

Saturday, May 20, 2023

9:30 AM - 1:00 PM

ESPO Board Meeting (for Board Members Only)

2:00 PM - 4:00 PM

ESPO Council Meeting (for Council Members Only)

5:00 PM - 6:00 PM

ESPO Standing Scientific Committee Meeting (for SSC Members Only)

6:30 PM - 7:30 PM

ACC Liverpool

Opening Ceremony

ACC Liverpool

7:30 PM - 9:00 PM

ACC Liverpool

Welcome Reception Buffet & Exhibition

ACC Liverpool

Sunday, May 21, 2023

8:25 AM - 9:10 AM

Breakfast Session 1

I Wish I had Known Better

Young ESPO-led Breakfast Session

I Wish I had Known Better *Prof George Zalzal, Children's National Health System- George Washington University, United States*

I Wish I had Known Better *Prof John Russell, Department Of Paediatric Otolaryngology Children's Health Ireland (Crumlin), Ireland*

I Wish I had Known Better *Ann Hermansson, Universitetssjukhuset, Sweden*

Adenoids and Tonsils

Fighting Talk

Fighting Talk *Steven Powell, Newcastle Hospitals NHS Trust, United Kingdom*

Fighting Talk *Riaz Seedat, University Of The Free State, South Africa*

Fighting Talk *Daniel Tweedie, United Kingdom*

Fighting Talk *Sudipta Banerjee, United Kingdom*

Fighting Talk *Nicolas Leboulanger, France*

Fighting Talk *Mrs Laura L. Veder, Sophia Children's Hospital, Netherlands*

Chair/Moderator:

Moderator - Fighting Talk : *Mr Mike Saunders, Bristol Royal Hospital For Children, United Kingdom*

9:15 AM - 10:15 AM

Keynote 1

Connecting the global paediatric ORL community - challenges and opportunities *Dr Hannah Burns, Queensland Childrens Hospital, Australia*

10:15 AM - 10:45 AM

Tea/Coffee Break & Exhibition

10:45 AM - 12:15 PM

Parallel Session 1

Paediatric Airway service - a world view

Round Table

Managing a paediatric airway service in South Africa *Prof Shazia Peer, University Of Cape Town & Red Cross War Memorial Children's Hospital, South Africa*

Managing a paediatric airway service in the UK *Ms Michelle Wyatt, Great Ormond Street Hospital, United Kingdom*

Managing a paediatric airway service in Turkey *Prof Faruk Unal, Koc University Medical Faculty Department Of Otolaryngology; Amerikan Hospital, Turkey*

Global tracheostomy collaborative *Dr Joshua Bedwell, Baylor College Of Medicine\Texas Children's Hospital, United States*

Sharing innovations in airway management across the world- fellowships and courses *Dr Kishore Sandu, Lausanne University Hospital, Switzerland*

Chair/Moderator:

Chair - Round Table : *Prof Jean-Michel Triglia, La Timone University Children Hospital, France*

Moderator - Round Table : *Dave Albert, United Kingdom*

Otitis media with effusion

OME - the societal cost *Prof Natacha Teissier, Robert Debré Hospital, France*

VTs or Hearing aids? *Dr Marie Gisselsson-Solen, Dpt Of Otorhinolaryngology, Head And Neck Surgery, Lund University Hospital, Sweden*

Treat the nose to treat the OME *Sujana Chandrasekhar, ENT and Allergy Associates, LLP, United States*

VTs or myringotomy? *Stephen O'Leary, The University Of Melbourne, Australia*

Eustachian tube dilatation in children *Prof Nicolas Gürtler, University Hospital Basel, Switzerland, Switzerland*

Chair/Moderator:

Chair - Round Table : *Dr Henry Pau, Private Practice, Hong Kong, Hong Kong*

Moderator - Round Table : *Mr Aristotelis Poullos, The Mid Yorkshire Hospitals NHS Trust, United Kingdom*

Challenging cases

Panel

PANEL *Dr Kara Prickett, Emory University, Children's Healthcare Of Atlanta, United States*

PANEL *Richard Nicollas, France*

PANEL *Mr Neil Bateman, Royal Manchester Children's Hospital, United Kingdom*

PANEL *Ms Rania Mehanna, Children's Health Ireland Crumlin, Ireland*

PANEL *Soham Roy, United States*

PANEL *Prof Jorge Spratley, Otorhinolaryngology, University Of Porto Faculty Of Medicine, S Joao Hospital Ctr, Portugal*

Chair/Moderator:

Moderator - Panel : *Michael Kuo, United Kingdom*

Chair - Panel : *Dr Sonia Ayari, Hospices Civils De Lyon, France*

Future trends in implants

Symposium

Future research for cochlear implantation *Nish Mehta, United Kingdom*

Robotics in Cochlear implantation *Prof Natalie Loundon, Necker Enfants Malades Hospital, France*

Fully implantable devices *Catherine Birman, Australia*

Gene therapies for deafness *Dr John Greinwald, Cincinnati Childrens Hospital And The University Of Cincinnati, United States*

Pre-op genetics *Prof Anke Lesinski-Schiedat, Ent Clinic & German Hearing Center / Mhh, Germany*

Cochlear implantation in ANSD *Dr kaukab Rajput, Great Ormond St Hospital For Sick Children Nhs Trust, United Kingdom*

Chair/Moderator:

Chair - Symposium : *Michal Luntz, Israel*

Moderator - Symposium : *Mr James Ramsden, University Of Oxford, United Kingdom*

How do we teach paediatric ENT Surgeons of the future

Round Table

Pod casts *Mr Mike Saunders, Bristol Royal Hospital For Children, United Kingdom*

Using video to educate *Dr Francois Simon, Hôpital Necker-Enfants Malades, AP-HP - Université Paris Cité, France*

Transferability from simulation to practice *Ms Tash Kunanandam, Royal Hospital For Children, Glasgow, U.k., United Kingdom*

3D printed model as a training tool *Dr Evan Propst, Hospital for Sick Children, Canada*

Human factors *Mark Volk, United States*

Whole team training in paediatric ENT *Andrea Burgess, Hampshire Hospitals Nhs Trust, Southampton Children's Hospital, United Kingdom*

Chair/Moderator:

Chair - Round Table : *Dr Romain Luscan, Hôpital Necker - Enfants Malades, France*

Moderator - Round Table : *Miss Sujata Kundu, County Durham And Darlington Nhs Ft, United Kingdom*

Endoscopic ear surgery

Round Table

Otoendoscope in clinic *Madhan Krishnan, United Kingdom*

Endoscopic myringoplasty *Channa PANAGAMUWA, United Kingdom*

Endoscopic mastoid surgery *Prof Adrian James, Hospital for Sick Children, Canada*

Ergonomics of endoscopic ear surgery *Dr Nader Nassif, Department Of Pediatric Otolaryngology Head And Neck Surgery, Children's Hospital Of Brescia, Italy*

Specific challenges of endoscopic ear surgery in children *Petra Kovacs, Hungary*

Chair/Moderator:

Chair - Round Table : *Prof Lidia Zawadzka-Glos, Polish Society Of Otorhinolaryngologists, Head And Neck Surgeons, Poland*

Moderator - Round Table : *Alicia Quesnel, United States*

Anterior skull base surgery

Round Table

Techniques to improve surgical access in endoscopic skull base surgeries *Mr Samuel Leong, Liverpool Head And Neck Centre, United Kingdom*

Transorbital approaches: concept, anatomy and application to skull base surgery *Shahz Ahmed, United Kingdom*

MDT approach in skull base surgery *Prof Narayanan Prepageran, Universiti Malaya, Malaysia*

Repairing CSF leak *Isma Iqbal, United Kingdom*

Complications in skull base surgeries *Vincent Couloigner, France*

Limitations to endoscopic approach to anterior skull base *Jeff Rastatter, United States*

Chair/Moderator:

Moderator - Round Table : *Ms Ann-Louise McDermott, Birmingham Women's And Children's Nhs Trust, United Kingdom*

Chair - Round Table : *Dr Cristobal Langdon, Hospital Sant Joan De Deu, Spain*

Lunch & Exhibition

General Assembly (ESPO Members Only)

Parallel Session 2

Management of Bilateral vocal cord abductor palsy

Instructional

How I manage Airway obstruction due to Bilateral vocal cord abductor palsy *MD Marilena Trozzi, Bambino Gesù Children's Hospital Irccs, Italy*

How I manage Airway obstruction due to Bilateral vocal cord abductor palsy-reinnervation *Kate Heathcote, United Kingdom*

How I manage Airway obstruction due to Bilateral vocal cord abductor palsy-anterior and posterior cricoid split +/- grafts *Dr Vikash Modi, Weill Cornell Medical College/New York Presbyterian Hospital, United States*

Chair/Moderator:

Chair - Instructional : *Prof George Zalzal, Children's National Health System- George Washington University, United States*

Moderator - Instructional : *Dr Briac Thierry, Hôpital Necker - Enfants Malades - Aphp, France*

10 min consultation in OUTPATIENTS

Assessing a child who can't smell *Prof Iordanis Konstantinidis, Aristotle University Of Thessaloniki, Greece*

Assessing a baby with stridor in outpatients *Jeyanthi Kulasegarah, University Of Malaya, Malaysia*

Assessing a child with epistaxis in clinic *Paula Coyle, United Kingdom*

Tongue tie - assessment and treatment *Ms Colleen Heffernan, Children's Health Ireland, Ireland*

Non-tuberculous mycobacterial infection *Mr Jeffrey Yeung, McGill University, Canada*

Genetics that a general paediatric ENT surgeon needs to know *Emily Anderson, United Kingdom*

Chair/Moderator:

Moderator - Instructional : *Lesley Cochrane, United Kingdom*

Chair - Instructional : *MD Michal Jurovcik, Ent Dpt 2nd Medical School, Charles University, Motol Hospital, Prague, Czech Republic*

Salivary glands

Instructional

Recurrent sialadenitis - assessment and management *Dr Sonia Ayari, Hospices Civils De Lyon, France*

Ranula - how to assess and manage *Prof Gheorghe Iovanescu, University Of Medicine and Pharmacy "Victor Babes", Romania*

Parotid lumps in children *Dr Sonanda Bailleux, Hôpitaux Pédiatriques De Nice Chu-Ienval, France*

Sialendoscopy in children *Mr Neil Bateman, Royal Manchester Children's Hospital, United Kingdom*

Chair/Moderator:

Moderator - Instructional : *Prof. Ann Hermansson, Universitetssjukhuset, Sweden*

Chair - Instructional : *Mr Benjamin Hartley, Great Ormond St Hospital, London, United Kingdom*

Running an Auditory Implant Service

Workshop

Bone Conducting Hearing and Middle Ear Implant Service - an Multidisciplinary approach *Prof Gabor Katona, Heim Pal National Pediatric Institute, Hungary*

Who needs to be part of the Cochlear Implant service *Konstance Tzifa, Birmingham Women's and Children's Hospital, United Kingdom*

How to expand the Auditory Implant service *Anna O'Kane, United Kingdom*

Chair/Moderator:

Moderator - Workshop : *Prof An Boudewyns, Antwerp University Hospital Belgium, Belgium*

Recent advances in Paediatric ORL-HNS

Instructional

Robotics in Paediatric ORL *Dr Francois Simon, Hôpital Necker-Enfants Malades, AP-HP - Université Paris Cité, France*

Exoscope *Dr Emilien CHEBIB, Robert Debré Hospital - Paris, France*

AI and Paediatric ENT *Mr Eishaan Bhargava, Sheffield Children's Hospital, United Kingdom*

VT insertion devices: pros and cons *MD Joana Araujo, Hospital De Cascais, Portugal*

Big Data to drive Quality of care in Paediatric ENT *MD Sharon Ovnat Tamir, Assuta Ashdod University Hospital, Israel*

Chair/Moderator:

Chair - Instructional : *MD Gil Zoizner-Agar, Meir Medical Center, Israel*

Moderator - Instructional : *Sara Torretta, Italy*

Cholesteatoma in children

Symposium

Surgical considerations - tips to reduce the risk of residual/recurrent disease *Prof Ana Jotić, Clinic For Otorhinolaryngology And Maxillofacial Surgery, University Clinical Center Of Serbia, Serbia*

Congenital cholesteatoma - considerations *Matt Ellis, United Kingdom*

Complications of cholesteatoma *Dr Steven Hamilton, Children's Hospital Colorado, United States*

Sid - the story of my congenital cholesteatoma *Katie & Louise Shepherd, United Kingdom*

Chair/Moderator:

Moderator - Symposium : *Gundula Thiel, United Kingdom*

Chair - Symposium : *Dr Sujana Chandrasekhar, ENT and Allergy Associates, LLP, United States*

Debates in Paediatric Rhinology

Debates

Choanal Atresia: Or not to flap? *Prof Alan Cheng, The Children's Hospital At Westmead, Australia*

Septorhinoplasty surgery in a child - Yes? *Prof Sanjay Parikh, Seattle Children's Hospital, United States*

Septorhinoplasty surgery in a child - Or no? *Mr Razvan Tasca, St Mary's Hospital Nhs Trust, Iow, United Kingdom*

Endoscopic Sinus Surgery in a Child: To Balloon? *Grace Khong, Alder Hey Children's NHS Foundation Trust, United Kingdom*

Endoscopic Sinus Surgery in a Child: Or not to Balloon? *Dr Uma Ramaswamy, Texas Children's Hospital-baylor College Of Medicine, United States*

Chair/Moderator:

Moderator - Debates : *Vincent Couloigner, France*

2:45 PM - 4:00 PM

Parallel Session 3

Aspiration and Laryngeal clefts

Symposium

SALT swallow assessment and aspiration *Ms Vicky Thorpe, Great Ormond Street Hospital Nhs Trust, United Kingdom*

Why is aspiration a problem? *Marlene Soma, Australia*

Laryngeal clefts - type 1 diagnosis and management *Prof Deepak Mehta, Texas Children's Hospital, United States*

Laryngeal clefts - management of type 2 *Mr Benjamin Hartley, Great Ormond St Hospital, London, United Kingdom*

Laryngeal clefts - management of type 3 and 4 *Prof Mike Rutter, Cincinnati Children's Hospital, United States*

Chair/Moderator:

Chair - Symposium : *Prof Noël Garabedian, Necker-sick Children Hospital, University Of Paris, France*

Moderator - Symposium : *Mrs. Hasnaa Ismail-koch, Southampton Children's Hospital, University Hospital Southampton, United Kingdom*

Young ESPO led session: Paediatric ENT Emergencies

Instructional

Salivary Gland abscess *Dr Alberto Maria Saibene, Università Degli Studi Di Milano, Italy*

Airway foreign body *Lakbinder Pabla, United Kingdom*

Acute sinusitis and hot FESS *Dr Cristobal Langdon, Hospital Sant Joan De Deu, Spain*

Peritonsillar abscess *Lily Jablenska, United Kingdom*

Chair/Moderator:

Chair - Instructional : *MD Saskia Coenraad, Wilhelmina Children's Hospital Utrecht, Netherlands*

Moderator - Instructional : *MD Joana Araujo, Hospital De Cascais, Portugal*

OSA

What's so bad about OSA anyway? *Palma Benedek, Hungary*

oSDB Vs OSA - do you need a polysomnogram to diagnose OSA? *Dr Norman Friedman, Children's Hospital Colorado, Pediatric Otolaryngology ; University Of Colorado Anschutz Medical Campus, United States*

How to diagnose OSA? - When PSG isn't a practical option *Prof Lidia Zawadzka-Glos, Polish Society Of Otorhinolaryngologists, Head And Neck Surgeons, Poland*

Does comorbidity affect the threshold to treat? Is living with OSA ever acceptable? *Miss Victoria Possamai, Evelina London Children's Hospital, United Kingdom*

Chair/Moderator:

Moderator - Symposium : *Dr. Nikhila Raol, Emory University School Of Medicine/children's Healthcare Of Atlanta, United States*

Chair - Symposium : *Prof Rob Black, Queensland Children's Hospital, Australia*

Paediatric Voice

Workshop

Paediatric Voice clinic and Role of SALT *Emma Dawes, Alder Hey Children's Nhs Foundation Trust, United Kingdom*

How to diagnose paediatric voice disorders *Dr Scott Rickert, Nyu Langone, United States*

Paediatric benign vocal fold lesions *Pamela Mudd, Children's National, United States*

Improving the voice following airway surgery *MD Alesandro de Alarcon, Cincinnati Children's Hospital Medical Center, United States*

Chair/Moderator:

Moderator - Workshop : *Adam Donne, United Kingdom*

Single sided deafness

Round Table

Implant candidacy for children with single-sided deafness *Dr Patricia Purcell, CS Mott Children's Hospital, University of Michigan, United States*

Bone conduction hearing implants for children with single sided deafness *Mr Sunil Sharma, Alder Hey Children's Hospital, United Kingdom*

Outcomes of cochlear implantation in children with short durations of single sided deafness *Prof Karen Gordon, The Hospital For Sick Children, Canada*

Chair/Moderator:
Moderator - Round Table : *Dr Sharon Cushing, Hospital for Sick Children, Canada*
Chair - Round Table : *Liat Kishon-Rabin, Israel*

Global Health and Health inequalities

Effect of social determinants on outcomes of cleft lip and palate surgery *Dr Siva Chinnadurai, Childrens Minnesota, United States*

World inequality in the distribution of paediatric ENT specialists *Prof Shazia Peer, University Of Cape Town & Red Cross War Memorial Children's Hospital, South Africa*

Healthcare policy and its impact on Paediatric Health *MD Paul Krakovitz, Intermountain Health, United States*

Chair/Moderator:
Moderator - Round Table : *Sian Falder, United Kingdom*

Balance disorders in children

Symposium

Vestibular migraine in children *Dr Jacob Brodsky, Boston Children's Hospital; Harvard Medical School, United States*

Vestibular rehabilitation *PhD Richard Gans, American Institute Of Balance, United States*

Uncommon paediatric vestibular disorders *Prof SOUMIT DASGUPTA, Alder Hey Children's Nhs Foundation Trust, United Kingdom*

Chair/Moderator:
Moderator - Symposium : *Prof SOUMIT DASGUPTA, Alder Hey Children's Nhs Foundation Trust, United Kingdom*
Chair - Symposium : *PhD. Zdeněk Čada, Head Of Department Department Of Othorinolaryngology University Hospital Motol Charles University, The Second Faculty Of, Czech Republic*

Septoplasty/Rhinoplasty

Workshop

Septal perforation *Dilyana Vicheva, Bulgaria*

Nasal Reconstruction *Krishna Patel, United States*

Surgical techniques in Paediatric Septoplasty *Ann Hermansson, Universitetssjukhuset, Sweden*

Chair/Moderator:
Moderator - Workshop : *Prof Sanjay Parikh, Seattle Children's Hospital, United States*
Chair - Workshop : *Mr. Gavin Morrison, The Portland Hospital, London, W1W 5AH, United Kingdom*

4:00 PM - 4:30 PM

Tea/Coffee Break & Exhibition

4:30 PM - 5:30 PM

Parallel Session 4

The future: Airway Innovations

Instructional

Bioengineering *Dr Tendency Chiang, Nationwide Children's Hospital, United States*

Robot in airway surgery *Prof Carlton Zdanski, University Of North Carolina At Chapel Hill, United States*

Advances in paediatric airway anaesthesia *Dr Hannah Burns, Queensland Childrens Hospital, Australia*

Airway stents *Colin Butler, United Kingdom*

Chair/Moderator:
Moderator - Instructional : *Dr Evan Propst, Hospital for Sick Children, Canada*
Chair - Instructional : *Oliver Haag, Spain*

DISE

What can we learn from DISE in cases of failed adenotonsillectomy *Prof An Boudewyns, Antwerp University Hospital Belgium, Belgium*

How to do DISE + ancillary manoeuvres *Derek Lam, Oregon Health And Science University, United States*

Limitations of DISE and DISE directed treatment outcomes *Prof Sanjay Parikh, Seattle Children's Hospital, United States*

Chair/Moderator:

Moderator - Symposium : *Mr Ravi Thevasayagam, Sheffield Children's Hospital, United Kingdom*

H&N infections

Instructional

NTM - conservative management *Kate Blackmore, James Cook University Hospital, Middlesbrough, United Kingdom*

NTM - surgery *Soham Roy, United States*

Deep neck space infections - a management algorithm *Ms Rachael Lawrence, National Institute For Health Research (NIHR) Nottingham Biomedical Research Centre, United Kingdom*

Recognising Sepsis - what an ENT surgeon should know *Mira de Kruijf, Royal Manchester Children's Hospital, United Kingdom*

Chair/Moderator:

Moderator - Instructional : *Mr Neil Bateman, Royal Manchester Children's Hospital, United Kingdom*

After the Cochlear implant

Instructional

Molecular biomarkers of neuroplasticity after congenital deafness treatment by cochlear implantation *Dr Monika Matusiak, Institute Of Physiology And Pathology Of Hearing, Poland*

Post implant monitoring *Prof Thomas Lenarz, Hannover Medical School, Germany*

Managing complications post implantation *Dan-Christian Gheorghe, M.S.Curie Hospital, Carol Davila University, Bucharest, Romania*

How to manage the failed implant *Sonia Kumar, John Radcliffe Hospital, Oxford, United Kingdom*

Chair/Moderator:

Chair - Instructional : *Luisa Monteiro, Portugal*

Moderator - Instructional : *Michal Luntz, Israel*

ORL and the online world

Workshop

Medical education in the online world *Gopi Shah, BackTable ENT, France*

Social media: good or bad? *Dr Alberto Maria Saibene, Università Degli Studi Di Milano, Italy*

Impact of social media on professional identity *Dr Sarah Edwards, University Hospitals of Derby and Burton, United Kingdom*

Digital Healthcare in Paediatric ENT *Mr Tunde Oremulé, Royal Manchester Children's Hospital, United Kingdom*

Chair/Moderator:

Moderator - Workshop : *Emilie Dronkers, Netherlands*

Chair - Workshop : *Marti Josep Adroher, Spain*

Updates in Tympanoplasty

Workshop

Aetiologies of tympanic membrane perforations in children *Simone Schaefer, Department Of Paediatric Otolaryngology, Royal Manchester Children's Hospital, Manchester Nhs Foundation Trust, United Kingdom*

Factors affecting outcomes *Dr Anne Farinetti, La Timone Children's Hospital, France*

Tympanoplasty in Syndromic patients - special considerations *PhD Zsuzsanna Csakanyi, Heim Pal National Pediatric Institute ENT Department, Hungary*

Chair/Moderator:

Moderator - Workshop : *Prof Ana Jotić, Clinic For Otorhinolaryngology And Maxillofacial Surgery, University Clinical Center Of Serbia, Serbia*

Chair - Workshop : *Prof Eugenijus Lesinkas, Vilnius University Hospital Santaros Clinics, Lithuania*

Joint ENT/Ophthalmology

Instructional

External DCR: indications and limitations *Manoj Parulekar, United Kingdom*

Endoscopic DCR: indications and limitations *Dr Carla Moreira, Hospital De Santa Maria Maior, Barcelos, Portugal*

Transorbital drainage of abscess *Ms Rebecca Ford, Bristol Eye Hospital, United Kingdom*

Chair/Moderator:

Moderator - Instructional : *Showkat Mirza, United Kingdom*

Chair - Instructional : *MD Fuad Barody, The University Of Chicago Medicine, United States*

8:25 AM - 9:10 AM

Breakfast Session 2

ENT in a non-specialist environment

Fighting Talk

Fighting Talk *Dr Kara Meister, Stanford University, United States*

Fighting Talk *PhD Bas Pullens, Erasmus Mc - Sophia Children's Hospital, Netherlands*

Fighting Talk *Mr Neil Bateman, Royal Manchester Children's Hospital, United Kingdom*

Fighting Talk *Louisa Ferguson, United Kingdom*

Fighting Talk *Dr Steven Sobol, Children Hospital Of Philadelphia, United States*

Fighting Talk *Ciba Paul, United Kingdom*

Chair/Moderator:

Moderator - Fighting Talk : *Mr Keith Trimble, Royal Belfast Hospital for Sick Children, United Kingdom*

Women in Paediatric ENT

Workshop

Look after yourself *Dr Julie Wei, University Of Central Florida College Of Medicine, United States*

Leadership in a paediatric ENT career *Sujana Chandrasekhar, ENT and Allergy Associates, LLP, United States*

Challenges that women face *Miss Sujata De, Alder Hey Children's Hospital, United Kingdom*

Chair/Moderator:

Moderator - Fighting Talk : *Ms Michelle Wyatt, Great Ormond Street Hospital, United Kingdom*

I wish I knew then...

Young ESPO-led Breakfast Session

I wish I knew then... *Catherine Birman, Australia*

I wish I knew then... *Luisa Monteiro, Portugal*

I wish I knew then... *Mr. Gavin Morrison, The Portland Hospital, London, W1W 5AH, United Kingdom*

9:15 AM - 10:15 AM

Keynote 2

Causes and consequences of obesity *Prof Sir Stephen O'Rahilly, United Kingdom*

Global policy on HPV Vaccine *Prof Sir Andrew Pollard, United Kingdom*

10:15 AM - 10:45 AM

Tea/Coffee Break & Exhibition

10:45 AM - 12:15 PM

Parallel Session 5

Tracheostomy 2023- what's new?

Roundtable

Changing indications for a long term tracheostomy *PhD Bas Pullens, Erasmus Mc - Sophia Children's Hospital, Netherlands*

Choice of tracheostomy tube & managing a global tube shortage *Jo Cooke, United Kingdom*

Practical tips on tracheostomy placement and management *Prof Ari De Rowe, Tel Aviv Sourasky Medical Center, Israel*

The impact of a tracheostomy on families *Alison Flynn, Alder Hey Children Foundation Trust, United Kingdom*

Preventing and managing complications *Dr Steven Sobol, Children Hospital Of Philadelphia, United States*

Decannulation and Closure of tracheocutaneous fistulas *Laszlo Rovo, Hungary*

Tracheostomies: from bench to bedside to big data *Mr Jason Powell, B.C. Children's Hospital, University of British Columbia, Canada*

Chair/Moderator:

Moderator - Round Table : *Mr Steven Powell, Newcastle Hospitals NHS Trust, United Kingdom*

Chair - Round Table : *MD Bartolome Benito Margarita, Niño Jesús University Children Hospital, Spain*

Adenotonsillectomy - indications and surgical techniques

Debates

Choking is an indication for urgent Adenotonsillectomy - FOR *Miss May Yaneza, United Kingdom*

Adenoidectomy techniques: the curette does the job - no need for suction diathermy or coblation - FOR *Miss Sarah O'Donnell, Leeds Teaching Hospitals Nhs Trust, United Kingdom*

Adenoidectomy techniques: the curette does the job - no need for suction diathermy or coblation - AGAINST *Sanjeev Gupta, Sheffield Children's Hospital, United Kingdom*

Tonsillectomy for recurrent tonsillitis in children should not be performed by an extracapsular technique - FOR *MD Johanna Nokso-Koivisto, Helsinki University Hospital, Finland*

Tonsillectomy for recurrent tonsillitis in children should not be performed by an extracapsular technique - AGAINST *Dr Emily Boss, Johns Hopkins University, United States*

Chair/Moderator:

Moderator - Debates : *Prof Vijayasekaran Shyan, University Of Western Australia, Australia*

Chair - Debates : *PhD. Beata Pucher, Pediatric Otolaryngology Department Of Poznan University Of Medical Sciences, Poland*

Vocal cord dysfunction- impact on swallow and voice

Round Table

The role of the MDT and SALT *Mrs Lizzie Nash, Evelina London Children's Hospital, United Kingdom*

The role of FEES *MD James Schroeder, Northwestern University / Lurie Children's Hospital Of Chicago, United States*

The role of nerve conduction studies *Haasna Ismail Koch, Southampton Children's Hospital, University Hospital Southampton, United Kingdom*

Surgical management - passive techniques *Dr Doug Sidell, Stanford University, United States*

Surgical management of unilateral vocal cord palsy - reinnervation *Dr Karen Zur, Children's Hospital Of Philadelphia, United States*

Chair/Moderator:

Moderator - Round Table : *Mrs Andrea Burgess, Hampshire Hospitals Nhs Trust, Southampton Children's Hospital, United Kingdom*

Chair - Round Table : *Prof Lana Kovac Bilic, University Hospital Centre Zagreb, Croatia*

Microtia and variations in practice

Round Table

The North American experience *MD, FACS, FAAP Brian K Reilly, Children's National Hospital Washington, DC, USA, United States*

The microtia Multidisciplinary team *Mr Sunil Sharma, Alder Hey Children's Hospital, United Kingdom*

How we decide on implantation - choice between BHDs and MEIs *Prof Assen Koitschev, ENT-Dept., Klinikum-Stuttgart, Germany*

IAD options for microtia: our experience *Mr Steve Broomfield, West Of England Hearing Implant Programme, United Kingdom*

Reconstructive surgery - new trends *MD Charlotte Celerier, Necker Enfants Malades Hospital, France*

Chair/Moderator:

Moderator - Round Table : *Prof Chris Raine, Bradford Royal Infirmary, United Kingdom*

Chair - Round Table : *Prof. Omer Faruk Unal, Koc University Medical Faculty, Turkey*

Commercialisation and Entrepreneurship

Round Table

Commercialising balloons and stents *Prof Mike Rutter, Cincinnati Children's Hospital, United States*

VT insertion device: lab to market *Ms Olive O'Driscoll, Aventamed, Ireland*

Sourcing a supply change - tonsillectomy wand shortage *Romain Luscan, Hôpital Necker - Enfants Malades, France*

Hear glue ear App *Dr Tamsin Holland Brown, Nhs England Clinical Entrepreneur Programme And Paediatrician At Cambridgeshire Community Services Nhs Trust, United Kingdom*

Chair/Moderator:

Moderator - Round Table : *Dave Albert, United Kingdom*

DEBATES in Otology

Debates

To obliterate the mastoid *Codruta Neumann, United Kingdom*

Or not to obliterate *Thomas Somers, Belgium*

Retraction pockets - to operate *Prof Adrian James, Hospital for Sick Children, Canada*

Retraction pockets - or not to operate *PhD Zsuzsanna Csakanyi, Heim Pal National Pediatric Institute Ent Department, Hungary*

DWI instead of second stage surgery - for *Dr Marc Pellicer, Teknon Medical Center / Vall d'Hebron Hospital, Spain*

DWI instead of second stage surgery - against *Sujana Chandrasekhar, ENT and Allergy Associates, LLP, United States*

Chair/Moderator:

Moderator - Debates : *Mr James Ramsden, University Of Oxford, United Kingdom*

Chair - Debates : *Pasquale Marsella, Italy*

Chronic rhinosinusitis

Workshop

Paediatric rhinosinusitis - new concepts for treatment *Dilyana Vicheva, Bulgaria*

Surgical treatment of CRS *Dr Hassan Ramadan, West Virginia University, United States*

Systematic approach to managing nasal polyps in children *Prof Gheorghe Iovanescu, University Of Medicine and Pharmacy "Victor Babes", Romania*

Isolated sphenoid sinus disease in children *Dr Michal Kotowski, Department Of Pediatric Otolaryngology, Poznan University Of Medical Sciences, Poland, Poland*

Chair/Moderator:

Moderator - Workshop : *Archana Jaiswal, United Kingdom*

Chair - Workshop : *PhD Monika Sultész, Heim Pál National Pediatric Institute, Hungary*

12:15 PM - 1:40 PM

Lunch & Exhibition

12:20 PM - 1:00 PM

IWGPO (IWGPO Members Only)

1:00 PM - 2:00 PM

IPOG Meeting (by invite only)

1:40 PM - 2:40 PM

Parallel Session 6

Airway emergencies- when it can't wait

Instructional

Planning an EXIT *Prof Ari De Rowe, Tel Aviv Sourasky Medical Center, Israel*

Managing inhaled foreign bodies *Mr Mike Saunders, Bristol Royal Hospital For Children, United Kingdom*

Neonatal airway obstruction/can't intubate - can't ventilate *Ms Tash Kunanandam, Royal Hospital For Children, Glasgow, U.k., United Kingdom*

Acute stridor in the toddler/recurent croup *Prof Natacha Teissier, Robert Debré Hospital, France*

Chair/Moderator:

Moderator - Instructional : *Ms Kate Stephenson, Birmingham Children's Hospital, United Kingdom*

Chair - Instructional : *Sergio Bottero, Italy*

Management of Airway Stenosis

Expert Instructional

Endoscopic techniques for subglottis stenosis *Steven Powell, Newcastle Hospitals NHS Trust, United Kingdom*

How I manage Cricoarytenoid fixation *Prof Mike Rutter, Cincinnati Children's Hospital, United States*

How I do a laryngotracheal reconstruction *Dr Taher Valika, Lurie Children's Hospital, Northwestern University, United States*

How I do a cricotracheal resection *Mr Richard Hewitt, Great Ormond Street Hospital, United Kingdom*

How I manage suprastomal collapse *Dr Karen Zur, Children's Hospital Of Philadelphia, United States*

Chair/Moderator:

Moderator - Expert Instructional : *Marlene Soma, Australia*

Chair - Expert Instructional : *Prof Christian Sittel, Klinikum Stuttgart, Germany*

With a little help from our friends

Instructional

Allergy, rhinitis and OSA *Vibha Sharma, Royal Manchester Children's Hospital, Manchester University Nhs Foundation Trust, United Kingdom*

Ear pain or TMJ *Ms Anusha Hennedige, Alder Hey Children's Hospital, United Kingdom*

Neck swellings - when to biopsy, what to biopsy and how to biopsy *James Hayden, United Kingdom*

Chronic cough/croup *Dr Rebecca Thursfield, Alder Hey Children's Nhs Trust, United Kingdom*

Dysphagia in children: eosinophilic oesophagitis *Marcus Auth, United Kingdom*

Chair/Moderator:

Moderator - Instructional : *PhD. Mira de Kruijf, Royal Manchester Children's Hospital, United Kingdom*
Chair - Instructional : *Dr Joost Bittermann, Wilhelmina Children's Hospital Utrecht, Netherlands*

Syndromes that challenge paediatric ENT surgeons

The role of the MDT in children with cleft lip and palate *Michal Jurovcik, Ent Dpt 2nd Medical School, Charles University, Motol Hospital, Prague, Czech Republic*

CHARGE *Dr Karthik Balakrishnan, Stanford Children's Health, United States*

Pierre-Robin incl Treacher Collins *Dr Siva Chinnadurai, Childrens Minnesota, United States*

22q11 *Louisa Ferguson, United Kingdom*

Chair/Moderator:

Moderator - Symposium : *Prof Greet Hens, Uz Leuven, Belgium*

Chair - Symposium : *Will Hellier, United Kingdom*

Middle ear implants

Who are the ideal candidates *Mr Steve Broomfield, West Of England Hearing Implant Programme, United Kingdom*

Learning curve with middle ear implants *Prof Assen Koitshev, ENT-Dept., Klinikum-Stuttgart, Germany*

Future of middle ear implants *Mrs Jaya Nichani, Manchester Foundation Trust, United Kingdom*

Chair/Moderator:

Moderator - Workshop : *Harry Powell, United Kingdom*

The Future is here

Workshop

Surgical planning in VR *Dr Kara Meister, Stanford University, United States*

Tissue regeneration *Dr Briac Thierry, Hôpital Necker - Enfants Malades - Aphp, France*

Machine Learning for otoscopy *Dr Tal Marom, Assuta Ashdod University Hospital, Israel*

Chair/Moderator:

Moderator - Workshop : *Matt Ellis, United Kingdom*

Facial nerve

Symposium

Facial nerve palsy after trauma *Prof Lidia Zawadzka-Glos, Polish Society Of Otorhinolaryngologists, Head And Neck Surgeons, Poland*

What to do if the child wakes up with a facial palsy after ear surgery *Rohit Verma, United Kingdom*

Rehabilitation - when and how *Adel Fattah, United Kingdom*

Chair/Moderator:

Moderator - Symposium : *Dr Anne Farinetti, La Timone Children's Hospital, France*

Cystic fibrosis/PCD

Instructional

Systematic Approach to Cystic fibrosis in Children *Cecilia Ahlstrom-Emanuelsson, Sweden*

Triple Combination Therapy/Kaftrio *Prof Kevin Southern, University Of Liverpool, United Kingdom*

Update on surgical role in cystic fibrosis - How I do it *Zuzana Balatkova, Dept Of Ent And Head And Neck Surgery 1st Faculty Of Medicine, Charles University Prague, University Hospital Motol, Czech Republic*

Considerations in the treatment of CRS in PCD *MD Fuad Baroody, The University Of Chicago Medicine, United States*

Chair/Moderator:

Moderator - Instructional : *Dr Hassan Ramadan, West Virginia University, United States*

Chair - Instructional : *Ms Colleen Heffernan, Children's Health Ireland, Ireland*

2:45 PM - 4:00 PM

Parallel Session 7

Managing Malacia

Symposium

Laryngomalacia - medical management and when to intervene surgically *Ms Rania Mehanna, Children's Health Ireland Crumlin, Ireland*

Laryngomalacia - unusual presentations and how to manage them *Dr Dana Thompson, Lurie Children's Hospital/Northwestern University, United States*

Exercise induced laryngeal obstruction *Ian Street, Alder Hey Children's Nhs Foundation Trust, United Kingdom*

Management of tracheomalacia - Long term ventilation Vs surgery *Dr Catherine Hart, Cincinnati Children's Hospital Medical Center, United States*

Tracheomalacia - a management algorithm, pexies and stents *Mr Richard Hewitt, Great Ormond Street Hospital, United Kingdom*

Chair/Moderator:

Moderator - Symposium : *Mr Mike Saunders, Bristol Royal Hospital For Children, United Kingdom*

Chair - Symposium : *Dr Katarina Stankovic, Mother and Child Health Care Institute of Serbia, Serbia*

OSA beyond Adenotonsillectomy

More to it than surgery - non-surgical factors and treatments in OSA *Prof Vijayasekaran Shyan, University Of Western Australia, Australia*

Orthodontic/maxillofacial approaches to treating OSA *PhD Bas Pullens, Erasmus Mc - Sophia Children's Hospital, Netherlands*

Epiglottopexy - indication, techniques and outcome *Sohit Kanotra, United States*

Lingual tonsillectomy- indication, techniques and outcomes *Sarah Maurrasse, United States*

The role of NIV – what's new and challenges *Chris Grime, United Kingdom*

Chair/Moderator:

Moderator - Symposium : *Miss Victoria Possamai, Evelina London Children's Hospital, United Kingdom*

Chair - Symposium : *Eimear Phelan, Ireland*

ENT in Children with Downs syndrome

Symposium

Downs syndrome communication cards *Mrs Margaret Hogan, Down Syndrome Liverpool, United Kingdom*

Otology in children with Downs syndrome *Dr Irene Karabouta, Heim Pal National Children's Medical Institute, Hungary*

Managing glossoptosis through tongue base suspension using fluoroscopic guidance *Dr Taher Valika, Lurie Children's Hospital, Northwestern University, United States*

Advances in the management of the airway in children with Downs syndrome *Prof An Boudewyns, Antwerp University Hospital Belgium, Belgium*

Chair/Moderator:

Chair - Symposium : *Miss Emma McNeill, Sunderland Royal Hospital, United Kingdom*

Moderator - Symposium : *Mr Sanj Gupta, Sheffield Children's Hospital, United Kingdom*

Thyroglossal cysts and Thyroid

Thyroglossal cysts - surgical techniques *Beata Pucher, Pediatric Otolaryngology Department Of Poznan University Of Medical Sciences, Poland*

Thyroglossal cysts - unusual presentations and outcomes *Dr Sonanda Bailleux, Hôpitaux Pédiatriques De Nice Chu-Ienval, France*

Paediatric thyroid surgery - the MDT *Dr Jeffrey Simons, University Of Pittsburgh School Of Medicine, United States*

Paediatric thyroid surgery - indications *Colin Butler, United Kingdom*

Paediatric thyroid surgery - surgical considerations *Jeff Rastatter, United States*

Chair/Moderator:

Moderator - Symposium : *Mr Chris Pepper, Evelina London Children's Hospital, United Kingdom*

Choosing the best Implantable Auditory Device for the patient

Symposium

How I do it: the MDT approach *Prof Piotr H. Skarzynski, World Hearing Center Institute Of Physiology And Pathology Of Hearing / Medincus, Poland*

Implantable Auditory Devices: what are the options *Prof Susan Arndt, Department of Oto-Rhino-Laryngology and Implant Center, Medical Center - University of Freiburg, Germany*

Managing complications of Implantable Auditory Devices *Mrs Jaya Nichani, Manchester Foundation Trust, United Kingdom*

Future of Implantable Auditory Devices *Dr Yi-Chun (Carol) Liu, Texas Children's Hospital, United States*

Chair/Moderator:

Chair - Symposium : *Liat Kishon-Rabin, Israel*

Moderator - Symposium : *Prof Iain Bruce, Royal Manchester Children's Hospital, United Kingdom*

Sustainable healthcare in Paediatric ENT

Symposium

Sustainable healthcare *Mr Thomas Hampton, Liverpool School of Tropical Medicine, United Kingdom*

	Changing behaviours <i>Dr Eric Moreddu, Aix-marseille Université, France</i> The role of telemedicine in sustainability in paediatric ENT <i>Dr Karthik Balakrishnan, Stanford Children's Health, United States</i> Carbon footprint of tonsillectomy <i>Dr Camhi Yohan, Necker Hospital, France</i> Chair/Moderator: Moderator - Symposium : <i>Ms. Hannah Emerson, Alder Hey Hospital, United Kingdom</i> Chair - Symposium : <i>Tawakir Kamani, United Kingdom</i>
	Assessing hearing in a child Symposium A successful newborn Hearing screening programme <i>Mrs Laura Strachan, Alder Hey Children's Hospital, United Kingdom</i> Diagnostic and genetic testing for sensorineural hearing loss <i>Dr Kay Chang, Stanford University, United States</i> Update on CMV <i>Prof Madalina Georgescu, "Carol Davila" University Of Medicine And Pharmacy, Romania</i> Update on audiological testing in young children - impact of fluid in the middle ear? <i>PhD. Snezana Andric Filipovic, MDH, Malta</i> APD <i>Dr Sudhira Ratnayake, Alder Hey Children's NHS Foundation Trust, United Kingdom</i> Chair/Moderator: Chair - Symposium : <i>Prof Thierry Van den Abbeele, Robert Debre Hospital Aphp, Université Paris Cité, France</i>
	JNA Cases: Approach, limitations, preparation, post op monitoring, recurrences, roles Panel PANEL <i>Marco Ferrari, University Of Padua, Italia</i> PANEL <i>Diana Zabolotna, Ukraine</i> PANEL <i>Prof Narayanan Prepageran, Universiti Malaya, Malaysia</i> PANEL <i>Mr ajay sinha, Alder Hey Childrens Nhs Trust, United Kingdom</i> PANEL <i>Prof Jarosław Szydlowski, Poland</i> PANEL <i>Ms Ann-Louise McDermott, Birmingham Women's And Children's Nhs Trust, United Kingdom</i> Chair/Moderator: Chair - Panel : <i>Dr Carl Snyderman, University Of Pittsburgh School Of Medicine, United States</i> Moderator - Panel : <i>Mr Samuel Leong, Liverpool Head And Neck Centre, United Kingdom</i>
4:00 PM - 4:30 PM	Tea/Coffee Break & Exhibition
4:30 PM - 5:30 PM	Parallel Session 8 Latest Developments in RRP Instructional UK RRP registry <i>Adam Donne, United Kingdom</i> The impact of RRP on children and their families <i>Prof Craig Derkay, Eastern Virginia Medical School / Children's Hospital of King's Daughters, 1334 Mallory Court</i> When surgery isn't enough: Avastin, cidofovir and other adjuvants <i>Seth Pransky, United States</i> RRP in Australia - where have all the cases gone? <i>Dr Hannah Burns, Queensland Childrens Hospital, Australia</i> Advances in surgical treatment of RRP <i>Prof Frederik Dikkers, Amsterdam Umc, Netherlands</i> Chair/Moderator: Moderator - Instructional : <i>Miss Victoria Possamai, Evelina London Children's Hospital, United Kingdom</i> Drooling Symposium Medical management of drooling <i>Zahabiya Bassi, Alder Hey Childrens Hospital, United Kingdom</i> Botox for drooling in children <i>Murali Mahadevan, New Zealand</i> Surgical management of drooling in children <i>Prof Pierre Fayoux, Chu Lille, France</i> Effect of drooling and interventions on quality of life <i>Mr Ravi Thevasayagam, Sheffield Children's Hospital, United Kingdom</i> Chair/Moderator: Moderator - Symposium : <i>Mr. Ravi Sharma, Alder Hey Children's NHS Foundation Trust, United Kingdom</i> Chair - Symposium : <i>Diana Di Dio, Germany</i>

Congenital neck lesions

Instructional

Preauricular sinuses *Nicolae Balica, Romania*

Type 1 branchial lesions *Richard Nicollas, France*

Fistulas and cysts in head and neck in children *Petra Kovacs, Hungary*

Pyriform fossa sinus tract lesions *Dr. Neil Chadha, Bc Children's Hospital, Canada*

Chair/Moderator:

Moderator - Instructional : *Miss Kate Blackmore, James Cook University Hospital, Middlesbrough, United Kingdom*

Surgical challenges in Cochlear Implants

Symposium

Cochlear Implantation in Children with CHARGE *Lesley Cochrane, United Kingdom*

Cochlear Implantation in incomplete partition *Prof Manuel Manrique, University Clinic Of Navarra, España*

My experience with explantation re-implantation *Michal Luntz, Israel*

Chair/Moderator:

Chair - Symposium : *Pasquale Marsella, Italy*

Moderator - Symposium : *Prof Natalie Loundon, Necker Enfants Malades Hospital, France*

The family friendly Paediatric Otorhinolaryngologist

Workshop

What children, young people and their parents want from their ent surgeons *Dr Emily Boss, Johns Hopkins University, United States*

VR goggles to alleviate fear *Dr Doug Sidell, Stanford University, United States*

Otoendoscopy in out-patients - does it build understanding, therapeutic relationships and decision making? *Prof Bernie Carter, Edge Hill University, United Kingdom*

Chair/Moderator:

Moderator - Workshop : *Marianne Elloy, United Kingdom*

Chair - Workshop : *Mr Samit Ghosh, Northern Care Alliance NHS Foundation Trustt, United Kingdom*

Evidence base and decision-making in otology

Workshop

Setting up and running a multicentre research project *Anne Schilder, University College London Ear Institute, United Kingdom*

Recent trials in paediatric otology *Andrew Hall, United Kingdom*

Research collaboratives in paediatric otology *Mr Huw Jones, Wrexham Maelor Hospital, United Kingdom*

Chair/Moderator:

Moderator - Workshop : *Prof Iain Bruce, Royal Manchester Children's Hospital, United Kingdom*

Allergic rhinitis

Instructional

Update on management of allergic rhinitis *Dr Sofia Stamataki, Children's Hospital ' Agia Sofia' , Athens Greece, Greece*

Impact and epidemiology of allergic rhinitis in children *PhD Monika Sultesz, Heim Pál National Pediatric Institute, Budapest, Üllői Út 86., H-1089, Hungary, Hungary*

Medical management *Prof Ralph Mösges, Imsb, Medical Faculty, University At Cologne, Germany*

Local immunotherapy *Luisa Maria Bellussi, Italy*

Turbinate surgery in children *Dr Miguel Coutinho, Centro Hospitalar Universitário Do Porto, Portugal*

Chair/Moderator:

Moderator - Instructional : *Dr Vibha Sharma, Royal Manchester Children's Hospital, Manchester University Nhs Foundation Trust, United Kingdom*

7:00 PM - 11:59 PM

Anglican Cathedral
Liverpool

ESPO Networking Dinner

Anglican Cathedral Liverpool

Tuesday, May 23, 2023

Breakfast Session 3

A patient I remember

Young ESPO-led Breakfast Session

A patient I remember *Dr. Colin Barber, Starship Children's Hospital, New Zealand*

A patient I remember *Martin Bailey, ESPO, United Kingdom*

A patient I remember *Dr Dana Thompson, Lurie Children's Hospital/Northwestern University, United States*

Common Middle ear issues

Fighting Talk

Fighting Talk *Soham Roy, United States*

Fighting Talk *Aikaterini Dritsoula, Leeds Teaching Hospitals NHS Trust, United Kingdom*

Fighting Talk *Dr Francois Simon, Hôpital Necker-Enfants Malades, AP-HP - Université Paris Cité, France*

Fighting Talk *Connor Jackson, United Kingdom*

Fighting Talk *Dr Nicolien van der Poel, Antwerp University Hospital, Belgium*

Fighting Talk *Dr Scott Rickert, NYU Langone, United States*

Chair/Moderator:

Moderator - Fighting Talk : *Prof Sanjay Parikh, Seattle Children's Hospital, United States*

Global Collaboration

Workshop

Global snapshot *Jad Jabbour, Charlotte Eye Ear Nose And Throat Associates, United States*

Global snapshot *Tania Sih, Medical School University Of Sao Paulo, Brazil*

Global snapshot *Prof Chris Raine, Bradford Royal Infirmary, United Kingdom*

Global snapshot *Prof Vijayasekaran Shyan, University Of Western Australia, Australia*

Global snapshot *Nguyen Thi Ngoc Dung, United States*

Chair/Moderator:

Moderator - Workshop : *Prof Reza Rahbar, Harvard Medical School, United States*

Moderator - Workshop : *Dr Erika Mercier, Hopital Ste-Justine, Canada*

Parallel Session 9

Multilevel airway management in the syndromic child

Symposium

MPS- medical and surgical management of the MPS airway *MD Michal Jurovcik, Ent Dpt 2nd Medical School, Charles University, Motol Hospital, Praguesity, Czech Republic*

Craniosynostosis syndromes- airway management strategies *Ian Jacobs, The Children's Hospital Of Philadelphia, United States*

Pierre Robin Sequence - airway management strategies *Romain Luscan, Hôpital Necker - Enfants Malades, France*

Patient and Parent Story: Pfeiffers syndrome: all my airway interventions *Mrs Nicola & Thomas Pearce, Parent And Child (alder Hey Patient), United Kingdom*

Chair/Moderator:

Moderator - Symposium : *Miss Sujata De, Alder Hey Children's Hospital, United Kingdom*

Chair - Symposium : *Ms Michelle Wyatt, Great Ormond Street Hospital, United Kingdom*

Children with Complex Needs

Challenges in managing children with ASD/ADHD *Lakbinder Pabla, United Kingdom*

ENT considerations in Cleft palate and non-cleft VPI *Prof Greet Hens, Uz Leuven, Belgium*

Progressive airway obstruction in children with neurodisability *Mira de Kruijf, Royal Manchester Children's Hospital, United Kingdom*

Fabricated illness in paediatric ENT *Jessica Bewick, Cambridge Univeristy Hospital NHS Trust, United Kingdom*

Chair/Moderator:

Moderator - Workshop : *Louisa Ferguson, United Kingdom*

Chair - Workshop : *MD Kristaps Dambergs, Children's Clinical University Hospital, Latvia*

Acute Otitis media

Workshop

AOM - non-surgical management *Ann Hermansson, Universitetssjukhuset, Sweden*

Biofilms and their role in AOM and recurrent AOM *Dr Tal Marom, Assuta Ashdod University Hospital, Israel*

How does Acute otitis media become recurrent? *Diego Preciado, United States*

Recurrent AOM - an evidence based approach *Dr Katarina Stankovic, Mother and Child Health Care Institute of Serbia, Serbia*

Chair/Moderator:

Moderator - Workshop : *Prof Anne GM Schilder, University College London Ear Institute, United Kingdom*

Chair - Workshop : *Diana Di Dio, Germany*

H&N malignancies

Symposium

Management algorithm for a child with a neck node *Ms Kate Stephenson, Birmingham Children's Hospital, United Kingdom*

H&N Sarcomas in children *Thomas Hjuler, Denmark*

Advances in the management of paediatric H&N malignancy and the role of the MDT *James Hayden, United Kingdom*

The role of Surgery in the management of paediatric H&N malignancy *Prof Faruk Unal, Koc University Medical Faculty Department Of Otolaryngology; Amerikan Hospital, Turkey*

Chair/Moderator:

Moderator - Symposium : *Richard Nicollas, France*

Chair - Symposium : *Mr. Michael Colreavy, Children's Hospital Ireland - Temple St And Mater University Hospital, Dublin, Ireland, Ireland*

Research and Training in Cochlear implants

Workshop

How to train the future generation of cochlear implant surgeons *James Ramsden, University Of Oxford, United Kingdom*

Running a research programme within a cochlear implant service *Sharon Cushing, Hospital for Sick Children, Canada*

Difficult cases: what I've learnt *Catherine Birman, Australia*

Chair/Moderator:

Chair - Workshop : *Prof Michel Mondain, Chu Montpellier, France*

Moderator - Workshop : *Dr John Greinwald, Cincinnati Childrens Hospital And The University Of Cincinnati, United States*

Succeeding, Leading, Thriving

Symposium

Moving and working in a different country *Dr Nicolien van der Poel, Antwerp University Hospital, Belgium*

Meandering careers *Dr Helen Church, University of Nottingham, United Kingdom*

Succeeding in academia *Philippa Tostvein, St. George's University Of London/St George's University Hospital NHS Foundation Trust, United Kingdom*

How to disseminate your findings *Dr Alberto Maria Saibene, Università Degli Studi Di Milano, Italy*

Chair/Moderator:

Moderator - Symposium : *Dr Mat Daniel, Nottingham University Hospitals, United Kingdom*

Chair - Symposium : *Dr Dana Thompson, Lurie Children's Hospital/Northwestern University, United States*

Challenges in Endoscopic Ear Surgery

Panel

PANEL *Seiji Kakehata, Japan*

PANEL *Dr Patricia Purcell, CS Mott Children's Hospital, University of Michigan, United States*

PANEL *Maurizio Levorato, Spain*

PANEL *Gundula Thiel, United Kingdom*

Chair/Moderator:

Moderator - Panel : *Prof Adrian James, Hospital for Sick Children, Canada*

Chair - Panel : *Mr. Stephen Kieran, Temple Street Children's Hospital, Ireland*

Rhinology emergencies

Access to draining a periorbital abscess in a child *Mr Paul Nix, Leeds Teaching Hospitals Nhs Trust, United Kingdom*

Management of Potts puffy tumour *Gopi Shah, BackTable ENT, France*

Epistaxis in children with clotting disorders or HHT *Katharina Leitmeyer, Switzerland*

Nasal fractures in children *Prof Tomislav Baudoin, Department of ORL-HNS, University Hospital Center Sisters of Mercy, Croatia*

Do the sinuses need to be drained in ARS with intracranial complications *Mr Kristijonas Milinis, Alder Hey Childrens Hospital, Liverpool, United Kingdom*

Chair/Moderator:

Chair - Instructional : *Prof Gheorghe Iovanescu, University Of Medicine and Pharmacy "Victor Babes", Romania*

Moderator - Instructional : *Victoria Ward, United Kingdom*

10:15 AM - 10:45 AM

Tea/Coffee Break & Exhibition

10:45 AM - 12:15 PM

Parallel Session 10

Tough calls in airway reconstruction

Panel

PANEL *Dr Catherine Hart, Cincinnati Children's Hospital Medical Center, United States*

PANEL *Dr Kishore Sandu, Lausanne University Hospital, Switzerland*

PANEL *Prof Christian Sittel, Klinikum Stuttgart, Germany*

PANEL *Dr Briac Thierry, Hôpital Necker - Enfants Malades - Aphp, France*

PANEL *Ms Michelle Wyatt, Great Ormond Street Hospital, United Kingdom*

Panel *Dr Doug Sidell, Stanford University, United States*

Chair/Moderator:

Moderator - Panel : *Prof John Russell, Department Of Paediatric Otolaryngology Children's Health Ireland (Crumlin), Ireland*

Chair - Panel : *Michael Kuo, United Kingdom*

Paediatric ENT Emergencies

Panel

PANEL *Dr Francois Simon, Hôpital Necker-Enfants Malades, AP-HP - Université Paris Cité, France*

PANEL *MD Joana Araujo, Hospital De Cascais, Portugal*

PANEL *Soham Roy, United States*

PANEL *Prof. Rebecca Maunsell, State University Of Campinas - UNICAMP, Brazil*

Chair/Moderator:

Moderator - Panel : *Prof Ray Clarke, Espo Board, United Kingdom*

Chair - Panel : *Prof Tania Sih, Medical School University Of Sao Paulo, Brazil*

Lymphovascular malformations

Round Table

Lymphovascular malformations - molecular genetic diagnosis and targeted medical therapies *Dr Jonathan Perkins, University Of Washington, Seattle Children's Hospital, United States*

Impact of lymphovascular malformations on the child? Parent/child *Aly Ramy, United Kingdom*

Lymphovascular malformations - sclerotherapy *Dr Neil Chadha, BC Children's Hospital, Canada*

Lymphovascular malformations - surgery *Mr Benjamin Hartley, Great Ormond St Hospital, London, United Kingdom*

EXIT and immediate postnatal mamangement *Dr Kara Prickett, Emory University, Children's Healthcare Of Atlanta, United States*

A patients experience *Abigail Thomas, United Kingdom*

Chair/Moderator:

Moderator - Round Table : *MD. Rami Katra, Motol Hospital , Pediatric ENT, Czech Republic*

Chair - Round Table : *Miss Sujata De, Alder Hey Children's Hospital, United Kingdom*

Debates - controversies in implant surgery

Debates

CI for SSD - For *Prof Natalie Loundon, Necker Enfants Malades Hospital, France*

CI for SSD - Against *Mr Robert Nash, Great Ormond Street Hospital, United Kingdom*

CIs should be only performed in a minority of specialist centres - For *Sharon Cushing, Hospital for Sick Children, Canada*

CIs should be only performed in a minority of specialist centres - Against *Prof Thomas Lenarz, Hannover Medical School, Germany*

Residual hearing - implant one ear first - For *MD, FACS, FAAP Brian K Reilly, Children's National Hospital Washington, DC, USA, United States*

Residual hearing - implant one ear first - Against *Prof Henryk Skarzynski, Institute Of Physiology And Pathology Of Hearing, Poland*

Chair/Moderator:

Moderator - Debates : *Prof Susan Arndt, Department of Oto-Rhino-Laryngology and Implant Center, Medical Center - University of Freiburg, Germany*

Chair - Debates : *Mr. Dan-Cristian Gheorghe, M.S.Curie Hospital, Carol Davila University, Bucharest, Romania*

ESPO WORLD CUP FINALE

Quiz

Chair/Moderator:

Chair - Quiz : *Dr Mat Daniel, Nottingham University Hospitals, United Kingdom*

Chair - Quiz : *Matt Ellis, United Kingdom*

Chair - Quiz : *Marianne Elloy, United Kingdom*

Top tips in otology

Instructional

Sudden onset sensorineural hearing loss *Simon Carr, United Kingdom*

Tinnitus in children - unusual presentations *Rohit Verma, United Kingdom*

Revision tympanoplasty - tips to improve outcomes *Thierry Van den Abbeele, Robert Debre Hospital Aphp, Université Paris Cité, France*

How to protect the inner ear from the effects of drug therapies *Dr kaukab Rajput, Great Ormond St Hospital For Sick Children Nhs Trust, United Kingdom*

Ossicular reconstruction in children (when and how) *Alisha Quesnel, United States*

Repairing CSF leaks *Mr keith trimble, Royal Belfast Hospital for Sick Children, United Kingdom*

Subtotal petrosectomy in children *Luminita Radulescu, University Of Medicine And Pharmacy Iasi, Romania*

Blind Sac Closure *Konstance Tzifa, Birmingham Women's and Children's Hospital, United Kingdom*

Chair/Moderator:

Moderator - Instructional : *Dr Steven Hamilton, Children's Hospital Colorado, United States*

Chair - Instructional : *Prof. Yukiko Iino, Tokyo Kita Medical Center, Japan*

Nasal masses and congenital nasal obstruction

Round Table

Nasal dermoids *Ms Ann-Louise McDermott, Birmingham Women's And Children's Nhs Trust, United Kingdom*

Encephalocoels in children *Marco Ferrari, University Of Padua, Italia*

(Non-JNA) Nasal Tumours in Children *Vincent Couloigner, France*

Choanal atresia and pyriform aperture stenosis *Prof Michel Mondain, Chu Montpellier, France*

Congenital bony nasal stenosis *Mr Sunil Sharma, Alder Hey Children's Hospital, United Kingdom*

Chair/Moderator:

Moderator - Round Table : *Miss Grace Khong, Alder Hey Children's NHS Foundation Trust, United Kingdom*

Chair - Round Table : *Dilyana Vicheva, Bulgaria*

12:15 PM - 1:00 PM

Closing Ceremony and Awards

1:00 PM - 2:00 PM

Take Away Lunch
