All prices above include applicable taxes (VAT).

\* Members of medical associations for MI: this registration type is available to all members of one of the three medical associations for micro-immunotherapy: AEMI, 3IDI or MeGeMIT.

\*\* Students Registration: a student is defined as a holder of a student identification card from a recognised tertiary or secondary educational institution or a holder of an international student card. Students up to 35 years of age at the time of the meeting. Students must be studying full time and in the fields of Science and Healthcare to qualify for the discounted rate. Please note: A copy of your valid student ID card for the current year and an attestation from the head of the department must be sent to us via email to: [registration@icomi2017.org](mailto:registration@icomi2017.org). Without this copy, the Standard Registration Rate will be charged.
