

Emergency Dentistry

Date: 10 November 2022

Time: 9am – 5.30pm

Where: University of Tasmania, Medical Science Precinct, 17 Liverpool Street, Hobart

Cost: \$575 (GST Inclusive) includes refreshment and learning materials.

Develop your skills in the provision of emergency dental care in the out of hospital setting. As a Medical Practitioner you will be able to gain an understanding of the following in an interactive environment using simulation modalities. This one-day workshop will cover:

- Dental anatomy
- Dental disease and common presentations
- Dental pain and diagnosis
- Dental local anaesthesia
- Pharmacology
- Dental trauma

ACRRM and RACGP QI&CPD Points can be claimed for this course.

This workshop has been approved for a three day procedural skills training grant of \$2000 per day. These grants are offered by the Australian Government for rural and remote GPs to maintain their skills. For more details please contact Australian College of Rural and Remote Medicine (ACRRM) or the Royal Australian College of General Practitioners (RACGP).
