

SCIENTIFIC PROGRAMME - as at 22 July 2018

Venue: Hilton Vienna am Stadtpark

Thursday, 22 November 2018

08:00 - 12:30 **Live Surgery 1**
Location: Room 1

08:00 - 12:30 **Live Surgery 2**
Location: Room 2

08:00 - 12:30 **Live Surgery 3**
Location: Room 3

Chairpersons: Peter Oppelt, Austria
 Leila Adamyan, Russia
 Sun-Wei Guo, China
 Christhardt Köhler, Germany

Surgeons: Uwe Ulrich
 Gernot Hudelist
 Horace Roman
 Imre Szilagyi
 Arnaud Wattiez
 Michel Müller

Local Personnel:
 Andreas Shamiyeh (surgeon)
TBC

12:30 - 13:45 Lunch Break
Location: Exhibit Hall

13:45 - 14:30 **OPENING CEREMONY**
Location: Park Congress 1-2

Speakers:

13:45-14:05 Sex - a pleasure or a pain? - Lone Hummelshoj, WES Chief Executive, UK
 Welcome:
 14:05-14:10 Peter Oppelt - Congress President
 14:10-14:15 Neil Johnson - WES President
 14:15-14:20 Stefan Renner - EEL President
 14:20-14:25 **Representative of the City of Vienna**

14:30 – 15:30 **Concurrent Sessions**

CS1. OVARIAN ENDOMETRIOSIS AND INFERTILITY

Location:

Chairs: *Omar Shebl, Austria & Engin Oral, Turkey*

1. Case: 18-years-old; bilateral recurrent endometriomas; no desire of pregnancy - Jacques Maas, Netherlands
2. Case: 29-years-old; bilateral recurrent endometriomas; desire of pregnancy - Rene Wenzl, Austria
3. 45-years-old; bilateral recurrent endometriomas; no desire of pregnancy - Saeed Alborzi, Iran

CS2. BASIC RESEARCH

Location:

Chairs: *Sylvia Mechsner, Germany & Pol-Edern Le Renard, Austria*

1. 10 best papers in basic research on endometriosis in the last 2 years - **TBC**
2. Genetic and epigenetic/environment - influence on endometriosis - Nilufer Rahmioglu, Turkey
3. Defining Future Directions for Endometriosis Research - Krina Zondervan, UK
4. The gut microbiota: a puppet master in the pathogenesis of endometriosis? - Mathias Laschke, Germany

15:30 – 16:00 **Networking Break and Poster Session**

Location: Exhibit Hall

16:00 – 16:30 **Concurrent Sessions**

CS1. SELECTED POSTERS ON OVARIAN ENDOMETRIOSIS AND FERTILITY

Location:

Chairs: **TBC** & *Christian Becker, UK*

CS2. SELECTED POSTERS ON BASIC RESEARCH

Location:

Chairs: **TBC**

16:30 – 17:30 **Concurrent Sessions**

CS1. TREATMENT FROM DIFFERENT VIEW POINTS - FERTILITY

Location:

Moderators: **TBC** & *Christian Becker, UK*

Case Presentation by Ass KUK Linz

Panel: Neil Johnson, New Zealand
Horace Roman, France
Engin Oral, Turkey
Stefan Renner, Germany

CS2. “SPEED DATING” - PITCH YOUR NEW RESEARCH PROJECT AND FIND A COLLABORATOR

Location:

Chairs: **TBC**

*Proposals collected in advance from the delegates - Submit your proposal!
More details to be announced in early September*

Friday, 23 November 2018

08:00 - 09:30 **Concurrent Sessions**

CS1. ENDOMETRIOSIS AND THE RISK OF MALIGNANCY

Location:

Chairs: *Christhardt Köhler, Germany & TBC*

1. Case: 55-years-old, postmenopausal for the last 2 years; endometriomas in both ovaries (up to 25 x 35 mm); history: 2 laparoscopies due to multiple endometriomas in both ovaries 19 years ago; the patient asks: is the risk of ovarian cancer increased due to endometriosis? - Andrew Horne, UK
2. Case: 28-years-old; laparoscopy because of peritoneal endometriosis and superficial implants on the rectum (not removed); family history of diverse cancers; the patient would like to know: is there an increased risk of malignant disease? - Marina Kvaskoff, France
3. Case: 55-years-old, endometrial cancer pT1b, N0 (SN 0/3) G1; histology: adenocarcinoma and adenomyosis; history: sec. dysmenorrhea; suspected adenomyosis for many year; the patient wonders if the carcinoma could have been prevented because adenomyosis can be a precancerous condition - Peter Oppelt, Austria
4. Is there an immunologic relationship between endometriosis and cancer - Hans Tinneberg, Germany

CS2. ADENOMYOSIS & ADENOMYOSIS IN INFERTILITY

Location:

Chairs: *TBC*

1. How do I get diagnosed adenomyosis? - *TBC*
2. The role of adenomyosis in reproductive medicine - Omar Shebl, Austria
3. Is there a reasonable way to treat adenomyosis by surgery? - Jörg Keckstein, Austria
4. A look in the future: What could be promising therapy approaches? - Sun-Wei Guo, China

CS3. PATIENT DAY: MEETING OF EUROPEAN ENDOMETRIOSIS SUPPORT ORGANISATIONS

Location: Park Congress 3

Chairs: *TBC*

09:30 - 10:00 **Concurrent Sessions**

CS1. SELECTED POSTERS ON ENDOMETRIOSIS AND THE RISK OF MALIGNANCY

Location:

Chairs: *Christhardt Köhler, Germany & TBC*

CS2. SELECTED POSTERS ON ADENOMYOSIS & ADENOMYOSIS IN INFERTILITY

Location:

Chairs: **TBC**

CS3. PATIENT DAY: MEETING OF EUROPEAN ENDOMETRIOSIS SUPPORT ORGANISATIONS

Location: Park Congress 3

Chairs: **TBC**

10:00 - 10:30 Networking Break and Poster Session
Location: Exhibit Hall

10:30 - 11:30 **Concurrent Sessions**

CS1. CLASSIFICATION

Location:

Chairs: *Sun-Wei Guo, China & TBC*

1. The role of classifications systems in reproductive medicine - **TBC**
2. A SWOT analysis on the current classification systems - **TBC**
3. The WES consensus on classification - Neil Johnson, New Zealand

CS2. INTESTINAL AND UROLOGICAL ENDOMETRIOSIS

Location:

Chairs: *Andreas Shamiyeh, Austria & Steffen Krause, Austria*

1. Impression of endometriosis in the urological field - **TBC**
2. Intestinal Endometriosis; what is possible - what is necessary - Horace Roman, France
3. How to manage intestinal / urological complications - **TBC**

CS3. PATIENT DAY: MEETING OF EUROPEAN ENDOMETRIOSIS SUPPORT ORGANISATIONS

Location: Park Congress 3

Chairs: **TBC**

11:30 - 12:00 **Concurrent Sessions**

CS1. SELECTED POSTERS ON CLASSIFICATION

Location:

Chairs: *Sun-Wei Guo, China & TBC*

CS2. SELECTED POSTERS ON INTESTINAL AND UROLOGICAL ENDOMETRIOSIS

Location:

Chairs: *Andreas Shamiyeh, Austria & Steffen Krause, Austria*

CS3. PATIENT DAY: MEETING OF EUROPEAN ENDOMETRIOSIS SUPPORT ORGANISATIONS

Location: Park Congress 3

Chairs: **TBC**

12:00 - 13:00 Lunch Break
Location: Exhibit Hall

12:00 - 13:00 **SPECIAL LUNCH SYMPOSIUM:**
HYSTEROSALPINGOGRAPHY AND FERTILITY: EMERGING DATA
Location:

Chairs: *Naile Bolca Topal, Turkey & Annalisa Racca, Belgium*

1. Tubal patency in infertility work up - Kim Dreyer, Netherlands
2. Lipiodol - the evidence to date - Neil Johnson, New Zealand
3. Targeting endometriosis in infertility investigation and treatment - Velja Mijatovic, Netherlands
4. H2Oil - a randomised trial of Lipiodol versus water soluble contrast media for diagnostic tubal patency testing - Kim Dreyer, Netherlands
5. Flushing versus bathing - the truth about the mechanism of lipiodol - Ben Mol, Australia

13:00 - 14:30 **Concurrent Sessions**

CS1. MANAGING ENDOMETRIOSIS IN TEENAGERS

Location:

Chairs: *Bhaskar Goolab, South Africa & Bernhard Krämer, Germany*

1. Case: 35-years-old, history of server endometriosis (also her sister); the mother is afraid her 12 years old pre-pubescent daughter will develop endometriosis; is there a hereditary component - Krina Zondervan, UK
2. 14-years-old, tanner 2, primary dysmenorrhea, diagnosis and treatment - **TBC**
3. 17-years-old, tanner 4, primary dysmenorrhea, diagnosis and treatment - Michel Müller, Switzerland
4. The need of endometriosis awareness in adolescent girls - Deborah Bush, New Zealand

CS2. DIAGNOSIS

Location:

Chairs: *Christian Becker, UK & TBC*

1. Case: 27-years-old; suspected endometriosis of ovarian and deep infiltrating endometriosis; patient consist on MRI for exact preoperative diagnosis; Is this really necessary? - Caterina Exacoustos, Italy
2. Case: 17-years-old, primary dysmenorrhea; are biomarkers an alternative to laparoscopy for diagnosis - Christian Becker, UK
3. 27-years-old, mild dysmenorrhea, new endometrioma left of 20 mm; desire of pregnancy for the last 1,5 years - TBC
4. Which symptom needs which diagnostic pathway - TBC
5. Microscopic and asymptomatic endometriosis - disease or natural phenomenon? - Moamar Al-Jefout, UAE

CS3. PATIENT DAY: OPEN INFORMATION EVENT FOR PATIENTS (in German)

Location: Park Congress 3

Chairs: TBC

14:30 - 15:00 Concurrent Sessions

CS1. SELECTED POSTERS ON MANAGING ENDOMETRIOSIS IN TEENAGERS

Location:

Chairs: *Bhaskar Goolab, South Africa & Bernhard Krämer, Germany*

CS2. SELECTED POSTERS ON DIAGNOSIS

Location:

Chairs: *Christian Becker, UK & TBC*

CS3. PATIENT DAY: OPEN INFORMATION EVENT FOR PATIENTS (in German)

Location: Park Congress 3

Chairs: TBC

15:00 - 15:30 Networking Break and Poster Session
 Location: Exhibit Hall

15:30 - 16:30 Concurrent Sessions

CS1. UNUSUAL ENDOMETRIOSIS

Location:

Chairs: *Adolf Schindler, Germany & Horace Roman, France*

1. Case: 32-years-old; desire of pregnancy, four laparoscopies because of endometriosis - is there a risk for pregnancy? - **TBC**
2. Random diagnosis of endometriosis during laparoscopy for pelvic pain; insufficient information in the hospital about endometriosis; Where can the patient find out about the clinical picture? - Lone Hummelshøj, UK
3. Diagnostic delay in endometriosis - did it change through global awareness? - Annemiek Nap, Netherlands
4. The drought in drug development in endometriosis and adenomyosis - good science is not enough - **TBC**

CS2. PERSISTENT PAIN

Location:

Chairs: *Michel Müller, Switzerland & Ghassan Lotfi, UAE*

1. Case: 37-years-old, several surgeries for endometriosis (incl. tubal ligation); severe pelvic pain; further surgery is declined by the patient; exhausted pain medication. Presentation of alternative treatment - **Physiotherapy Team, Austria**
2. The mechanism of pain - Sylvia Mechsner, Germany
3. Future perspectives in medical treatment - **TBC**
4. Hocus-pocus or real medicine - Is there a place of psychotherapy in endometriosis treatment - Anna Maria Schweizer-Arau, Germany

CS3. PATIENT DAY: OPEN INFORMATION EVENT FOR PATIENTS (in German)

Location: Park Congress 3

Chairs: **TBC**

16:30 - 17:15 **Concurrent Sessions**

CS1. SELECTED POSTERS ON UNUSUAL ENDOMETRIOSIS

Location:

Chairs: *Adolf Schindler, Germany & Horace Roman, France*

CS2. SELECTED POSTERS ON PERSISTENT PAIN

Location:

Chairs: *Michel Müller, Switzerland & Ghassan Lotfi, UAE*

CS3. PATIENT DAY: OPEN INFORMATION EVENT FOR PATIENTS (in German)

Location: Park Congress 3

Chairs: **TBC**

17:15 - 18:15 **GUIDED POSTER SESSION 1**

Location: Exhibit Hall

Chairs: *TBC*

17:15 - 18:15 GUIDED POSTER SESSION 2
Location: Exhibit Hall

Chairs: *Karl-Werner Schweppe, Germany & Ghassan Lotfi, UAE*

Saturday, 24 November 2018

08:30 - 10:00 **Concurrent Sessions**

CS1. DEEP ENDOMETRIOSIS

Location:

Chairs: *Martin Sillem, Germany & TBC*

1. Atypical localisation of lesions: Is there a need to treat? - **TBC**
2. Extra-abdominal localization - **TBC**
3. Nerve and functionality in the small pelvis - Marc Possover, Switzerland
4. Are there advantages using the robotic surgery? - Peter Barton-Smith, UK
5. Are there practical guidelines? - what do ESGE/ESHRE/WES say - Jörg Keckstein, Austria

CS2. BLEEDING DISORDERS IN FIBROIDS AND ADENOMYOSIS

Location:

Chairs: *Karl-Werner Schweppe, Germany & TBC*

1. When the knife is invisible - smooth destroying treatments - David Toub, USA
2. Endometrial Ablation - is there a Gold Standard - **TBC**
3. Is there a place for a long-term medical treatment - **TBC**

10:00 - 10:30 **Concurrent Sessions**

CS1. SELECTED POSTERS ON DEEP ENDOMETRIOSIS

Location:

Chairs: *Martin Sillem, Germany & TBC*

CS2. SELECTED POSTERS ON BLEEDING DISORDERS IN FIBROIDS AND ADENOMYOSIS

Location:

Chairs: *Karl-Werner Schweppe, Germany & TBC*

10:30 - 11:00 **Networking Break and Poster Session**

Location: Exhibit Hall

11:00 - 12:00 **Plenary**

TREATMENT FROM DIFFERENT PERSPECTIVES - DEEP ENDOMETRIOSIS: CASE PRESENTATIONS

Location: Park Congress 1-2

Moderators: *Sun-Wei Guo, China & TBC*

Case Presentation by Ass KUK Linz

Panel: Jörg Keckstein, Austria
TBC

12:10 – 12:25 **Plenary**

POSTER AWARDS

Location: Park Congress 1-2

Moderator: *Thomas Römer, Germany*

12:25 – 12:55 **Plenary**

ROKITANSKY AWARD AND PRESENTATION BY THE LAUREATE

Location: Park Congress 1-2

Laudation: *Martin Sillem, Germany*

Award Winner: Ivo Brosens, Belgium and Patrick Puttemans, Belgium

12:55 – 13:20 **Plenary**

WES LECTURE

Location: Park Congress 1-2

Chairs: **TBC**

Speaker: **TBC**

13:20 – 13:30 **Plenary**

PRESENTATION OF WCE2020

Location: Park Congress 1-2

Speakers: *Sun-Wei Guo, China & Cong-Jan Xu, China*

PRESENTATION OF EEC2019

Speakers: **TBC**

13:30 – 13:35 **Plenary**

CLOSING REMARKS

Location: Park Congress 1-2

Moderator: *Peter Oppelt, Austria*
