

THURSDAY 6 SEPTEMBER		
0800	Registration opens	
0900 - 1230	RACP SUPERVISORS WORKSHOP SPDP Workshop 1 – Practical Skills for Supervisors	
0900 – 1700	TRAINEE DAY <i>Chair: Emily Cooper & Wei Lee</i>	
	0900	Introduction and welcome
	0915	Motor neuron disease <i>Peter Allcroft</i>
	1030	Morning Tea
	1100	Research Workshop – Concept Outline Development (Taking ideas and making them a reality) <i>Josephine Clayton, Raj Aggarwal, Melanie Lovell, Jessica Lee, Caitlin Sheehan</i>
	1300	Lunch
	1400	Lignocaine for neuropathic pain (The literature and the practicality) <i>Jessica Lee, Carli Kiani, Jan Maree Davis</i>
	1445	Afternoon Tea
	1500	Cannabis in palliative medicine <i>Richard Chye</i>
	1545	Q&A with our International Guest Speaker – Palliative Care in Haematological Stem Cell Transplantation <i>Tom LeBlanc</i>
	1630	Evaluation
	1700	Close of Day
1300 – 1700	WORKSHOP – THINK LIKE A LEADER: HOW TO INCREASE YOUR INFLUENCE	
	1300	Intro – Why you need to be a thought leader in your industry
	1330	The Positioning Matrix
	1440	Afternoon Tea
	1510	The selling stack
	1610	Who. What. How. Wow
	1650	Close of workshop
	1700	Close of Day
1800	WELCOME RECEPTION	

FRIDAY 7 SEPTEMBER				
0800	Registration desk opens			
0815	OPENING SESSION		Chair: Meera Agar & Cynthia Goh	
	0815	ANZSPM President and Welcome to Country		
	0830	Health Minister Brad Hazzard		
	0845	Introduction: Cynthia Goh to introduce the premise of the Rosalie Shaw Oration and announce the speaker		
	ROSALIE SHAW ORATION			
	0900	To be announced		
	PLENARY SESSION		Chair: David Holden	
	0945	Enriched environments and brain plasticity: implications for palliative care		Michael Nilsson
1030	POSTER SPEED TALKS – 3 x 5minute talks			
	1030	Patients’ exercise abilities and preferences in the community palliative care setting	Davinia Seah	
	1035	Plan EARLY ED; identifying patients in the Emergency Department for engagement in advance care planning on discharge	Megan Sands	
	1040	Can Palliative Care Consultation Liaison Reduce Health Care Costs?	Hana Thompson	
1045	MORNING TEA			
1115	PLENARY SESSION – EXERCISE AND REABLEMENT		Chair: Emily Cooper & Greg Barclay	
	1115	Applying the evidence for exercise in cancer care to palliative care	Bobby Cheema	
	1200	Reablement approaches in advanced disease: learnings from dementia care	Chris Poulos	
1245	LUNCH			
1255	Special Interest Group: Respiratory			
1345	CONCURRENT SESSIONS			
	PROFERRED PAPERS 1		Chair: Josephine Clayton & Elizabeth Reymond	
	1345	Development and validation of a referral triage tool for a metropolitan hospital palliative care consult service	Leeroy William	
	1400	Laycarer confidence with subcutaneous medication: a randomised control trial	Elizabeth Reymond	
	1415	Communication strategies when transferring palliative patients to nursing homes: A study of palliative care physicians’ perspectives	Hilary Stiel	
	1430	Supporting choices for place of care and home death: an innovative, cost effective model of integrated palliative care	Jessica Cross	
	1445	Examining Clinical Utility of Imaging for Inpatient Palliative Care	Matthew Grant	
	1500	Australian Palliative Medicine physicians’ perceptions of clinician performed ultrasound scanning	Jennifer Dawson	
	PROFERRED PAPERS 2		Chair: Natasha Michael & Megan Best	
	1345	QTc prolongation in patients with advanced cancer	Jessica Cross	
	1400	Genetics in palliative oncology: a missing agenda? A review of the literature	Megan Best	
	1415	Pain prevalence and severity, and adequacy of analgesia, amongst palliative radiotherapy patients in Australia	Catherine Brimblecombe	
	1430	Laxative use in inpatients on oxycodone/naloxone prolonged release and oxycodone prolonged release for cancer and non-cancer pain	Joanne Patel	
	1445	Redefining quality end-of-life care in pancreatic cancer: a retrospective analysis of quality end-of-life indicators	Natasha Michael	
	1500	Role of the Coeliac Plexus Block in Cancer Pain Management	Alix Dumitrescu	
	SESSION – DECISION MAKING CAPACITY		Chair: Sally Greenaway	
	1345	Assessment of decision-making capacity – implications for palliative care	Carmelle Pesiah	
	1415	Capacity and ethical decision-making	Linda Sheahan	
	1445	Panel Discussion		
1515	AFTERNOON TEA			
1545	CONCURRENT SESSIONS			
	PROFERRED PAPERS 3		Chair: Megan Sands & Anthony Kodsi	
	1545	Burden of caring and quality of life in caregivers of adult dialysis patients: a systematic review	Alice Kennard	
	1600	SQID, the single question in delirium; how useful is a single question in detecting delirium in hospitalised cancer patients?	Megan Sands	
	1615	Reflection on stroke deaths - is early integration of palliative care a new frontier in stroke care?	Syed Zujajuddin Quadri	
	1630	HepatoCare - comparison of a new multi-disciplinary model of care for patients with advanced cirrhosis to standard care	Alison Kearney	
	1645	Care implications of understanding dementia networks using systems thinking	Michael Chapman	
	1700	Implementing a multi-component non-pharmacological intervention to prevent delirium in patients with advanced cancer in four palliative care units	Lynne Kuwahata	
	SESSION - CURRENT HORIZONS IN SYMPTOM PATHOPHYSIOLOGY AND TREATMENT		Chair: Davinia Seah	
	1545	Cachexia and sarcopenia	David Currow	
	1615	Chronic Pain in cancer survivors	Paul Glare	
	1645	Nausea	Janet Hardy	
	SESSION - FEAR OF CANCER RECURRENCE AND UNCERTAIN PROGNOSIS		Chair: Desi Seccombe	
	1545	Introduction and psychological factors associated with high levels of FCR	Leah Jane Curran	
	1615	Fear of cancer recurrence in the age of personalised medicine	Belinda Thewes	
	1645	Psychological approaches to the management of fear of cancer recurrence	Louise Sharpe	
	1715	DAY CLOSE		

SATURDAY 8 SEPTEMBER		
0700	Registration desk opens	
0730	ANZSPM AGM - Members only (Breakfast from 0715)	
0830	PLENARY SESSION <i>Chair: Carol Douglas</i>	
0830	Approaches to collaborative and integrated palliative care in haematology	Tom Le Blanc
0930	PLENARY SESSION <i>Chair: Sarah Wenham</i>	
0930	Opportunities for telehealth solutions in palliative care – a vision for 2020	Danette Langbecker
1015	POSTER SESSION – Facilitated Poster Walk	
1045	MORNING TEA	
1115	PLENARY SESSION – PALLIATIVE CARE IN TRANSPLANTATION <i>Chairs: Chi Li & Frank Brennan</i>	
1115	Heart and Lung transplant	Chi Li
1135	Bone marrow transplant	Tom Le Blanc
1155	Kidney Transplant	Steve Chadban
1215	Panel Discussion led by Chi Li & Frank Brennan	
1245	LUNCH	
1345	CONCURRENT SESSIONS	
	PROFFERED PAPERS 4 <i>Chair: Rachel Wiseman & Ghauri Aggarwal</i>	
1345	Effect of a model of early integration on palliative care inpatients: Interrupted time series analysis of standardised national outcomes	Natasha Michael
1400	Respite admissions to specialist palliative care units - the issues for future service delivery	Leeroy William
1415	Responding to urgency of need in palliative care: stage two in the development of a palliative care triage tool	Beth Russell
	SESSION - ADOLESCENT AND YOUNG ADULTS PALLIATIVE CARE <i>Chair: Sharon Ryan</i>	
1345	Challenges in adolescent palliative care	Christine Mott
	SESSION - COMPLEX SYMPTOM ISSUES IN ONCOLOGY <i>Chair: Jessica Lee</i>	
1345	Graft versus host disease	David Ritchie
1405	Implications for symptom control in era of targeted therapies and Immunotherapy	Matteo Carlino
1435	PROFFERED PAPERS 5 <i>Chair: Jennifer Phillips</i>	
1435	Treating anorexia in people with advanced cancer. A randomised, double blind, controlled trial of megestrol acetate, dexamethasone or placebo	David Currow
1455	A randomised, controlled, double blind study of oral methotrimeprazine versus oral haloperidol in patients with cancer and nausea not related to anticancer therapy	Janet Hardy
	SESSION - PERINATAL PALLIATIVE CARE <i>Chair: Sharon Ryan</i>	
1435	A new frontier of collaboration – paediatric palliative care and maternal fetal medicine	Sharon Ryan & Wendy Carseldine
	SESSION - NEW FRONTIERS IN PHARMACOLOGY <i>Chair: Wei Lee</i>	
1435	What pharmacology and pharmacokinetics can offer palliative care	Jennifer Martin & Joanne Patel
1455	What pharmacogenomics can offer palliative care	Daniel Barratt
1515	AFTERNOON TEA	
1545	CONCURRENT SESSIONS	
	PROFFERED PAPERS 6 <i>Chair: Peter Allcroft</i>	
1545	Regular extended release morphine for chronic breathlessness: a multi-centre double-blind randomised controlled trial	David Currow
1600	Opioids for refractory breathlessness in advanced cardiorespiratory disease: a qualitative study of patients' perceptions	Thomas Moran
1615	Extended-release morphine for chronic breathlessness in pulmonary arterial hypertension – A randomised, double-blind, placebo-controlled, crossover study	Diana Ferreira
1630	Investigation burden in patients with fibrotic interstitial lung disease in their terminal admission	Hui Guo
1645	Sertraline in symptomatic chronic breathlessness: a double blind, randomised trial	David Currow
1700	Plan Early: My Future Care; redesigning advance care planning for patients with long term respiratory conditions	Megan Sands
	SESSION - COMPLEMENTARY AND INTEGRATIVE MEDICINE <i>Chair: Michael Chapman</i>	
1545	Integrative Medicine: Should it be mainstream?	Judith Lacey
1615	Traditional Chinese Medicine and palliative care	Alan Bensoussan
1645	Mindfulness for whom: Patients, carers and staff	Michael Chapman
	SESSION - LONG TERM CARE <i>Chair: Melanie Lovell</i>	
1545	New models to improve palliative care in long term care	Lara Pivodic
1630	Do all palliative care services need a compassionate chef? Improving quality of life through food	Peter Morgan Jones
1715	DAY CLOSE	
1830	CONFERENCE DINNER	

SUNDAY 9 SEPTEMBER		
0730	Registration desk opens	
0745	AChPM Fellows Update	
0845	CONCURRENT SESSIONS	
	PROFFERED PAPERS 7 <i>Chair: Mark Boughey & Kat Urban</i>	
0845	Spiritual Care Practice by ANZSPM Members	<i>Megan Best</i>
0900	Lessons from the dying: a novel approach to improve junior doctor wellbeing in the face of death and dying	<i>Vinita Rane</i>
0915	Developing a model of bereavement care for a tertiary hospital network	<i>Matthew Grant</i>
0930	A Retrospective Review of all Applications for Pharmaceutical Cannabis from the Sacred Heart Supportive & Palliative Care since Legalisation in Australia	<i>Kim Caldwell</i>
0945	In our own backyard: capacity building palliative care with Aboriginal and Torres Strait Island communities in Far North Queensland. Why did the community health providers reach out to a Melbourne based palliative care organisation and what has this achieved with lessons for the sector	<i>Mark Boughey</i>
1000	The healing relationship in health care – a doctor's personal experience of a cancer diagnosis.	<i>Odette Spruyt</i>
	SESSION - DIFFICULT ENCOUNTERS <i>Chair: Elissa Campbell</i>	
0845	Opportunities for better bereavement outcomes: acute and intense grief	<i>Amy Chow</i>
0915	Improving care for people with drug and alcohol addiction at the end of life	<i>Nick Lintzeris</i>
0945	Criminal Law and elder abuse: what clinicians need to know	<i>John Anderson</i>
	SESSION - INTEGRATED PALLIATIVE CARE IN NON-MALIGNANT DISEASE <i>Chair: Brian Le and Peter Eastman</i>	
0845	Palliative care for people with respiratory disease	<i>Natasha Smallwood</i>
0905	Integrating palliative care in non-malignant disease: what are the international challenges?	<i>Ramaswamy Akhileshwaran</i>
0925	Meeting the needs of non-malignant palliative care in the future – models, funding, policy	<i>Liz Callaghan</i>
0945	Panel Discussion	
1015	POSTER SESSION – Facilitated Poster Walk	
1040	MORNING TEA	
1100	PLENARY SESSION <i>Chair: Leeroy Williams</i>	
1100	Models of care - for the future	<i>Stephen Duckett</i>
1145	Conference of close	
1200	LUNCH	

POSTERS

Title	Paper Title	Poster Board
Dr Shrikant Atreya	Symptom burden and its impact on quality of life of patients with Ovarian cancer patients at a tertiary hospital in India	P01
Dr Rachel Wiseman	Humidified high flow nasal oxygen in the community: a case series	P02
Dr Kim Caldwell	A Case of Severe Hypocalcaemia in a Gentleman with Metastatic Non-Small Cell Lung Cancer	P03
Dr Kim Caldwell	Two case reports of adverse events following the use of prolonged release oxycodone-naloxone in a tertiary hospital	P04
Dr Kathryn Forwood	Audit of an Australian inpatient hospice pharmacy service	P05
Dr Jessica Lee	Assessment of unmet needs of patients and their carers presenting to a palliative care ambulatory clinic	P06
Dr Gauri Gogna	Comparison on expenditure between an inpatient palliative care unit, and tertiary adult medical and surgical wards for patients at end of life - A retrospective chart analysis.	P07
Dr Amanda Sommerfeldt	Improving the prescribing and monitoring of dexamethasone and concomitant PPI use in the hospice setting	P08
Mr Darcy Gray	Audit of incidence and management of sleep disturbance in the Concord Repatriation General Hospital renal failure cohort	P09
Dr Heidi Gregory	Establishing a near-palliative clinic: patterns; outcomes and what next?	P10
Prof Janet Hardy	Designing a trial of medicinal cannabis for palliative care in Queensland	P11
Dr Hannah-Rose Hart	Proactive palliative care nurse specialist assessment of the frail older person in aged residential care facilities	P12
Dr Catherine Hayes	Exploring the use of cannabis for medicinal purposes in a palliative care population	P13
Dr Shirlynn Ho	Training an Adult Hospice Interdisciplinary Team in Paediatric Palliative Care – The First 18 Months	P14
Dr Suharsha Kanathigoda	Case conferencing for Aboriginal palliative care patients - a new model of care	P15
Dr Suharsha Kanathigoda	Using the Renal-POS validated tool to screen & follow up patients in the Renal Supportive Care Clinic in the ACT	P16
Dr Naomi Katz	Pre-emptive prescription of medications for the management of potential, catastrophic events in patients with a terminal illness: attitudes and practices of Australian and New Zealand palliative care doctors	P17
Dr Naomi Katz	What do children need from a paediatric palliative care service: a retrospective audit	P18
Dr Antony Kodsi	Validation of the Hospital One-year Mortality Risk (HOMR) or HOMR-NOW! tool in a respiratory outreach population.	P19
Dr So-Hi Kwon	Development of Korean Knowledge and Attitudes Survey in Pain Management (K-KASP) for Long-term Care Professionals	P20
Mr Andrew-Hyun Lee	Survey of health professional understanding about insomnia in a chronic renal patient care setting	P21
