain its legal implications
- Appreciate decision making challenges and learn to assess in older adults with cancer and cognitive syndromes
- Recognize ageism and appreciate how it interferes with the medical care of older adults with cancer
- Become familiar with the Comprehensive Geriatric Assessment in the evaluation of older cancer patients with cognitive changes or at risk for cognitive changes
- Understand the principles of shared decision making
- Observe and practice skills for successful facilitation of shared decision-making with an older adult with cancer and his/her caregiver

Accreditation

Memorial Sloan Kettering Cancer Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA CREDIT DESIGNATION STATEMENT

Memorial Sloan Kettering Cancer Center designates this live activity for a maximum of **14.50 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC RECOGNITION STATEMENT

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **14.50 Medical Knowledge and Practice Assessment MOC points** and Patient Safety MOC credit in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

SOCIAL WORK ACCREDITATION STATEMENT

This presentation is approved for a maximum of 13.75 Continuing Education Contact Hours of Live In-Person Training. Memorial Sloan-Kettering Cancer Center is recognized by the New York State Education Department's State Board for Social Work as an approved provider of continuing education for licensed social workers #SW-0228.

ANCC CNE STATEMENT

Memorial Sloan Kettering Cancer Center - Nursing Professional Development/ Continuing Education is accredited with distinction as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

14.50 contact hours will be awarded to participants who attend the program in its entirety and complete a program evaluation. Partial credit not awarded.

FACULTY DISCLOSURE

It is the policy of MSK to make every effort to insure balance, independence, objectivity, and scientific rigor in all continuing medical education activities which it provides as an ACCME accredited provider. In accordance with ACCME guidelines and standards, all faculty participating in an activity provided by MSK are expected to disclose any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services which are discussed by the faculty members in an educational presentation. As required by the ACCME, when an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, MSK requires the speaker to disclose that the product is not labeled for the use under discussion or that the product is still investigational.
