

MONDAY				
	Lomond Suite	Alsh Room	Boisdale Room 1	Boisdale Room 2
	Registration and visit exhibition			
09.30 - 11.00	Session 1: Welcome & Highlights in Lomond Suite			
11.00 - 11.30	Refreshments in Exhibition Hall			
11.30 - 13.00	Session 2: Cardiology	Session 3: Physics 1 - PET proffered papers	Session 4: Young Investigator's Prize	MRT Dosimetry 1
13.00 - 13.30	BNMS AGM	Lunch, Poster Session & visit Exhibition		
13.00 - 14.15				
14.15 - 15.45	Session 5: Clinical Proffered Papers 1	Session 6: Physics 2 - great ex-SPECT-ations	Session 7: Patient Inclusivity & Engagement	MRT Dosimetry 2
15.45 - 16.30	Refreshments & Poster Pitches in Exhibition Hall			
16.30 - 18.00	Session 8: Prostate Cancer Theragnostics	Session 9: Physics 3 - exotic PET	Session 10: RTN 1 Proffered papers	VARSKIN Workshop
18.00 - 19.30	President's Reception in Exhibition Hall			
	Close			
TUESDAY				
	Lomond Suite	Alsh Room	Boisdale Room 1	Boisdale Room 2
08.00 - 08.45		Spectrum Dynamics- CZT SPECT Systems	Curium Symposium - Quantification of PSMA PET – PYLCLARI AI – Software as a Medical Device for Quantification and Standardized reporting	Session 11: BNMS Medical Trainee Session: A longer view of Nuclear Medicines Future
08.45 - 09.00	Comfort Break (no refreshments)			

09.00 - 10.30	Session 12: What is the Best Tracer for Molecular Brain Tumour Imaging?	Session 13: Clinical proffered papers 2	Session 14: Nuclear Medicine Workforce Challenges	Session 15: Radiopharmacy and Radiopharmaceutical Development 1
10.30 - 11.15	Refreshments & Poster Pitches in Exhibition Hall			
11.15 - 12.45	Session 16: Cutting Edge Research Session	Session 17: Challenges in RP	Session 18: Person Centered Care in Nuclear Medicine	Session 19: Physics MRT 4
12.45 - 14.00	Lunch, Innovative Team of the Year Award & Cake cutting Poster Session in Exhibition Hall			
14.00 - 14.45	Session 20: Plenary Annual Lecture in Lomond Suite			
14.45 - 15.00	Comfort Break (no refreshments)			
15.00 - 16.30	Session 21: Clinical Proffered Papers 2	Session 22: A word from our regulators	Session 23: RTN 2 proffered papers	Session 24: The role of NM in delivering and adapting treatment
16.30 - 17.00	Refreshments in Exhibition Hall			
17.00 - 18.00	Session 25: GI motility	Session 26: Physics & MRT - what is the future?	Session 27: Radiopharmacy and Radiopharmaceutical Development 2	Session 28: Undergraduate and postgraduate NM education - challenges, opportunities & workforce development
	Close			
WEDNESDAY				
	Lomond Suite	Alsh Room	Boisdale Room 1	Boisdale Room 2
09.00 - 09.45		TBC	Bayer Symposium	Session 29: Professional Standards
09.45 - 10.00	Comfort Break (no refreshments)			
10.00 - 11.30	Session 30: Paediatrics MRT	Session 31: Physics 5 Risky Business	Session 32 - RTN bootcamp - Let's Talk Protocols	Session 33: Clinical Proffered papers 3
11.30 - 12.30	Lunch in Exhibition Hall			

12.30 - 14.00	Session 34: Immunological Discords	Session 35: Optimisation: techniques and benefits	Session 36: Reporting	Session 37: Musculoskeletal Scintigraphy
14.00 - 14.15	Comfort Break (no refreshments)			
14.15 - 15.00	Session 38: Prizes, President Handover and closing ceremony in Lomond Suite			
15:00	Close
