Welcome Message

It is a great pleasure to welcome you at the 3rd Congress of the Mediterranean Association of Neurological Surgeons (MANS) in Cairo, Egypt on October 27-30, 2022

This meeting will be done under auspices of the World Federation of Neurosurgical Societies (WFNS), in collaboration with Society of British Neurological Surgeons (SBNS), Continental Association of African Neurosurgical Societies (CAANS), Pan-Arab Neurosurgical Society (PANS), Italian Society of Neurosurgery (SiNch), and the Egyptian Society of Neurological Surgeons (ESNS).

The first congress was held in Algeria in 2016 under the chairmanship of Prof. Mohamed Djennas, the second congress was held in Italy in 2018 under the chairmanship of Prof. Francesco Tomasello; we are extremely delighted to propose the organization of the 3rd MANS Congress in Egypt. The MANS Congress is intended as a big opportunity to let Neurosurgeons coming from the main Mediterranean European, North African and Middle East countries meet together.

Cairo had always been the meeting point of different cultures, with a remarkable history extending over thousands of years, and historical places attracting people from all over the world. The meeting takes place at "Marriott Cairo Hotel" located in the spark of the city, with an amazing panoramic view over the beautiful Nile River.

Venue of the congress represents one of the historic places in Egypt; historically it was a palace called "Palace Al-Gezira", built by Khedive Ismail in 1869, to serve as a guest palace during the Suez Canal inauguration celebrations; the palace architecture and construction demonstrates the Khedive's passion for a neoclassical style.

Both scientific and social programs are outstanding; don't miss our tour to visit Alexandria, the beautiful Egyptian Mediterranean city, on last day of the congress. Our best wishes to all our dear guests to have a pleasant stay in Egypt and to all of you to have a memorable gathering and a successful great event.
