Dermatopathology in the Desert

Dodging Bullets in the Dermatopathology Wilderness

Sunday, November 1, 2020

Revised: 3.23.2020

Room 307		
7:15 AM-7:45 AM	Registration	Coffee and Continental Breakfast Provided in Room 201
Room 201		
7:45 AM-8:00 AM	Orientation	
Room 301		Room 309
8:00 AM-8:45 AM	Slide Preview Superficial Mesenchymal and Vascular Tumors	Slide Preview Difficult Melanocytic Lesions with Insights into Underlying Molecular Mechanisms
8:45 AM-9:45 AM	Case Discussion with Jaime E. Calonje, MD, DipRCPath Session 1: Superficial Mesenchymal and Vascular Tumors	Case Discussion with Iwei Yeh, MD, PhD Session 1: Difficult Melanocytic Lesions with Insights into Underlying Molecular Mechanisms
9:45 AM-10:00 AM	Break	
10:00 AM-12:00 PM	Case Discussion with Jaime E. Calonje, MD, DipRCPath Session 2: Superficial Mesenchymal and Vascular Tumors	Case Discussion with. Iwei Yeh, MD, PhD Session 2: Difficult Melanocytic Lesions with Insights into Underlying Molecular Mechanisms
12:00 PM-12:15 PM	Break	
Room 201		
12:15 PM-1:00 PM	Immunobullous Diseases: Lessons Learned in the Clinic and at the Microscope by Julia S. Lehman, MD	
Afternoon Free
