ESID 2017 Preliminary Scientific Programme

Day 1	Monday, 11 September 2017	
09:30-10:00	Educational Session <i>Kaan Boztug : Neutrophil Disorders</i>	
10:00-10:30	Educational Session <i>Andrew Gennery : Too much or not enough: mechanism of cancer in PID</i>	
10:30-11:00	Coffee Break	
11:00-11:30	Educational Session <i>Bodo Grimbacher: The new face of Immune Dysregulation: overview on new phenotypes...beyond Tregopathies</i>	
11:30-12:00	Educational Session <i>Rafaela Goldbach-Mansky : Overview on Autoinflammatory Diseases</i>	
12:00-12:30	Educational Session ESID Junior <i>Peter Olbricht</i>	
12:30-13:30	Break	
13:30-14:00	Educational Session <i>Jordan Orange : NK and autoimmunity</i>	ERN RITA Workshop <i>Andrew Cant</i>
14:00-14:30	Educational Session <i>Eleonora Gambineri : The new face of Evans' Syndrome...how to look for PID</i>	
14:30-15:00	Educational Session <i>Despina Moshous : Overview on treatment...how to get in shape for HSCT</i>	
15:00 - 15:30	Coffee Break	
15:30 - 17:00	Industry Sponsored Symposia	
17:00 - 18:00	Opening Ceremony Keynote Lecture: <i>Alain Fischer - Overview of Autoinflammatory Genes</i>	
18:00	Welcome Reception	

Day 2	Tuesday, 12 September 2017			INGID Programme
8:00 - 09:00	PLENARY SESSION: THYMUS & AUTOIMMUNITY Role of Thymus in Autoimmunity <i>Jakub Abramson</i> Thymic Epithelial Cell Development <i>Georg Hollander</i>			
9:00-10:00	Debate Controversy Is GOF-STAT1 CMC an interferonopathy? <i>Desa Lilic</i> <i>Yanik Crow</i>	ERN RITA Workshop Joint meeting with J project <i>Andrew Cant</i>		
10:00-10:30	Coffee Break, Exhibition & E-Poster Viewing			
10:30-12:00	PARALLEL SESSION: DISORDERS OF REGULATORY GENES Tregopathies <i>Troy Torgeson</i> CTLA-4 <i>David Sansom</i> LRBA <i>Bodo Grimbacher</i>	PARALLEL SESSION: Jak Stat & PI3K inhibitors <i>Benedicte Neven</i> Use of Biologics <i>Marco Gattorno</i>		
12:00 - 14:00	Lunch Break, Exhibition, E-Poster Discussion			
12:30 - 14:00	Industry Sponsored Symposia			
14:00 - 15:00	PARALLEL SESSION Management of PID in Less advantaged countries and regions <i>Antonio Condino</i>	PARALLEL SESSION ADA2 - <i>Marco Gattorno</i> STAT-3 GOF - <i>Sophie Hambleton</i>	PARALLEL SESSION The 5 most difficult problems in PID HSCT <i>Mary Slatter</i>	
15:00-15:30	Coffee Break, Exhibition & E-Poster Viewing			
15:30 - 16:30	PLENARY SESSION: THE MISSING LINK: AUTOINFLAMMATION AND IMMUNODEFICIENCIES PLAID, APLAID <i>Ivona Aksentijevich</i> CANDLE and STING <i>Raphaella Goldbach-Mansky</i>			
16:30-16:45	Short break			
16:45 - 18:15	Industry Sponsored Symposia			

Day 3	Wednesday, 13 September, 2017				INGID Programme
8:00 - 09:00	PLENARY SESSION: THE GUT & AUTOINFLAMMATION Microbiota in Immunity to Infection <i>Yasmine Belkaid</i> Monogenic Inflammatory Bowel Disease <i>Holm Uhlig</i>				
9:00 - 10:30	Parallel session CVID - adult and paediatric view <i>Klaus Warnatz</i> <i>Andrew Cant</i>	CWP workshop	Juniors/Education workshop		
10:30 - 11:00	Coffee Break, Exhibition, E-Poster Viewing				
11:00 - 12:30	PARALLEL SESSION: OMICS IN AUTOINFLAMMATION & IMMUNITY Use of Big Data Sets to Get Complex Non-mendelian Answers <i>Hakon Hakonarson</i> Roles of Self-nucleic Acid and PRRs in Autoimmune & Inflammatory Diseases <i>Sun Hur</i>	PARALLEL SESSION: THE LUNG & AUTOINFLAMMATION Management of GLILD <i>Klaus Warnatz/John Hurst</i>	How I approach the treatment of ADA SCID <i>Bobby Gaspar</i> Gene Therapy <i>Fabio Candotti</i>	How I approach investigation and management of Periodic Fevers <i>Mario Abinun</i> How I investigate and manage complex PID in adults' - <i>Siobhan Burns</i>	
12:30-14:30	Lunch Break, Exhibition, E-Poster Discussions				
13:00 - 14:30	Industry Sponsored Symposia				
14.30 - 15:30	Next Generation sequencing workshop <i>Kaan Boztug</i>	PARALLEL SESSION: Oral abstract presentations	How I manage fungal infection in PID <i>Adilia Warris</i> How I approach the management of a patient without a diagnosis <i>Raif Geha</i>		
15:30 - 16:00	Coffee Break, Exhibition, E-Poster Viewing				
16:00 - 17:00	PLENARY SESSION: IMMUNE DYSREGULATION BEYOND CLASSIC AUTOIMMUNITY AND AUTOINFLAMMATION Allergy as PID <i>Joshua Milner</i> Copa Syndrome <i>Jordan Orange</i>				
17:00-17:15	Short break				
17:15 - 18:45	Industry Sponsored Symposia				

Day 4	Thursday, 14 September, 2017					
08:00 - 9:00	Working Party -IEWP	Working Party - Registries	Working Party - PID in Development with INGID	Working Party Juniors/Education	Working Party	Working Party - Genetics
9:00 - 10:30	How I investigate a patient with lymphadenopathy, HSmegaly, and recurrent infections <i>Thomas Flesher</i>	How I Approach investigation and management of an adult with recurrent infections <i>Mikko Seppänen</i>	How I investigate paediatric antibody deficiency <i>Mirjam vd Burg</i>	How I investigate and manage VEOIBD <i>Holm Uhlig</i>	How I manage adult antibody deficiency <i>Stephen Jolles</i>	
10:30 - 11:00	Coffee Break					
11:00 - 13.00	PLENARY SESSION: <i>Late Breaking Oral Presentations</i>					
13:00 - 13:15	Closing Ceremony
