

	"CMR2024 London - The Global CMR Conference - Together expanding CMR worldwide!"							
Wednesday 24th	High-Field and Low-Field	Physician's Pre-Con	Congenital Pre-Con	iCMR		TRACK 1	Education: science	
8.00-9.00	Venue Opens + Registration					TRACK 2	Education: clinical	
9.00-10.45	ISMRM/SCMR Joint Workshop	Physician's Pre-Con	Congenital Pre-Con			TRACK 3	Early Career - Heart Imagers of Tomorrow (HIT)	
10.45-11.00	Coffee					TRACK 4	Congenital Heart Disease: CHD	
11.00-12.45	ISMRM/SCMR Joint Workshop	Physician's Pre-Con	Congenital Pre-Con			TRACK 5	Technologist	
12.45-13.30	Lunch					TRACK 6	Read with expert	
13.30-14.30	ISMRM/SCMR Joint Workshop	Physician's Pre-Con	Congenital Pre-Con	iCMR		TRACK 7	Cases	
14.30-15.30	ISMRM/SCMR Joint Workshop	Physician's Pre-Con	Congenital Pre-Con	iCMR		TRACK 8	Hands on training	
15.30-15.45	Coffee							
15.45-17.45	ISMRM/SCMR Joint Workshop	Physician's Pre-Con	Congenital Pre-Con	iCMR				
18.00-19.00	Close							
Thursday 25th	Room 1 - Education I	Room 2 - Science	Room 3 - Education II	Room 4 - Congenital	Room 5 - Technologist	Room 6 - Experts & Abstracts	Room 7 - Cases	Room 8
7.00 opening	Venue Opens + Registration							
8.00-9.00	ISMRM/SCMR Joint Workshop	Big Data/Outcomes	Multi-disciplinary session (focus E	Global challenges for HIT (Clinical)	Cardio-rheumatology	Read with expert 1	Cases 1	Hands on training 1
9.10-10.10	ISMRM/SCMR Joint Workshop	Imaging device patients	CMR in structural intervention - a	Global challenges for HIT (Research)	CMR beyond CVD	Read with expert 2	Cases 2	Hands on training 1
10.10-11.10	ISMRM/SCMR Joint Workshop	EXHIBIT TIME - Coffee						
11.30-12.30	Opening Plenary							
12.30-13.30	Industry Sponsored Symposia During Lunch in Mountbatton							
13.30-14.30	Successful collaboration: cardio	Fast Imaging Techniques	Infiltrative heart disease	CHD Challenges - How I set up / run my	Workflow optimization	tbc	Best cases	tbc
14.40-15.40								
15.50-16.50	Late breaking clinical trials	Post-processing and analysis	Ischemic heart disease	d-TGA Masterclass: getting the most out	Strain imaging	Acing the Transition for HIT	Oral abstract 1	Hands on training 2
17.00-18.00	Debate - Ischemia & Viability	Multidimensional and multiparametric mapping	Cardio-oncology	Jeopardy CHD	Cost effectiveness	Hearing from Successful Mentor-mentee	Oral abstract 2	Hands on training 2
18.00-20.00	SCMR Welcome Reception							
Friday 26th	Room 1 - Education I	Room 2 - Science	Room 3 - Education II	Room 4 - Congenital	Room 5 - Technologist	Room 6 - Experts & Abstracts	Room 7 - Cases	Room 8
7.00 opening	Venue Opens + Registration						Yoga session	
7.15-7.45	Industry Sponsored Satellite Symposia							
8.00-9.00	Empowering Women in CMR	Early Career Award - translational	Inherited heart disease	The Great Debates CHD	Fundamentals of CMR for Technologist	Read with expert 3	Oral abstract 3	Hands on training 3
9.10-10.10	Women's heart disease	Early Career Award - clinical	Sports cardiology	Case session CHD	CMR clinical evaluation for Technolo	4D flow	Oral abstract 4	Hands on training 3
10.15-10.45	EXIHIBIT TIME - Coffee + Poster Session - Exhibit Hall							
10.50-11.50	Debate - LGE Quant in HCM	Early Career Award - basic science	Sustainability	Oral abstracts CHD	Pathology I for Technologist	Read with expert 4	Cases 3	
12.00-13.00	CMR LIVE CASE	Industry Sponsored Satellite Symposia						
13.00-14.00	Quantitative Perfusion	Shark Tank		Inflammatory heart disease	Pathology II for Technologist	Read with the experts (CHD)	How to... scan devices	Hands on CHD
14.10-15.10	Patient Advocacy	Quiz		Publishing your paper	Global community of Technologist	Read with expert 5	How to... start a service	Hands on CHD
15.15-15.45	EXIHIBIT TIME - Coffee + Poster Session - Exhibit Hall							
15.50-17.30	Gold Medal + ECA Awards & Keynote Talk							
Saturday 27th	Room 1 - Education I	Room 2/3 - Science		Room 4 - Congenital	Room 5 - Technologist	Room 6 - Experts & Abstracts	Room 7 - Cases	Room 8
7.30 opening	Venue Opens + Registration							
8.00-8.55	Heart failure	New Techniques for Perfusion and Function	Multiparametric imaging	AGM (SCMR)	Congenital meets technologist	Oral abstract 5	Cases 4	Hands on training 4
9.00-09.55	CMR meets other continents (O	Beating and breathing: imaging a moving target	Valvular heart disease	Health Policy and Advocacy	Fetal CMR CHD	Oral abstract 6	Abstracts (technologist)	Hands on training 4
10.00-10.15	Coffee							
10.15-11.10	Clinical trials	Novel contrast methods in the clinic		Pericardial disease	Aorta and vessels	Seed grant awardee session	CMR Niche for Technologist	Hands on training 5
11.15-12.10	Arrhythmias	"TED talks" / Power Pitch		RV forgotten chamber	CMR registries	Scan with the experts - Technologist tips	Cases 5	Hands on training 5
12.15-13.15	Closing Plenary + Keynote + Awards
