John Parsons, AuD
Assistant Professor of
Otolaryngology-Head and Neck Surgery

COURSE SYNOPSIS

ENT for the PCP is designed to provide primary care providers with up-to-date information on how to recognize, diagnose, and treat common conditions of the ears, nose, and throat, and when referral to a specialist is prudent. Distinguished faculty will showcase novel diagnostic and therapeutic modalities available to patients. Presenters will give didactic lectures on specific topics within ENT subspecialties of allergy, otology, rhinology, laryngology, facial plastics and reconstructive surgery, head and neck cancer, and pediatric otolaryngology. The educational format includes case studies and interactive sessions, allowing participants the opportunity to attain and integrate new, practical information into their clinical practices to improve patient care and outcomes.

LEARNING OBJECTIVES

By the end of the course, participants will be able to:

- Analyze new and novel treatments of otolaryngologic disorders.
- Apply current guidelines in treating otolaryngologic disorders.
- Review the connection between HPV infection and head and neck cancer.
- Distinguish the various treatment modalities for hearing loss.
- Identify which patients may benefit from surgical management of nasal obstruction.
- Explore various diagnostic and treatment modalities for dysphagia.
- Review new developments in the field of otolaryngology.

INTENDED AUDIENCE

This course is intended for all levels of primary care providers with interest in the management of ear, nose, and throat-related problems. Audience includes practicing physicians, physicians' assistants, nurse practitioners, and other allied healthcare providers.

AMA CREDIT DESIGNATION STATEMENT

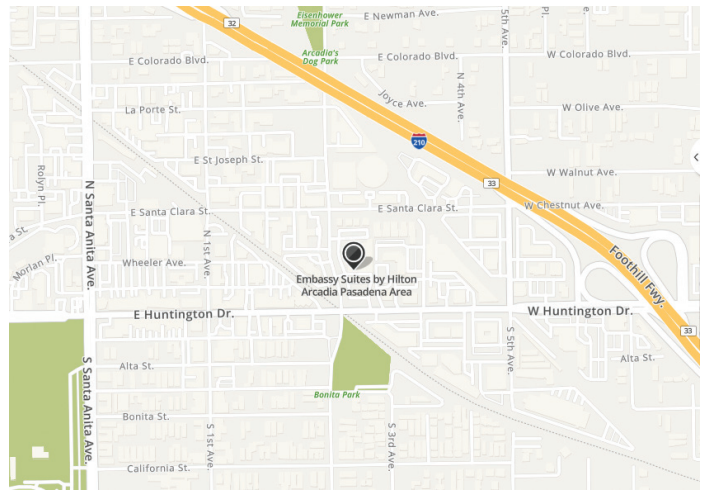

Research Study Club of LA designates this live activity for a maximum of 6.5 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the California Medical Association (CMA) through joint providership of Research Study Club of LA and the USC Caruso Department of Otolaryngology - Head and Neck Surgery. Research Study Club of LA is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians.

LOCATION

Embassy Suites Arcadia - Titanium Room
211 East Huntington Drive
