

Asian Musculoskeletal Society Musculoskeletal Society of India September 16-19, 2021

ISS Outreach Program : 16th September

USG and MRI Workshops : 17th September

Asian Musculoskeletal Society Musculoskeletal Society of India September 18th -19th, 2021 Scientific Session

September 18th –Day 1
(Hall A & B)

07:00 to 09:00 am CROP Workshop – Bone and soft tissue Tumors.

Session – I: General MSK radiology.

09:00 to 09:20 am Dual Energy CT in ER evaluation of the musculoskeletal system: New Dimensions!

- Dr. Peter Munk (Canada)

09:20 to 09:40 am Patterns of Periosteal reaction: Demystifying underlying bone diseases -Dr. Rajesh Botchu (UK)

09:40 to 10:00 am Imaging Ligament Tears: Does the classification encompass structure, function and mechanism of injury ?
- Dr. John George (Malaysia)

10:00 to 10:20 am Characterization of inflammatory arthritis by USG –
Dr. Joban Babhulkar

10:20 to 10:40 am USG in sports Injuries – Dr. Raghav Aggarwal

10:40 to 11:00 am Peripheral Nerve USG – Dr. Shamarendra Narayan

11:00 to 11:20 am Ultrasound of rotator cuff tears

- can we do away with MRI? - Dr. Venkata Sai

11:20 to 11:40 am - Tea and Trade break

Asian Musculoskeletal Society Musculoskeletal Society of India

September 18th -19th, 2021

September 18th –Day 1 (Hall - A)

Session – II:Shoulder

- 11:40 to 12:00pm Shoulder Pain in the Elderly: Problem based approach
-Dr. Ankur Shah
- 12:00 to 12:20pm Shoulder instability and Bone loss measurements.
A surgeon's perspective – Dr. Anupama Patil
- 12:20 to 12:40pm Simplifying Labral pathology – Dr.Wilfred Peh (Singapore)
- 12:40 to 01:00 pm Overview of Image guided Shoulder interventions
- Dr. Sridhar Redla (UK)

01:00 to 01:40 pm - Lunch break

- 01:40 to 02:00pm Industry Presentation 2 slots 10 min each

Session – III: Infection, inflammatory and Ischemic: Potpourri

- 02:00 to 02:20pm Chronic Osteomyelitis: Terms & forms, Types & mimics!
- Dr. Madhusudhana rao Tummala (USA)
- 02:20 to 02:40pm Inflammatory disorders of bone: Focus on CRMO, SAPHO and Sarcoidosis. – Dr. T. Muthukumar (UK)
- 02:40 to 03:00pm AVN of the hip: Current trends & Controversies.
Addressing diagnostic dilemmas/pitfalls/post op imaging!
- Dr. Nirmala (Sri Lanka)
- 03:00 to 03:20pm Muscle edema: How to work through the differential
- Dr. Raj Negi (UK)
- 3:20 to 03:40 pm Approach to Trauma Radiographs
–Dr. Samir Raniga (Oman)

03:40 to 04:00 pm -Tea and Trade break

Session – IV:Elbow

- 04:00 to 04:20 pm Missed trauma in ER : shoulder and elbow
- Dr. Hema Nalini Choudur(Canada)
- 04:20 to 04:40 pm Elbow Ligaments –Dr. Abhimanyu Kelkar
- 04:40 to 05:00 pm Image guided Elbow interventions–Dr. Ramy Mansour(UK)
- 05:00 to 06:00 pm Quiz
- 06:00pm Annual GBM of MSS

Asian Musculoskeletal Society Musculoskeletal Society of India September 18th -19th, 2021

September 18th –Day 1
(Hall - B)

Session – II: Inflammatory disorders

- 11:40 to 12:00 pm Seropositive arthropathy: Do Plain radiographs still hold the key to diagnosis, in early or in advanced?
- Dr. Sandeep Velicheti
- 12:00 to 12:20 pm Is Imaging of Rheumatoid Arthritis including AI
- Dr. Tamotsu Kamashima (Japan)
- 12:20 to 12:40 pm Seronegative spondyloarthropathy: A more common entity than you think! –Dr. Harun Gupta (UK)
- 12:40 to 01:00 pm Gout, pseudogout and Crystal deposition pathologies: Spectrum of Imaging patterns- Dr. Girish Gandikota(USA)

01:00 to 01:40 pm-Lunch break

- 01:40 to 02:00 pm Industry Presentation 2 slots 10 min each

Session – III: Wrist and Hand

- 02:00 to 02:20 pm Wrist Instability: Concepts and approach to diagnosis
- Dr. Sanjay Desai
- 02:20 to 02:40 pm Simplifying TFCC – Dr. Mihra (USA)
- 02:40 to 03:00 pm MR Nerve imaging: Elbow to wrist: A quick review.
-Dr. Amit Kharat
- 03:00 to 03:20 pm Finger and Hand MRI: Sports Injuries
- Dr. Ankit Tandon (Singapore)
- 03:20 to 03:40 pm Easily missed fracture of hands and feet
-Dr. Nuttaya Pattampasong (Thailand)

03:40 to 04:00 pm - Tea and Trade break

Session – IV: Infection: Joint and Spine

- 04:00 to 04:20 pm A systematic approach to joint infection, inflammation and degeneration – Dr. V S V Rammohan
- 04:20 to 04:40 pm Tuberculous arthritis: Imaging Tips, Tricks and Pitfalls
- Dr. Hirak Raychoudhary
- 04:40 to 05:00 pm ‘Spinal infections: A practical approach’-
-Dr. Suphaneewan (Thailand)

September 19th – Day 2 (Hall A & B)

08:00 to 08:30 am Prof. Virendra mohan Best papers. – 3 Papers

08.30 to 09.00 am AMS best paper Award – 3 Papers

Session – I: General MSK radiology.

09:00 to 09:20 am Periarticular calcifications – Imaging Patterns
- Dr. Chidambarnathan

09:20 to 09:40 am Rib pathology- case based review
- Dr. Alala Al Tai (Oman)

09:40 to 10:00 am Ten Skeletal Dysplasia you must know –
-Dr. V.N.Varaprasad

10:00 to 10:40 am Oration 1 2021

10:40 to 11:00 am RFA of the knee for DJD – Dr. Khalid (Saudi Arabia)

11.00 to 11.20 am Spinal Interventions – Dr. M.V.Chalapati Rao

11:20 to 11:40 am - Tea and Trade break

Asian Musculoskeletal Society Musculoskeletal Society of India

September 18th -19th, 2021

September 19th –Day 2

(Hall - A)

Session – II:Knee

- 11:40 to 12:00 pm MRI of menisci: Standard Terminology, Tricks and Pitfalls
-Dr. Steven Wong (Singapore)
- 12:00 to 12:20 pm Tracking the patella: Evaluating Patello-femoral instability.
- Dr. Vijinder Sonia Arora
- 12:20 to 12:40 pm Corners of knee: Where, when and how to look for missed pathology – Dr. Dharshana Sanghvi
- 12:40 to 01:00 pm Post-operative meniscal assessment.
-Dr. Keneth Cheung(HongKong)

01:10 to 01:40 pm- Lunch break

- 01:40 to 02:00 pm Industry Presentation 2 slots 10 min each

Session – III:Knee

- 02:00 to 02:20 pm Elderly knee – Challenges & identifying Criteria for intervention – Dr. Nafisa Shakir Batta
- 02:20 to 02:40 pm Pediatric knee – Variants and common pathologies
- Dr. Aditya Daftary
- 02:40 to 03:00 pm Extra synovial causes of knee pain-Dr. James Griffith(HK)
- A systematic approach to impingement syndromes
- 03:00 to 03:20 pm Post op imaging of knee: Nuts & Bolts!
-Dr. Radhesh Lalam (UK)
- 03:20 to 03:40 pm Bone marrow contusions: Clues to mechanism of injury and derangements- Dr.Vaishali Upadhyaya

03:40 to 04:00 pm - Tea and Trade break

Session – IV: Ankle

- 04:00 to 04:20 pm Systematic approach to ankle injuries:
- Dr. Abeer Al Riyami(Oman)
- 04:20 to 04:40 pm Fundamental concepts of ankle impingement
-Dr. Khamis Salim Al Muzahmi(Oman)
- 04:40 to 05:00 pm Orthobiologics in sports Medicine –
- Dr. Srikanth Narayanaswami
- 05:00 to 05:20 pm Newer Techniques in MSK Interventions –
Dr. Gauravkanth Sharma

05:20 pm Valedictory

Asian Musculoskeletal Society Musculoskeletal Society of India

September 18th -19th, 2021

September 19th –Day 2

(Hall - B)

Session – II: Hematological and metabolic disorders.

- 11:40 to 12:00 pm Marrow MRI: - Dr. Malini Lawande
12:00 to 12:20 pm Case based discussion on hematological disorders
- Dr. Jayaraj Govindaraj
12:20 to 12:40pm Osteoporosis, Sarcopenia imaging
- Dr. Cheng (China)
12:40 to 01:00 pm Imaging of parathyroid related abnormalities:
From gland to bone(include phosphate metabolic disorder).
- Dr. Raj Chari (UK)

01:00 to 01:40 pm -Lunch break

- 01:40 to 02:00 pm Industry Presentation 2 slots 10 min each

Session – III: Hip

- 02:00 to 02:20 pm Assessment of Hip Prosthesis: - Dr. Rakhee Paruchuri
02:20 to 02:40 pm Hip impingement syndromes- Dr. Adnan Sheikh (Canada)
02:40 to 03:00 pm MRI of acetabular labrum and articular cartilage - TBA
03:00 to 03:20 pm Physeal and Epiphyseal pediatric hip disorders
- Dr. Jyoti Panwar
03:20 to 03:40 pm DDH and its mimics – Dr. Kushboo Pilania

03:40 to 04:00 pm - Tea and Trade break

Session – IV:Miscellaneous

- 04:00 to 04:20 pm Bone Infection or Malignancy, Conventional vs Advanced
MRI –Dr. Sri Andreani Utomo (Indonesia)
04:20 to 04:40 pm Diabetic foot and differential diagnosis-
- Dr. Mahesh Prakash
04:40 to 05:00 pm Hybrid imaging in Musculoskeletal disorders
-Dr. Seoug Oh Yang (South Korea)
05:00 to 05:20 pm Molecular imaging in Musculoskeletal system –
-Dr. Sikander Shaikh

Others:

Preferred papers: Halls C, D, E, F Board room – 17th September 7 am to 9 am.

Scientific exhibition on September 17th evening to 19th evening.

Corridor: Quiz of the day, signs in imaging, Interesting worked up cases - display.

Asian Musculoskeletal Society Musculoskeletal Society of India

September 18th -19th, 2021

September 18th –Day 1

(Hall – A & B)

Time 7.00 am to 9.00 am

CROP WORKSHOP

Theme ; Bone and soft tissue Tumours

Faculty : Dr Rajesh Botchu (UK) and Panel

Bone Tumours – 1 hour

Soft tissue Tumors – 45 min

USG of Skin and subcutaneous Tumours – 15 min

Case base review – Dr Anita Mandava

Others:

Preferred papers: Halls C, D, E, F Board room – 17th September 7 am to 9 am.

Scientific exhibition on September 17th evening to 19th evening.

Corridor: Quiz of the day, signs in imaging, Interesting worked up cases - display.

Asian Musculoskeletal Society Musculoskeletal Society of India

September 18th -19th, 2021

September 17th – Pre Conference
(Hall – TBA)

MRI WORKSHOP

MRI TM joint – Dr. Drushi Patel

MRI shoulder – Dr. Joshita Singh

MRI knee joint – Dr. Sonal Saran / Dr. Ankur Shah

MRI wrist joint – Dr. Ramakrishna Narayana

MRI hip joint – Dr. Hema Nalini / Dr. Nafisa

MRI Elbow joint – Dr. Malini Lawande / Dr.J.P.Singh

MRI Ankle joint – Dr. Darshna Sanghvi / Dr. Rajesh Botchu

Provisional Program

Duration – 5 hours approximately

Others:

Preferred papers: Halls C, D, E, F Board room – 17th September 7 am to 9 am.

Scientific exhibition on September 17th evening to 19th evening.

Corridor: Quiz of the day, signs in imaging, Interesting worked up cases - display.
