SPEAKER REGISTRATION

Join as a Speaker at the 16th World Gastroenterology, IBD, Hepatology Conference & Exhibition and showcase your research, insights, and expertise to a global audience of Gastroenterology professionals.

As a speaker, you will have the opportunity to present your work, engage with international experts, and contribute to advancing nursing practices and patient safety worldwide.

DELEGATE REGISTRATION

Join as a delegate at the 16th World Gastroenterology, IBD, Hepatology Conference & Exhibition and gain valuable insights from leading experts in Gastroenterology and Hepatology.

As a delegate, you will gain full access to all conference sessions, learn from international experts, explore the latest research and innovations in Gastroenterology and Hepatology, network with global professionals, engage in meaningful discussions, and receive a certificate of participation, all while enhancing your knowledge and professional growth.

POSTER PRESENTER

Join as a poster presenter to showcase your research in a visual format and share your findings with a global audience. This is an excellent opportunity to present your work, receive valuable feedback, and engage with experts and peers in the field of Gastroenterology and Hepatology.

As a poster presenter, you will gain visibility for your research, interact with international professionals, receive constructive feedback, expand your professional network, and receive a certificate of presentation while contributing to knowledge exchange in Gastroenterology and Hepatology.

EXHIBITOR REGISTRATION

Join as an exhibitor to showcase your products, services, and innovations to a global audience of Gastroenterology professionals, decision-makers, and industry leaders. This is a valuable opportunity to enhance your brand visibility and connect with potential clients and partners.

As an exhibitor, you will gain direct exposure to a targeted audience, promote your brand, generate new business leads, build strategic partnerships, and strengthen your presence in the global Gastroenterology market.

EARN 30 CPD CREDITS

The term continuing, or continuous, professional development (CPD), is used to refer to any form of learning you do to better your knowledge, comprehension, and experiences in a certain field. It is an acronym for continuous and planned learning and development. It emphasizes what you learn and how you grow, but it could also involve a formal method for documenting it.

YOUR GROWTH STARTS WITH 30 CPD & CME CREDITS

EARN 30 CME CREDITS

The term "continuing medical education," or 30 CME, refers to learning experiences that help doctors keep their knowledge, skills, and professional relationships up to date, develop them, or improve them so they can better serve their patients, the general public, or the profession.

- ✓ Stay updated with the latest medical knowledge, research, and clinical advancements
- ✓ Enhance practical skills and improve the quality of patient care
- ✓ Strengthen your professional profile and credibility in the Gastroenterology field
- ✓ Support career growth, promotions, and new opportunities

TESTIMONIAL

Dr. Federica Riccobene

Doctor of Medicine (MD)

It was a pleasure participating in the Dubai conference. The scientific sessions, speakers, and overall organization were excellent. Congratulations to the organizing committee. ([Click here for more](#))

Dr. Randa Kaskas

Integrative Gut Health Expert

It was a pleasure meeting everyone. The experience was enriching, full of knowledge, and perfectly organized. Thank you once again..([Click here for more](#))

Dr. Sae Kyung Joo

Associate Professor in Department of Internal Medicine, Seoul Metropolitan Government Seoul National University Boramae Medical Center, Seoul, Republic of Korea

This was a highly informative and enriching conference. The expert-led sessions and international perspectives contributed significantly to my professional development. ([Click here for more](#))

Prof. Dr. Mohamad Zakaria Ali Ahmad Abu Rahma

FAssistant Professor of Gastroenterology

A fantastic learning environment that expanded my clinical interests and introduced me to innovations in GI imaging and care.

Dr. Francesco Riccobene

Probiotics and Gut Health

The diversity of presentations enriched my knowledge base. I am particularly inspired to integrate new research into my daily practice.

Dr. Eric Ibegbu

Medical Director and CEO at Atlantic Medical Group

The conference not only improved my knowledge, but also encouraged me to bring a new passion and perspective to my profession. The presentations on management and professional growth were especially encouraging, since they provided ideas for me to further advance my professional development and better connect to the gastroenterology profession. ([Click here for more](#))

Dr. Gauhar Janova

Sau Clinic

The event effectively balanced research innovation with practical clinical guidance. It was very useful for advancing my practice. ([click here for more](#))

Miss Penelope Regalado

Doctor of Physical Therapy

The conference offered relevant, up-to-date scientific content. It was exciting to be part of such a global professional community.

Dr. Nursultan Yessengali

Sau Clinic

I gained a deeper appreciation for multidisciplinary approaches in GI health. The networking and professional dialogues were especially meaningful.

Dr. Domenica Candino

Probiotics and Gut Health

The educational value was outstanding. I especially enjoyed sessions that tied clinical practice with recent research evidence.

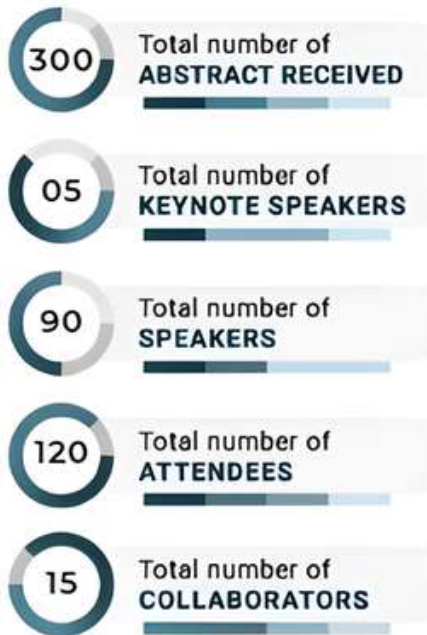

Past Event Report

Utilitarian Conference Gathering successfully hosted its **15th World Gastroenterology, IBD, Hepatology Conference and Exhibition**", held in **Dubai, UAE**. The conference was organized with a theme focused on "Discovering new treatments, and advancing medical knowledge in Gastroenterology, IBD and Hepatology." The event was a remarkable success, where eminent keynote speakers from various universities and organizations addressed the gathering and shared their valuable insights.

The generous response and active participation of the Organizing Committee Members played a major role in the success of this global healthcare event. We extend our sincere gratitude to all esteemed guests, keynote speakers, poster presenters, and delegates for dedicating their time and sharing their valuable research within our global scientific network.

The Organizing Committee would also like to thank everyone who attended the conference for making the sessions a worthwhile and enriching experience. We express our special appreciation to the moderators of the conference sessions and all contributors who ensured the smooth functioning of the event...(click [here for more](https://utilitarianconferences.com)).

Experience Kuala Lumpur Malaysia

Petronas Twin Towers:

Experience the awe of the Petronas Twin Towers, the world's tallest twin skyscrapers and an iconic symbol of Kuala Lumpur. Take in breathtaking city views from the Skybridge and observation deck, explore the vibrant Suria KLCC shopping mall, and enjoy the beautifully landscaped KLCC Park.

Batu Caves:

Discover the iconic Batu Caves, home to the towering golden Lord Murugan statue and vibrant Hindu temples. Climb 272 colorful steps to explore stunning caves, ancient shrines, and playful monkeys. Perfect for adventure, culture, and unforgettable photos!

KL Tower:

Reach new heights at the iconic KL Tower, one of the tallest telecommunication towers in the world! Enjoy 360° panoramic views of Kuala Lumpur's skyline from the observation deck, dine in the revolving restaurant, or take an adrenaline-pumping adventure with the Sky Deck and Sky Box.
