

ASPiH Conference 2022

‘All things being equitable: Diversity, inclusion and simulation’

6th – 8th November 2022
Birmingham Hilton Metropole

Sunday 6th November 2022

Pre-conference Masterclasses – to be booked separately to the main conference

Timings	Title	Faculty	Key Content/ Learning Objectives	Room / location
Virtual	All Things Being Equitable” – NOT!	Professor Stephani Hatch; Professor of Sociology & Epidemiology, IoPPN	Simulation & Tackling Inequalities & Discrimination Experiences in Health Services	Zoom
10am – 4pm F2F – Hilton Birmingham Metropole	Design a Human Factors Approach to promote Equality, Diversity and Inclusion (EDI) both <i>in</i> and <i>with</i> Simulation, and analyse the lessons learned in the process.	Michael Money Penny & Andy Buttery	Human Factors approach based on the CIEHF Document: “How HF can enhance delivery of EDI Using a Human Factors approach in group work to address: 1. Human Factors approach to promote, establish, and measure EDI in Simulation. 2. Simulation as a tool to promote and establish EDI in the workplace. 3. Gather intelligence from the process to develop principles for HF Design for Simulation.	Hampton

*Programme subject to change

ALL THINGS BEING EQUITABLE:

10am-4pm F2F – Onsite at Birmingham Medical School	Influencing the inclusivity agenda	Birmingham Medical School	The proposal is to develop thinking around educational climate and influencing meaningful and sustainable change. Much focus in the SP community has been on recruitment (team diversification) but in current times, arguably, there is a remit to go beyond that to consider the wider – and evolving - educational culture in which we collectively work. To that end the Birmingham offering will cover three key themes. Delivery will be interactive, including medical humanities academics, SP educators and SPs, with both plenary and workshop delivery methods. • Theme 1 – the service provision need (impact on learning) Considering the demographic of our teams – ethnicity, disability, learning difficulty, gender re-assignment, eg, in alignment with 2010 Equality Act. Discussion on representing the patient population authentically – in terms of people <u>and</u> scenarios. • Theme 2- the worker’s need (impact on working individuals SPs, ACEs, MTUs and GTAs) Considering how the role play team feel; are our materials accessible eg (reasonable adjustments); how are they treated on jobs, do they feel their identity individually and as an SP community is recognised, and supported? • Theme 3 – the context, curricula and culture change need (impact on clients/stakeholders/decision-makers) Considering how we as providers work with clients and stakeholders to influence and change inclusivity agendas. Where can we add impact, advice and influence? We anticipate the workshops will be multi-disciplinary, including clinical, non-clinical, academic, professional services, training and SP participants. In the spirit of interaction sessions will be task orientated, with outcomes that can be shared transferred to the workplace.

Monday 7th November 2022

0815–0920	Registration, Exhibition & arrival tea & coffe						
0920–0930	Opening Address Michael Moneypenny, ASPiH President						
0930-1030	Keynote Speaker Eve Purdy - Emergency Medicine Physician and Applied Anthropologist, Gold Coast University Hospital, Australia <i>Looking inward to improve - equity, diversity, and inclusivity in simulation</i>						
1030-1100	Tea/Coffee and Exhibition						
1100 - 1230	Session 1 Kings Oral presentations X8	Session 2 Hampton Oral presentations X8	Session 3 Henley Abstract Workshop	Session 4 York Standards Workshop Led by ASPiH SIG – all welcome 	Session 5 Surrey Workshop Debra Nestel and the ASPiH Research SIG	Session 6 Dorset Abstract Workshop	Session 7 Exhibition Hall E-poster presentations Up to x18
1230-1330	Lunch and Exhibition						
1330 –1430	Keynote Speaker Karen Szauter - Assistant Dean, Office of Educational Affairs and Professor, Department of Internal Medicine / Division of Gastroenterology, The University of Texas Medical Branch <i>Simulated Patients – Are we Optimizing their Roles in Education?</i>						
5 mins	Room change break						
1435 - 1535	Session 8 Kings	Session 9 Hampton	Session 10 Henley	Session 11 York	Session 12 Surrey	Session 13 Dorset	Session 14 Exhibition Hall

**Programme subject to change*

ALL THINGS BEING EQUITABLE:

	Oral presentations X5	Sponsored Workshop CAE	Oral presentations X5	IRiS Workshop	Sponsored Workshop HEE	Workshop Paediatric Workshop Led by ASPIH SIG – all welcome 	E-poster presentations Up to x12
1535-1615	Tea/Coffee and Exhibition <i>Exhibition Hall</i>						
1615–1715	Session 15 Kings Oral presentations X5	Session 16 Hampton Oral presentations X5	Session 17 Henley Tech Workshop Led by ASPIH SIG – all welcome 	Session 18 York Sponsored Workshop HEE	Session 19 Surrey Abstract Workshop	Session 20 Dorset Sponsored Workshop Oxford Medical Simulation	Session 21 Exhibition Hall E-poster presentations Up to x12
5 mins	Room change break						
1720-1800	Keynote Speaker Dr Sandeep Ganni - Director of Smart Lab, GSL Medical college, India. <i>Integrating cultural dynamics for effective training in simulation</i>						
1930–0000	Drinks Reception followed by Gala Dinner and after party, with music and entertainment Venue: Birmingham Hilton Metropole Dress code: Smart casual						

**Programme subject to change*

Tuesday 8th November 2022

0830	Registration and Exhibition						
0845-0850	Welcome to Day two Colette Laws-Chapman, Conference Director and ASPiH President Elect						
0850-0900	IJoHS update						
0900-0955	Keynote Speaker Steve Shorrock - Human Factors and Safety Specialist, EUROCONTROL and Editor-in-Chief of HindSight						
0955-1025	HEE Plenary						
5 mins	Room change break						
1030-1130	Session 22 Kings Oral presentations X5	Session 23 Hampton Oral presentations X5	Session 24 Henley Sponsored Workshop Gaumard	Session 25 York Oral presentations X5	Session 26 Surrey Transformational Workshop Led by ASPiH SIG – all welcome 	Session 27 Dorset Workshop <i>Exploring ways of using simulation to better support patients and staff</i> Dawn Benson and Lauren Morgan	Session 28 Exhibition Hall E-poster presentations Up to x12
1130-1200	Tea/Coffee and Exhibition <i>Exhibition Hall</i>						
1200-1330	Session 29 Kings Oral presentations X8	Session 30 Hampton Oral presentations X8	Session 31 Henley Oral presentations X8	Session 32 York Oral presentations X8	Session 33 Surrey Sponsored Workshop HEE	Session 34 Dorset Abstract Workshop	Session 35 Exhibition Hall E-poster presentations Up to x18

**Programme subject to change*

ALL THINGS BEING EQUITABLE:

1330-1425	Lunch and Exhibition <i>Exhibition Hall</i>						
1425-1555	Session 36 Kings Oral presentations X8	Session 37 Hampton Oral presentations X8	Session 38 Henley Abstract Workshop	Session 39 York Debriefing Workshop Led by ASPIH SIG – all welcome 	Session 40 Surrey Oral presentations X8	Session 41 Dorset Abstract Workshop	Session 42 Exhibition Hall E-poster presentations Up to x18
5 mins	Room change break						
1600-1700	Keynote Speaker Dawn Benson and Lauren Morgan <i>Formula to safety: more than the sum of its parts</i>						
1700-1715	Conference Awards and Closing Remarks Michael Money Penny, ASPIH President and Colette Laws-Chapman, Conference Director and ASPIH President Elect						

**Programme subject to change*
