

ESSO ADVANCED COURSE ON COLORECTAL ROBOTIC SURGERY

Hamburg (DE), 24th to 25th November 2017

Chairs

Daniel Perez, University Hospital Eppendorf, Hamburg, DE

Jakob Izbicki, University Hospital Eppendorf, Hamburg, DE

Co-chair

Giuseppe Spinoglio, ICH Humanitas IRCCS, Research Hospital and University,
Milan, IT

Faculty Members

Domenico D'Ugo, Fondazione Policlinico Universitario A. Gemelli, Università
Cattolica del Sacro Cuore, Rome, IT

Marcos Gómez Ruiz, Marqués de Valdecilla University Hospital, Santander, SP

Danilo Miskovic, University of Leeds, Leeds, UK

Program

Friday 24th November 2017

08.30 - 08.45	Welcome and course agenda D. Perez
08.45 to 09.00	Introduction to robotic systems
09.00 – 09.30	Pro's and con's of robotics in colorectal surgery M. Gómez Ruiz
09.30 – 09.45	Discussion
09.45 – 10.15	Challenges starting a robotic program D. Perez

10.15 – 10.45

Coffee break

10.45 – 11.15

Right Colectomy
Step by step discussion with Q&A
D. Miskovic

11.15 – 11.45

Stigmoid colon resection
Step by step discussion with Q&A
D. Perez

11.45 – 12.15

Low anterior resection with total mesorectal excision
Step by step discussion with Q&A
G. Spinoglio

12.15 – 13.15

Lunch

13.15 – 14.45

Group A: simulation and dry lab
G. Spinoglio, D. Perez

Group B: Video session: LAR, sigmoidectomy,
rectopexy, right colectomy
D. Miskovic, M. Gómez Ruiz, D. D'Ugo

14.45 – 15.15

Coffee break

15.15 – 16.45

Group B: simulation and dry lab
G. Spinoglio, D. Perez

Group A: Video session: LAR, sigmoidectomy,
rectopexy, right colectomy
D. Miskovic, M. Gómez Ruiz, D. D'Ugo

Saturday 25th November 2017

08.00 – 11.30

Group A: Hands on session with human bodies
M. Gómez Ruiz, G. Spinoglio

Group B: Live operation and video session. Tips and tricks
D. Miskovic, D. D'Ugo

11.30 – 12.00 Lunch

12.00 – 15.30 Group B: Hands on session with human bodies
D. Miskovic, D. D'Ugo

Group A: Live operation and video session. Tips and tricks
M. Gómez Ruiz, G. Spinoglio
