

Fundamentals of Bladder Cancer for Nurses and AHPs

Thursday 30th April 2026

Overview:

Following on from our successful Fundamentals of bladder cancer, we are delighted to bring it back for another year.

The programme is brought to you by our expert clinical and research team. The day will cover signs and symptoms, diagnosis, types of disease and management. Highlighting the role of the nurse at different stages of the pathway. We have expert clinical speakers to deliver the sessions along with sessions run by our expert patients. Introducing this year, expert led case study sessions.
