

The Royal College of Anaesthetists, London 23 February 2018

Event organiser: Dr A Bodenham | Registration fee: £240 (£180 for RCoA registered trainees)

Network: rcoa
Password: rcoa-purple

5 CPD credits

CPD codes: 2D03, 3100

This day is designed for consultants, senior trainees and advanced practitioners who have mastered the usual elements of short term venous access but would like to extend their knowledge and repertoire to other procedures. There will be discussion of both adult and paediatric practice.

The day consists of didactic lectures and smaller group teaching on skills stations. The faculty includes adult and paediatric anaesthetists/intensivists and a vascular radiologist.

Programme: Friday 23 February 2018
