

THURSDAY, OCTOBER 19, 2017

10:00am - 10:45am

Officers/Conference Co-Chairs Briefing

11:30am - 6:00pm

Registration Desk Open

1:30pm - 3:00pm

In Training/Early Career Program - Part I - Moderators: Jennifer Chan, MD, MPH, Dana-Farber Cancer Institute, Simron Singh, MD, MPH, FRCP(C), Odette Cancer Centre, Sunnybrook Health Sciences Centre
Establishing a Multidisciplinary NET Clinical Practice - David Metz, MD, University of Pennsylvania
Clinical Conundrums in NET - James Howe, MD, University of Iowa
Clinical Trial Lessons in NET - James Yao, MD, M.D. Anderson Cancer Center
Database and Population-based Research in NET - Simron Singh, MD, MPH, FRCP(C), Odette Cancer Centre, Sunnybrook Health Sciences Centre
Building an Independent Clinical Research Program - Emily Bergsland, MD, University of California, San Francisco
Panel Q&A

1:30pm - 3:30pm

Allied Health Program - Part I - Moderators: Bonita Bennett, RN, BSN, University of Pennsylvania, Diana Van Houten, MSN, CRNP, Hospital of the University of Pennsylvania
Improving Cancer Care and Research Through Applied Clinical Informatics - Peter Gabriel, MD, Abramson Cancer Center
Nurse Navigation and NETs - Diane Boyd, BSN, RN, OCN, Abramson Cancer Center
A Surgeon's Perspective: Overview, Evaluation, and Management of NETs - Eric Liu, MD, FACS, Rocky Mountain Cancer Centers
Follow the Process, OR to Gross Room to Slide Prep: Special Considerations for NETs - Lyn Thomas HT (ASCP) Histology Technical Supervisor, The Hospital of the University of Pennsylvania, Christine Carleton, PA, ASCP, The Hospital of the University of Pennsylvania

3:00pm - 4:00pm

BREAK

4:00pm - 5:30pm

In Training/Early Career Program - Part II - Moderators: Jonathan Strosberg, MD, H. Lee Moffitt Cancer Center and Research Institute, Pam Kunz, MD, Stanford University Cancer Center
Building an Independent Basic Science Research Program - James Bibb, PhD, University of Alabama Birmingham Medical Center
Work-Life Balance - Pam Kunz, MD, Stanford Cancer Center
Strategies for Success: Altruism, Failure, and Being a Good Mentee - Michael Soulen, MD, University of Pennsylvania
Panel Q&A

4:00pm - 5:00pm

Allied Health Program - Part II - Moderators: Bonita Bennett, RN, BSN, University of Pennsylvania, Diana Van Houten, MSN, CRNP, Hospital of the University of Pennsylvania
Proton Therapy: Where are we now? Where are we going? - Keith Cengal, MD, Smilow Center for Translational Research
Targeted Radiotherapies: MIBG - Nursing Implications - Katie Fanslau, MS, BSN, RN, Abramson Cancer Center
Integrative Oncology Options - Laura Galindez, MSW, LSW, Abramson Cancer Center

6:00pm - 7:00pm

Welcome Reception

7:00pm - 9:00pm

PRRT Dinner Symposium AAA

FRIDAY, OCTOBER 20, 2017

- 7:00am - 5:00pm **Registration Desk Open**
- 7:00am - 8:00am **Breakfast**
- 8:00am - 8:05am **Welcome & Announcements** - Education Committee Co-Chairs: Simron Singh, MD, MPH, FRCP(C), Odette Cancer Centre, Sunnybrook Health Sciences Centre & Michael Soulen, MD, University of Pennsylvania
- 8:05am - 9:20am **Emerging Topics in NETs** - Moderators: James Howe, MD, University of Iowa, Diane Reidy-Lagunes, MD, Memorial Sloan Kettering Cancer Center
Bringing the Patient to the Forefront in NETs: QoL and PROs in NETs - Lesley Moody, MBA, University of Toronto
Genome Analysis and Data Sharing Informs Timing of Molecular Events in Pancreatic Neuroendocrine Tumour - Trevor Pugh, PhD, University of Toronto
Optimal Surgical Management of Midgut NETs: How Much is Enough? - Eric Nakakura, MD, PhD, University of California, San Francisco
Personalizing Therapy for NETs with Functional Imaging - Where Do Things Stand in 2017? - Thomas Hope, MD, PhD, University of California, San Francisco
Panel Q&A
- 9:20am - 10:30am **Allied Health Program - Part III** - Moderators: Bonita Bennett, RN, BSN, University of Pennsylvania, Diana Van Houten, MSN, CRNP, Hospital of the University of Pennsylvania
Optimizing Medical Therapy for NET Patients - Liz Prechtel Dunphy, CRNP, MSN, AOCN, BC, Abramson Cancer Center
SSA and Patient Experience - Elizabeth Cruz, RN, BSN, OCN, Memorial Sloan Kettering Cancer Center
Fighting Hepatic Metastases with Liver-Directed Therapy - Diana Van Houten, MSN, CRNP, Hospital of the University of Pennsylvania
- 9:20am - 10:35am **Clinical Science Symposium #1 - Features Abstracts** - Moderators: Simron Singh, MD, MPH, FRCP(C), Odette Cancer Centre, Sunnybrook Health Sciences Centre, Matthew Kulke, MD, Dana-Farber Cancer Institute
- 10:30am - 11:00am **BREAK**
- 11:00am - 12:00pm **Allied Health Program - Part IV** - Moderators: Bonita Bennett, RN, BSN, University of Pennsylvania, Diana Van Houten, MSN, CRNP, Hospital of the University of Pennsylvania
MEN1: Clinical and Psychological Impact on Patients - Lauren Fishbein, MD, PhD, University of Colorado Hospital
Pheochromocytomas and Paragangliomas - Rare but Risky - Bonita Bennett, RN, BSN, University of Pennsylvania
NET Inherited Cancer Syndromes and What to Expect from a Genetics Visit - Shana Merrill, MS, LCGC, Penn Medicine
- 11:00am - 12:00pm **Keynote Lecture-Salon E, C&D** - Moderator: Pam Kunz, MD, Stanford University, Emily Bergsland, MD, University of California, San Francisco
Exploring Strategies to Harness the Efficacy of Immunotherapy for Pancreatic Cancer - Drew Pardoll, MD, PhD, Johns Hopkins Hospital
- 12:00pm - 1:30pm **LUNCH - Industry Symposia** - AAA & Lexicon
- 1:30pm - 2:45pm **Clinical Management #1: Lung NETs** - Moderators: Jennifer Chan, MD, MPH, Dana-Farber Cancer Institute, Kjell Oberg, MD, PhD, Uppsala University
Treatment Options for Advanced Disease - Robert Ramirez, DO, FACP, Ochsner Medical Center
G3 NET vs. NEC - Jennifer Eads, MD, University Hospitals Case Medical Center
DIPNECH: Clinical and Pathological Considerations - Alberto Marchevsky, MD, Cedar-Sinai

Innovation in a Rapidly Changing Landscape

Schedule at a Glance

FRIDAY, OCTOBER 20, 2017

- 1:30pm - 2:45pm** **Clinical Management #1: Lung NETs (Continued)**
Lung Tumor Board with ARS - Benjamin Wei, MD, University of Alabama Medicine
Panel Q&A
- 2:45pm - 3:45pm** **NANETS-WCIO Symposium** - Moderators: Michael Soulen, MD, University of Pennsylvania, Simron Singh, MD, MPH, FRCP(C), Odette Cancer Center, Sunnybrook Health Sciences Centre
Ablation of NET Metastasis - James Hinshaw, MD, University of Wisconsin
Sequencing and Integration of Embolic and Systemic Therapies - Sarah White, MD, MS, FSIR, Medical College of Wisconsin
Role of TARE in the PRRT Era - Marnix Lam, MD, PhD, University Medical Center Utrecht
Liver NETs Tumor Board with ARS - Etay Ziy, MD, PhD, Memorial Sloan Kettering Cancer Center
- 2:45pm - 3:45pm** **NANETS/SNMMI Symposium** - Moderator: Ghassan El-Haddad, MD, H. Lee Moffitt Cancer Center and Research Institute, Eric Mittra, MD, PhD, Stanford University Medical Center
Patient Selection and Other Practical Aspects of PRRT - Lisa Bodei, MD, Memorial Sloan Kettering Cancer Center
Integration of Systemic Therapy and PRRT: How and When? - George Fisher, MD, PhD, Stanford University
Case Presentation with ARS - Ghassan El-Haddad, MD, H. Lee Moffitt Cancer Center and Research Institute
- 3:45pm - 4:00pm** **BREAK**
- 4:00pm - 4:45pm** **NET Quiz** - Moderators: Michael Soulen, MD, University of Pennsylvania, Simron Singh, MD, MPH, FRCP(C), Odette Cancer, Sunnybrook Health Sciences Centre
- 4:45pm - 5:15pm** **NANETS Awards - Announcement of Award Recipients** - Eric Nakakura, MD, PhD, University of California, San Francisco
- 5:15pm - 6:15pm** **Poster Session Reception**
- 6:15pm - 8:00pm** **NANETS 10th Anniversary Celebration!**

SATURDAY, OCTOBER 21, 2017

- 7:00am - 2:00pm** **Registration Desk Open**
- 7:00am - 8:00am** **Breakfast**
- 8:00am - 8:05am** **Welcome & Announcements** - Education Committee Co-Chairs: Simron Singh, MD, MPH, FRCP(C), Odette Cancer, Sunnybrook Health Sciences Centre, Michael Soulen, MD, University of Pennsylvania
- 8:05am - 9:20am** **Clinical Management #2 - GI/pNETs** - Moderators: Rodney Pommier, MD, Oregon Health & Science University, Simron Singh, MD, MPH, FRCP(C), Odette Cancer, Sunnybrook Health Sciences Centre
Patterns of Recurrence after R0/R1 Resection: Implications for Surveillance - Eva Segelov, MBBS (Hons 1), PhD, FRACP, Monash Health and Monash University
Optimal Surgical Management of Metastatic pNET - Douglas Fraker, MD, University of Pennsylvania
PRRT in pNET - Thorvardur Halfdanarson, MD, Mayo Clinic
Tumor Board with ARS - Timothy Asmis, MD, FRCPC, The Ottawa Hospital Cancer Centre
Panel Q&A
- 9:20am - 10:25am** **NANETS GI Symposium** - Moderators: David Metz, MD, University of Pennsylvania, Kunal Jajoo, MD, Brigham and Women's Hospital
Advanced Endoscopic Techniques in the Diagnosis & Management of Luminal NETs - Gregory G. Ginsberg, MD, University of Pennsylvania

SATURDAY, OCTOBER 21, 2017

9:20am - 10:25am	NANETS GI Symposium (continued) Advanced Endoscopic Techniques in the Diagnosis & Management of Pancreatic NETs - Nirav Thosani, MD, Memorial Hermann, The University of Texas Differential Diagnosis & Treatment of Diarrhea - Bryson Katona, MD, PhD, University of Pennsylvania Differential Diagnosis & Management of Gastric Acid Hypersecretion - Robert Jensen, MD, National Health Institute
9:20am - 10:25am	Clinical Management #3 - Pheochromocytoma & Paraganglioma - Moderator: W.w. de Herder, MD, PhD, Erasmus MC What's New in Pheochromocytoma Genetics? - Katharine Nathanson, MD, Perelman School of Medicine Diagnosis & Medical Management - Lauren Fishbein, MD, PhD, University of Colorado Hospital Systemic Radiopharmaceutical Therapy - Daniel Pryma, MD, University of Pennsylvania Other Systemic Therapies: Pathogenesis, Chemotherapy, and Targeted Therapies - Camilio Jimenez, MD, MD Anderson Cancer Center
10:00am - 11:00am	Allied Health Program - Part V - Moderators: Bonita Bennett, RN, BSN, University of Pennsylvania, Diana Van Houten, MDN, CRNP, Hospital of the University of Pennsylvania Cancer Bites: Ways to Help NET Patients with Nutrition. - Kirsten Blue, PA-C, H. Lee Moffitt Cancer Center and Research Institute The Importance of NET Survivorship - Theresa Wittenberg, PA, Stanford Cancer Institute The Potential Benefits of Palliative Care for Patients with NET - Anjana Ranganathan, MD, Abramson Cancer Center
10:30am - 11:00am	
11:00am - 11:40am	BREAK Clinical Management #4 - Diagnostic Imaging - Moderator: Michael Soulen, MD, University of Pennsylvania, James Hinshaw, MD, University of Wisconsin Cross-sectional vs. Functional Imaging - Lawrence Schwartz, MD, Columbia University Imaging for Oncologic Outcomes - Ryan Hickey, MD, Northwestern Medicine Q&A (10 min)
11:40am - 12:10pm	
12:10pm - 1:30pm	NANETS General Assembly - David Metz, MD, University of Pennsylvania
1:30pm - 2:45pm	LUNCH - Industry Symposia - Novartis Clinical Science Symposium #2 - Featured Abstracts - Moderator: George Fisher, MD, PhD, Stanford University, David Metz, MD, University of Pennsylvania Research Didactic Session - Moderators: Eric Nakakura, MD, PhD University of California, San Francisco, James Yao, MD, MD Anderson Cancer Center Cdk5 Disruption and Anti-Tumor Immunity - Agne Petrosiute, MD, University Hospitals Geonomic Analysis of pNETs - Aldo Scarpa, MD, PhD, University and Hospital Trust of Verona Role of Cdk5 in Neuroendocrine Cancer - James Bibb, PhD, University of Alabama Birmingham Medical Center
2:45pm - 3:45pm	
3:45pm - 4:00pm	Panel Q&A BREAK

SATURDAY, OCTOBER 21, 2017

4:00pm - 4:45pm

NANETS Guidelines Controversies - Moderator: Jonathan Strosberg, MD, H. Lee Moffitt Cancer Center and Research Institute

Biomarkers

Pro: Guido Rindi, MD, PhD, Universita Cattolica del Sacro Cuore

Con: Thorvardur Halfdanarson, MD, Mayo Clinic

Q&A (5 min)

Functional Imaging

Pro: Jaime Motilla-Soler, MD, H. Lee Moffitt Cancer Center and Research Institute

Con: Eva Segelov, MBBS (Hons 1), PhD, FRACP, Monash Health and Monash University

Q&A (5 min)

Screening for Carcinoid Heart Disease

Pro: Anthony Heaney, MD, PhD, University of California, Los Angeles

Con: W.W. de Herder, MD, PhD, Erasmus MC

Q&A (5 min)

4:45pm - 5:00pm

Closing Remarks/Announcement of 2018 NANETS Symposium - David Metz, MD, University of Pennsylvania
