

21ST ANNUAL ENETS CONFERENCE

More than two decades of excellence in NET research and education

13–15 March 2024 in Vienna, Austria | On-site and Virtual

14TH ANNUAL ENETS POSTGRADUATE COURSE

WEDNESDAY, 13 MARCH 2024

REGISTRATION & COFFEE

Time: Wednesday 08:00 - 08:45

Room: Entrance Hall

WELCOME AND OPENING - 21ST ANNUAL ENETS CONFERENCE

Time: Wednesday 08:45 - 08:50

Room: Hall E

OPENING & OVERVIEW - 14TH ANNUAL ENETS POSTGRADUATE COURSE

Time: Wednesday 08:50 - 09:00

Room: Hall E

SESSION A: FOLLOW-UP AFTER R0 RESECTION OF THORACIC AND DIGESTIVE NET

Time: Wednesday 09:00 - 10:30

Room: Hall E

09:00 - 09:15	Recurrence free survival of thoracic and digestive NET: What we know about type and frequency
09:15 - 09:20	Q & A
09:20 - 09:35	Performance of PET imaging to detect recurrence: State of the art
09:35 - 09:40	Q & A
09:40 - 09:55	Functioning syndrome: Is it a good marker of recurrence?
09:55 - 10:00	Q & A
10:00 - 10:30	Panel discussion

COFFEE BREAK

Time: Wednesday 10:30 - 11:00

Room: Entrance Hall

SESSION B: IMAGING SESSION FOR NET (LEARNING WITH IMAGES/PICS) - GUIDE FOR CLINICIANS

Time: Wednesday 11:00 - 12:30

21ST ANNUAL ENETS CONFERENCE

More than two decades of excellence in NET research and education

13–15 March 2024 in Vienna, Austria | On-site and Virtual

Room: Hall E

11:00 - 11:15	Feature of primary, node and liver mets of digestive NET at CT or MRI at diagnosis and treatment alteration
11:15 - 11:20	Q & A
11:20 - 11:35	Features of bone mets at CT or MRI at diagnosis and treatment alteration
11:35 - 11:40	Q & A
11:40 - 11:50	Pathological aspects
11:50 - 11:55	Q & A
How do I select unresectable NET patients for PRRT: The good, the bad, the unknown	
	(11:55 - 12:10)
11:55 - 12:00	Oncologist's view
12:00 - 12:05	Endocrinologist's view
12:05 - 12:10	Gastroenterologist's view
12:10 - 12:30	Panel discussion

LUNCH BREAK

Time: Wednesday 12:30 - 14:00

Room: Entrance Hall

POSTER PRESENTATION - CLINICAL SCIENCE

Time: Wednesday 13:00 - 13:45

Room: Hall E

POSTER PRESENTATION - BASIC SCIENCE

Time: Wednesday 13:00 - 13:45

Room: Hall F

SESSION C: DOES EPIDEMIOLOGY AFFECT THE CARE OF NEN PATIENTS?

Time: Wednesday 14:00 - 15:30

Room: Hall E

14:00 - 14:15	Are NET over diagnosed? Which consequence on clinical practice?
14:15 - 14:30	Environmental factors – How do these influence preventional care?
Management of incidentalomas across thoracic and digestive NET primaries – Are we consistent?	
	(14:30 - 15:00)
14:30 - 14:45	Gastroenterologist's view
14:45 - 15:00	Surgeon's view

21ST ANNUAL ENETS CONFERENCE

More than two decades of excellence in NET research and education

13–15 March 2024 in Vienna, Austria | On-site and Virtual

15:00 - 15:30 Panel discussion

COFFEE BREAK

Time: Wednesday 15:30 - 16:00

Room: Entrance Hall

SESSION D: MDT - SELECT THE BEST LOCOREGIONAL THERAPY IN SLOWLY PROGRESSIVE NETS

Time: Wednesday 16:00 - 17:30

Room: Hall E

16:00 - 16:08	Case 1: Liver mets
16:08 - 16:25	MDT panel discussion
16:25 - 16:33	Case 2: Bone mets
16:33 - 16:50	MDT panel discussion
16:50 - 16:58	Case 3: Ablation of small incidental pancreatic primary
16:58 - 17:15	MDT Panel discussion
Summary from locoregional panel (17:15 - 17:30)	
17:15 - 17:20	Surgeon's view
17:20 - 17:25	Interventional radiologist's view
17:25 - 17:30	Radiotherapist's view

CLOSING COMMENTS - 14TH ANNUAL ENETS POSTGRADUATE COURSE

Time: Wednesday 17:30 - 17:40

Room: Hall E

ENETS PROJECTS

Time: Wednesday 17:40 - 18:00

Room: Hall E

2ND ENETS BASIC AND TRANSLATIONAL NET RESEARCH - A FORUM ON BASIC AND TRANSLATIONAL SCIENCE IN NEUROENDOCRINE NEOPLASMS WEDNESDAY, 13 MARCH 2024

21ST ANNUAL ENETS CONFERENCE

More than two decades of excellence in NET research and education

13–15 March 2024 in Vienna, Austria | On-site and Virtual

REGISTRATION & COFFEE

Time: Wednesday 08:00 - 08:45

Room: Entrance Hall

WELCOME AND OPENING - 21ST ANNUAL ENETS CONFERENCE (LIVESTREAM FROM HALL E)

Time: Wednesday 08:45 - 08:50

Room: Hall F

WELCOME - 2ND ENETS BASIC AND TRANSLATIONAL NET RESEARCH FORUM

Time: Wednesday 08:50 - 09:00

Room: Hall F

SESSION 1: CELLS OF ORIGIN IN NENS

Time: Wednesday 09:00 - 10:30

Room: Hall F

09:00 - 09:15	Cells of origin in PanNENs
09:15 - 09:30	Cells of origin in gastric NENs
09:30 - 09:45	Cells of origin in lung NENs
09:45 - 10:10	Panel discussion
10:10 - 10:17	Abstract Presentation 1
10:17 - 10:20	Discussion
10:20 - 10:27	Abstract Presentation 2
10:27 - 10:30	Discussion

COFFEE BREAK

Time: Wednesday 10:30 - 11:00

Room: Entrance Hall

SESSION 2: IMMUNE TUMOR MICROENVIRONMENT AND OPPORTUNITIES FOR THERAPY IN NENS

Time: Wednesday 11:00 - 12:30

Room: Hall F

11:00 - 11:15	The road from nSARS-CoV-2 vaccines to therapeutic vaccines against cancer: Where are we?
11:15 - 11:30	Adoptive cellular therapies and innovative immunotherapeutic approaches against NENs

21ST ANNUAL ENETS CONFERENCE

More than two decades of excellence in NET research and education

13–15 March 2024 in Vienna, Austria | On-site and Virtual

11:30 - 11:45	The roles of extracellular vesicles in the immune system
11:45 - 12:00	Panel discussion
12:00 - 12:07	Abstract Presentation 3
12:07 - 12:10	Discussion
12:10 - 12:17	Abstract Presentation 4
12:17 - 12:20	Discussion
12:20 - 12:27	Abstract Presentation 5
12:27 - 12:30	Discussion

LUNCH BREAK

Time: Wednesday 12:30 - 14:00

Room: Entrance Hall

SESSION 3: DAXX/ATRX AND MEN1 ROLE IN NET TUMORIGENESIS

Time: Wednesday 14:00 - 15:30

Room: Hall F

14:00 - 14:10	DAXX/ATRX and MEN1 function in healthy tissues
14:10 - 14:25	Oncogenic mechanisms associated with DAXX/ATRX and MEN1 alterations in NETs and what we still do not understand
14:25 - 14:40	Clinical impact of DAXX/ATRX alterations in NETs: A two-faced role
14:40 - 15:00	Panel discussion
15:00 - 15:07	Abstract Presentation 6
15:07 - 15:10	Discussion
15:10 - 15:17	Abstract Presentation 7
15:17 - 15:20	Discussion
15:20 - 15:27	Abstract Presentation 8
15:27 - 15:30	Discussion

COFFEE BREAK

Time: Wednesday 15:30 - 16:00

Room: Entrance Hall

SESSION 4: BIOLOGY OF PRRT

Time: Wednesday 16:00 - 17:35

Room: Hall F

21ST ANNUAL ENETS CONFERENCE

More than two decades of excellence in NET research and education

13–15 March 2024 in Vienna, Austria | On-site and Virtual

16:00 - 16:15	PRRT mechanisms of action: Known and unknown
16:15 - 16:30	How can we advance PRRT, new preclinical model?
16:30 - 16:45	Red marrow toxicities of PRRT: Biological mechanisms
16:45 - 17:05	Panel discussion
17:05 - 17:12	Abstract Presentation 9
17:12 - 17:15	Discussion
17:15 - 17:22	Abstract Presentation 10
17:22 - 17:25	Discussion
17:25 - 17:35	Conclusive remarks

CLOSING COMMENTS - 2ND ENETS BASIC AND TRANSLATIONAL NET RESEARCH FORUM

Time: Wednesday 17:35 - 17:40

Room: Hall F

21ST ANNUAL ENETS CONFERENCE

More than two decades of excellence in NET research and education

13–15 March 2024 in Vienna, Austria | On-site and Virtual

21ST ANNUAL ENETS CONFERENCE

WEDNESDAY, 13 MARCH 2024

WELCOME RECEPTION

Time: Wednesday 18:00 - 19:00

Room: Entrance Hall

THURSDAY, 14 MARCH 2024

SATELLITE SYMPOSIUM - INDUSTRY-SPONSORED

Time: Thursday 07:45 - 08:45

Room: Hall F

SESSION 1: INTERDISCIPLINARY MANAGEMENT OF NEUROENDOCRINE TUMOR SYNDROMES - WHICH TOOLS FOR WHICH GOALS?

Time: Thursday 09:00 - 10:30

Room: Hall E

09:00 - 09:20	Keynote speech: MEN-1 – State of the art
09:20 - 09:30	Molecular approaches for the diagnosis of hereditary NEN in 2023 – The geneticist view
09:30 - 09:40	MEN-2-3-4
09:40 - 09:45	Discussion
09:45 - 09:55	von Hippel Lindau disease
09:55 - 10:00	Discussion
10:00 - 10:10	Inherited small intestinal NET
10:10 - 10:15	Discussion
10:15 - 10:22	Abstract Presentation 11
10:22 - 10:25	Discussion
10:25 - 10:30	Final comments & Wrap-up

COFFEE BREAK

Time: Thursday 10:30 - 11:00

Room: Entrance Hall

21ST ANNUAL ENETS CONFERENCE

More than two decades of excellence in NET research and education

13–15 March 2024 in Vienna, Austria | On-site and Virtual

SESSION 2A: DRUG DEVELOPMENT IN NENS: WHERE ARE WE HEADING?

Time: Thursday 11:00 - 12:30

Room: Hall E

11:00 - 11:10	Development of SST-targeted drugs: Current and future perspectives
11:10 - 11:15	Discussion
11:15 - 11:25	Update on clinical trials with systemic therapies in NETs
11:25 - 11:30	Discussion
11:30 - 11:40	Update on clinical trials with systemic therapies in NECs
11:40 - 11:45	Discussion
11:45 - 11:55	What can we achieve with molecular profiling of NENs and when should it be done?
11:55 - 12:00	Discussion
12:00 - 12:10	T-Cell redirecting strategies in NENs: CARs, BiTEs and beyond
12:10 - 12:15	Discussion
12:15 - 12:22	Abstract Presentation 12
12:22 - 12:25	Discussion
12:25 - 12:30	Final comments

SESSION 2B: ABSTRACT SESSION

Time: Thursday 11:00 - 12:10

Room: Hall F

11:00 - 11:07	Abstract Presentation 13
11:07 - 11:10	Discussion
11:10 - 11:17	Abstract Presentation 14
11:17 - 11:20	Discussion
11:20 - 11:27	Abstract Presentation 15
11:27 - 11:30	Discussion
11:30 - 11:37	Abstract Presentation 16
11:37 - 11:40	Discussion
11:40 - 11:47	Abstract Presentation 17
11:47 - 11:50	Discussion
11:50 - 11:57	Abstract Presentation 18
11:57 - 12:00	Discussion

21ST ANNUAL ENETS CONFERENCE

More than two decades of excellence in NET research and education

13–15 March 2024 in Vienna, Austria | On-site and Virtual

12:00 - 12:07 Abstract Presentation 19

12:07 - 12:10 Discussion

LUNCH BREAK

Time: Thursday 12:30 - 14:00

Room: Entrance Hall

SATELLITE SYMPOSIUM - INDUSTRY-SPONSORED

Time: Thursday 12:30 - 14:00

Room: Hall F

SESSION 3A: JOINT ENETS/ESMO SESSION

Time: Thursday 14:00 - 15:10

Room: Hall E

Understanding biology to improve patient care

14:00 - 14:15	...in NETs
14:15 - 14:20	Discussion
14:20 - 14:35	...in NECs
14:35 - 14:40	Discussion
14:40 - 14:55	ESMO / ENETS GEP NEN guidelines/guidance: Clinical application
14:55 - 15:00	Discussion
15:00 - 15:07	Abstract Presentation 20
15:07 - 15:10	Discussion

SESSION 3B: ABSTRACT SESSION

Time: Thursday 14:00 - 15:00

Room: Hall F

14:00 - 14:07	Abstract Presentation 21
14:07 - 14:10	Discussion
14:10 - 14:17	Abstract Presentation 22
14:17 - 14:20	Discussion
14:20 - 14:27	Abstract Presentation 23
14:27 - 14:30	Discussion
14:30 - 14:37	Abstract Presentation 24

21ST ANNUAL ENETS CONFERENCE

More than two decades of excellence in NET research and education

13–15 March 2024 in Vienna, Austria | On-site and Virtual

14:37 - 14:40	Discussion
14:40 - 14:47	Abstract Presentation 25
14:47 - 14:50	Discussion
14:50 - 14:57	Abstract Presentation 26
14:57 - 15:00	Discussion

LIFE ACHIEVEMENT AWARD

Time: Thursday 15:10 - 15:30

Room: Hall E

15:10 - 15:20	Laudatio
15:20 - 15:30	Recipient and keynote address

COFFEE BREAK

Time: Thursday 15:30 - 16:00

Room: Entrance Hall

SESSION 4A: PUSH THE FORMER LIMITS - RISING ENDOSCOPIC AND SURGICAL TECHNIQUES FOR THE TREATMENT OF GEP-NETS

Time: Thursday 16:00 - 17:30

Room: Hall E

16:00 - 16:10	Endoscopic treatment of gastroduodenal NETs – Techniques and limits
16:10 - 16:15	Discussion
16:15 - 16:25	Endoscopic ablation of small pNEN – Techniques and limits
16:25 - 16:30	Discussion
16:30 - 16:40	Resection of advanced liver neuroendocrine liver metastases – New options and limits
16:40 - 16:45	Discussion
16:45 - 16:55	Vascular resections for locally advanced pNETs – Techniques and limits
16:55 - 17:00	Discussion
17:00 - 17:10	Resection of locally advanced SI-NET – Techniques and limits
17:10 - 17:15	Discussion
17:15 - 17:22	Abstract Presentation 27
17:22 - 17:25	Discussion
17:25 - 17:30	Closing comments

21ST ANNUAL ENETS CONFERENCE

More than two decades of excellence in NET research and education

13–15 March 2024 in Vienna, Austria | On-site and Virtual

SESSION 4B: NURSE AND DIETITIAN SYMPOSIUM

Time: Thursday 16:00 - 17:30

Room: Hall F

ROUNDTABLE DISCUSSION: BARRIERS TO ACCESS HIGH-QUALITY CARE IN NENS

Time: Thursday 17:45 - 18:45

Room: Hall E

17:45 - 18:00	EU NEN Policy Recommendations (Take-home messages)
18:00 - 18:45	Roundtable discussion – Physicians', patients' & politicians' perspectives

- Physician's perspective from different geographic regions
- Patient's perspective (INCA representative)
- Politician's perspective (EU Commissioner representative)

FRIDAY, 15 MARCH 2024

SATELLITE SYMPOSIUM - INDUSTRY-SPONSORED

Time: Friday 07:45 - 08:45

Room: Hall F

SESSION 5A: TARGETED RADIONUCLIDE THERAPY - RECENT ADVANCES

Time: Friday 09:00 - 10:30

Room: Hall E

09:00 - 09:15	PRRT with ¹⁷⁷ Lu labelled somatostatin analogues: Current status and future directions
09:15 - 09:20	Discussion
09:20 - 09:35	Targeted alpha radionuclide therapies – A game changers?
09:35 - 09:40	Discussion
09:40 - 09:55	What is next – New isotopes and novel targets?
09:55 - 10:00	Discussion
10:00 - 10:07	Abstract Presentation 28
10:07 - 10:10	Discussion
10:10 - 10:17	Abstract Presentation 29
10:17 - 10:20	Discussion
10:20 - 10:27	Abstract Presentation 30

21ST ANNUAL ENETS CONFERENCE

More than two decades of excellence in NET research and education

13–15 March 2024 in Vienna, Austria | On-site and Virtual

10:27 - 10:30 Discussion

SESSION 5B: INCA/ENETS

Time: Friday 09:00 - 10:30

Room: Hall F

COFFEE BREAK

Time: Friday 10:30 - 11:00

Room: Entrance Hall

SESSION 6: BEST NET PUBLICATIONS - WHAT'S NEW IN THE FIELD?

Time: Friday 11:00 - 12:15

Room: Hall E

11:00 - 11:25	Basic science
11:25 - 11:50	Translational science
11:50 - 12:15	Clinical science

AWARDS CEREMONY

Time: Friday 12:15 - 12:35

Room: Hall E

CLOSING COMMENTS

Time: Friday 12:35 - 12:50

Room: Hall E

LUNCH BREAK

Time: Friday 12:50 - 14:00

Room: Entrance Hall
