

Tuesday 19th June

11.00	Registration Opens				
11:30 – 13:00	Lunch and Exhibition Exhibition Hall				
13.00 -14.00	Conference Opening Welcome from Donal O'Donoghue; President of the Renal Association and Maarten Taal, President of the British Renal Society Keynote Speaker: Tim Briggs				
	<i>Stream 1</i>	<i>Stream 2</i>	<i>Stream 3</i>	<i>Stream 4</i>	<i>Stream 5</i>
14:00 – 15:30	Communicating with Patients Chairs: Tess Harris and Helen Hurst <i>Difficult Conversations</i> – Andrew Mooney; Consultant Renal Physician and Honorary Clinical Associate Professor, St James's University Hospital, Leeds <i>Dialysis Withdrawal</i> - Emma Murphy; Clinical Lecturer , University Hospital Southampton NHS Foundation Trust and the University of Southampton Oral Abstract Presentations	Raine Award presentation Chairs: Donal O'Donoghue and Liz Lightstone Pippa Bailey; Clinical Lecturer in Renal Medicine, University of Bristol Oral Abstract Presentations	Three Minute Heroes <i>Sponsored by Kidney Research UK</i> Chaired by Mark Dockerall and Elaine Davies 20 posters delivered in three minute presentations	AKI Chairs: Laurie Tomlinson and Lynne Sykes <i>Tackling AKI: a multicentre pragmatic clinical trial</i> - Nicholas Selby; University of Nottingham <i>Think Kidneys: the UK Renal Registry Master Patient Index</i> – James Medcalf; Consultant Nephrologist, John Walls Renal Unit, Leicester General Hospital <i>Update on recent clinical trials in AKI</i> - John Prowle; Senior Lecturer in Intensive Care Medicine, Hon Consultant Intensivist and Nephrologist, Barts Health NHS Trust & Queen Mary University of London Oral Abstract Presentations	Home Therapies CPD Session Chair: Natalie Boreman and Cathy Johnson <i>Home Therapies' Is it really equal access for all?</i> - Nicola Thomas; Professor of Kidney Care, School of Health and Social Care, London South Bank University <i>The Renal registry Perspective</i> - Matthew Tabinor; Specialist Registrar, University Hospital of North Midlands <i>Developing a HHD program</i> - Laura Thomas; HD unit Manager Sunderland NHS Trust <i>Patient perspective Barts</i> - Richard Endacott Learning outcomes - To know the Renal Registry data on numbers of people on home therapies in the UK - To discuss the potential drivers and barriers to running a comprehensive home therapies programme - To hear the patient perspective on home therapies

					To recognise how the patient voice might increase the numbers of people on home dialysis, especially those from disadvantaged or 'hard-to-reach' groups
15:30 – 16:00	Coffee break and Exhibition				Exhibition Hall
16.00 – 17.00	Corporate Session Alexion		Corporate Session Vifor Pharma		
17:00 – 17:30	Highlights of the Day			Kidney Research UK Fun Run Why not join Kidney Research UK and the Harrogate Harriers running club for a 5K social run around the beautiful city of Harrogate. By taking part, you can help Britain's leading kidney research charity, fund more research into the causes, prevention and treatment of kidney disease. Registration will need to be completed beforehand.	
17:30 – 20:00	Welcome Reception and Networking in Exhibition				Exhibition Hall
19:30 – 22:00	Speaker and Committee Dinner				Offsite

Wednesday 20th June

07.00	Registration opens					
07.45 - 08.45	Living Donor Network meeting			Corporate Session Vifor Pharma		
9.00 – 10.00	Delivering Stratified Medicine Chairs: Peter Mathison and Phil Kalra <i>De Wardener Lecture: Stratified Medicine in Nephrology</i> - Moin A Saleem; Professor of Paediatric Renal Medicine, University of Bristol <i>Artificial Intelligence in Healthcare - the Moorfields-DeepMind collaboration</i> - Pearse Keane; NIHR Clinician Scientist, Moorfields Eye Hospital NHS Foundation Trust					
10.00 - 10.30	Coffee and Exhibition					Exhibition
10:30 – 12:00	<i>Stream 1</i> Transition - CPD session Chairs: Tina Chrysochou and BRS Represenative <i>Adolescents and young adults: what is special about them and why you should be bowvered...</i> - Rachel Tattersall; Consultant adolescent rheumatologist, Sheffield Teaching Hospitals and Sheffield Childrens Hospital <i>A practical and patient centred approach to transition from paediatric to adult care</i> - Louise Porter; Lead Nurse for Transition, Leeds Teaching Hospital Panel discussion	<i>Stream 2</i> Kidney Care UK/BRS Research Forum Chair: Paula Ormandy and Paddy Tabor Donna Lamping Lecture: The how and the why of patient and public involvement in research Nicola Thomas; Professor of Kidney Care, School of Health and Social Care, London South Bank University	<i>Stream 3</i> Cardiorenal Chairs: Elaine Rutherford and Darren Green <i>Cardiovascular disease in oncology - new treatments, new problems</i> - Ninian Lang, Consultant Cardiologist, Queen Elizabeth University Hospital/Beatson West of Scotland Cancer Centre, Glasgow <i>What insights does CMR offer into cardiomyopathy (for nephrologists!)</i> - Rick Steeds, Consultant Cardiologist, University Hospitals Birmingham (Queen Elizabeth) NHS Foundation Trust <i>High Sensitivity Troponin and CKD</i> - Neeraj Dhaun; Honorary Consultant Nephrologist, University of Edinburgh Oral Abstract Presentations	<i>Stream 4</i> Anaemia Chair: Donal O'Donoghue and Karen Jenkins <i>Osman lecture: CKD anaemia management through the ages: a story of Dr Jekyll and Mr Hyde</i> – Iain Macdougall; Professor of Clinical Nephrology, King's College Hospital <i>Pre-operative patient blood management</i> – Toby Richards; University College London Expert panel discussion: - Iain Macdougall - Toby Richards - Ashraf Mikhail - Marie Chowrimootoo - Karen Jenkins - Lesley Bennett Oral Abstract Presentations	<i>Stream 5</i> Genetics and renal disease - Basic Science session Chairs: Danny Gale and Fiona Karat <i>Transcriptomics - microarray/RNAseq in various models, single-cell RNAseq</i> - Bryan Conway; Edinburgh <i>Shared genetic risks and new ways of analysing genetic data sets</i> - Nigel Williams; Cardiff Oral Abstract Presentations	<i>Stream 6</i> Transplantation in association with the British Transplant Society Chairs: Lisa Burmap and Adnam Sherif <i>Fitness for kidney transplantation: a surgical view</i> - Nizam Mamode; Professor of Transplant Surgery, Guy's Hospital (TBC) <i>The new allocation system for kidney for transplantation: what you need to know</i> - Chris Watson; Professor of Transplantation, Addenbrooke's Hospital, Cambridge <i>How to make a kidney transplant last longer</i> - Nick Torpey; Clinical Director of Renal Transplantation, Addenbrookes Hospital Cambridge <i>Adherence in Kidney Transplantation</i> - Dirk Kuypers; Professor of Medicine, University of Leuven, Belgium
12:00 – 13:00	Moderated Poster Session					Exhibition
13:00 – 14:00	Lunch and Exhibition					Exhibition Hall

14:00 – 15:00	Corporate Session Baxter			Corporate Session Syner Med		
15:00 - 16:00	<i>Stream 1</i> Leadership Chairs: Ken Farrington <i>Jane Macdonald Leadership Lecture - Hidden Figures</i> - Paula Ormandy; Salford University, Vice President Research BRS <i>Multi-Professional Leadership for QI: KQulP</i> - Katie Fielding; Professional Development Advisor, Derby Teaching Hospitals NHS Foundation Trust Renal Nurse of the Year Award Oral Abstract Presentations	<i>Stream 2</i> Kidney Health Delivering Excellence: Strategies for CKD and AKI Chairs: Clara Day and Enric Vilar <i>Kidney Health Delivering Excellence: Strategies for CKD and AKI</i> - Fiona Loud; Policy Director, Kidney Care UK and Hugh Gallagher; Oral Abstract Presentations	<i>Stream 3</i> Walking in the shoes of a Professor- Careers session Chairs: Phil Kalra <i>So you want to be a clinical academic....nephrologist?</i> - Peter Maxwell; Consultant Nephrologist, Belfast City Hospital <i>Is the dark side really that dark? Career choices in medical leadership and Pharma</i> - Peter Rutherford; Global Medical Director, Vifor Pharma Alistair Chesser	<i>Stream 4</i> Exercise and Lifestyle Chairs: Sharlene Greenwood and James Burton Debate: <i>'This house believes that exercise is good for patients; it's time to stop research and get on with delivery'</i> Speaker for the motion - Rob Elias; Consultant Nephrologist and Clinical Director, King's College Hospital Speaker against the motion - Jamie MacDonald; Senior Lecturer, Physical Activity and Well Being Centre, Bangor University Oral Abstract Presentations	<i>Stream 5</i> State of the Art Technologies Chairs: Jill Norman and Gavin Welsh <i>Renal microdissection and mass spectrometry for amyloidosis and MGRS</i> – Julian Gillmore; Professor of Medicine/Honorary Consultant Nephrologist, UCL <i>Making every donation count: advances in perfusion technologies in renal transplantation</i> - Mike Nicholson; Professor of Transplantation, University of Cambridge <i>Recent advances in translational nanotechnology-based drug delivery</i>– Andrew Owen; Professor of Pharmacology, University of Liverpool	<i>Stream 6</i> PD Chaired by Mark Lambie and Linsey Worsey <i>PD Access: The Achilles Heel of PD?</i> - Victoria Briggs, Sheffield Kidney Institute <i>Pros and Cons of PD According to Patient Experience: Results from PDOPPS</i> - Helen Hurst, Consultant Nurse Manchester University Foundation Trust <i>The UK National PD Nurses Forum: What is it and how do I get involved?</i> - Toots Ansell; Peritoneal Dialysis Clinical Specialist, Wessex Kidney Unit, Portsmouth Hospital Trust and Jayne Woodhouse; Advanced Nurse Practitioner, Oxford University Hospitals NHS Foundation Trust
16.00 - 16.45	Coffee					Exhibition
16:00 – 16:45	Renal Association AGM			Launch of the Association of Nephrology Nurses UK (ANNUK)		

	Stream 1	Stream 2	Stream 3	Stream 4	Stream 5	Stream 6
16.45 - 18.15	Clinico- pathologic session Chairs: Fiona Duthie and Jonathan Barrett <i>The Importance of Recording Renal Disease on Death Certificates</i> - Peter Furness; Professor of Histopathology and Consultant, University of Leicester, Past President of the Royal College of Pathologists Case studies	Renal Nutrition Stop! Go, or Proceed with caution? - Obesity and CKD Chairs: Lina Johanson and Harriett Williams <i>Patient and clinician experiences in navigating the paths to weight loss</i> - Helen MacLaughlin Patient speaker Surgeon speaker Oral Abstract Presentations	Paediatric Nephrology Chairs: Rachel Lennon and David Hughes Patrick Mark; Reader and Honorary Consultant Nephrologist, Institute of Cardiovascular and Medical Sciences, University of Glasgow <i>The bone-vascular link in CKD</i> - Rukshana Shroff; Consultant Paediatric Nephrologist , Great Ormond Street Hospital for Children NHS Foundation Trust Cathy Shanahan, King's College London Oral Abstract Presentations	Perspectives on Nephrology Clinical Trials Sponsored by Kidney Research UK Chairs: Thomas Hiemstra and Fiona Robertson <i>Waste in clinical trials, and how to do them more</i> - Fergus Caskey <i>How have clinical trials changed practice in Nephrology? (Why should I enrol patients in trials?)</i> - David Wheeler <i>Patient perspective on trial participation</i> - Tess Harris; CEO, Polycystic Kidney Disease Charity <i>Addressing the challenges of trials in nephrology</i> - Michael Walsh	Regenerative Medicine Sponsored by Kidney Research UK Chairs: Adrian Woolf and Patricia Murray <i>Generating mini-kidneys in vitro using stem cell technology</i> – Jamie A Davies; Professor of Experimental Anatomy, University of Edinburgh <i>Clinical trials of MSCs for kidney disease: NEPHSTROM and beyond</i> - Paul Cockwell; Consultant Nephrologist, Queen Elizabeth Hospital Birmingham, Professor of Nephrology University of Birmingham <i>Regenerative medicine strategies to improve kidney transplantation</i> - Marc Clancy; Consultant transplant surgeon, Queen Elizabeth University Hospital, Glasgow <i>Cell-based therapies for ischaemia-reperfusion injury: monitoring disease progression, regression and biodistribution using non-invasive technologies</i> - Rachel Harwood; Paediatric surgeon, University of Liverpool and Alder Hey Children's Hospital	Patient Centred Delivery of Haemodialysis Treatment. Chairs: Liz Garthwaite and Maddie Warren <i>Incremental Dialysis</i> - Elizabeth Lindley; Clinical Scientist in Renal Care, Leeds Teaching Hospitals NHS Trust <i>Does one size fit all - my approach to the patient whose HD figures do not meet the standards</i> - Roger Greenwood; Consultant Nephrologist, Stevenage <i>How I have made Haemodialysis work for me</i> - James Eccles; HD patient and Retired Consultant Geriatrician, Leeds
18:15 – 18:45	Highlights of the Day			Meet the Professor session Sponsored by Kidney Research UK		
19.30	Conference Dinner					I A

Thursday 21st June

07.30	Registration Opens					Auditorium Foyer
07.45 - 08.45	Corporate Session			Corporate Session		
9.00 - 10.00	Plenary Session Chairs: Graham Lipkin and Claire Sharpe Chandos Lecture: <i>Life in the marshes - kidney environment shapes immune cell function</i> - Menna Clatworthy <i>From Philosophy to Practice in Person-Centred Care: how do we implement and evaluate a health system?</i> - Michael Walsh					
10.00 - 10.30	Coffee					Exhibition Hall
	<i>Stream 1</i>	<i>Stream 2</i>	<i>Stream 3</i>	<i>Stream 4</i>	<i>Stream 5</i>	
10.30 - 12.00	Which outcomes matter to patients? Chairs: Martin Wilkie and David Wheeler <i>Outcomes that matter to patients</i> - Tess Harris SONG Initiative <i>Why should we standardised outcomes in nephrology</i> - Allison Tong; Associate Professor, Sydney School of Public Health, University of Sydney <i>Why do we need a Kidney Patient Involvement Network?</i> - Paula Ormandy, University of Salford Oral Abstract Presentations	Young Investigator Award Chairs: Neil Roberts and Maria Fragiadaki <i>Zinc transporters in cellular metabolism; novel insights for the kidney</i> - Professor Christer Hogstrand; Professor of Molecular Ecotoxicology at King's College London Young Investigator Oral Abstract Presentations	CKD Chairs: Paul Cockwell <i>Mineralocorticoid receptor blockade in CKD - benefits and risks</i> - Charlie Ferro; Consultant Nephrologist and Professor of Nephrology, Queen Elizabeth Hospital Birmingham <i>Can't stand the heat? Uncovering the knowns of CKD of unknown cause</i> - Ben Caplin; Senior Clinical Lecturer, University College London <i>The UK National CKD Audit: Lessons for improving clinical care</i> - Dorothy Nitsch, London School of Hygiene and Tropical Medicine Oral Abstract Presentations	Multi-Morbidity in Renal Replacement Therapy Chairs: Maarten Taal and Aine Burns <i>Mallick Award presentation Too old to stand on your head?</i> - Edwina Brown; Professor of Renal Medicine, Imperial College London Oral Abstract Presentations	Renal Rare disease Chairs: Moin Saleem <i>RaDaR: where are we now, where are we going?</i> - Detlef Bockenhauer; Professor, UCL Centre For Nephrology/Great Ormond Street Hospital <i>A new era in Calciphylaxis Research - observational studies to RCTs</i> – Smeeta Sinha; Consultant Nephrologist and Honorary Senior Lecturer, Salford Royal NHS Foundation Trust <i>New insights into ADTKD from RaDaR</i> - John Sayer; Professor of Renal Medicine, Newcastle University <i>An update on HNF1B</i> - Coralie Bingham; Consultant in renal medicine, Exeter Kidney Unit, Royal Devon and Exeter Hospital <i>Will RaDaR change what we know about ADPKD and how we manage patients</i> – Daniel Gale; Clinician Scientist and Honorary Consultant Nephrologist, UCL Centre for Nephrology, Royal Free Hospital	

12.00 -13.00	Corporate Session			Corporate Session		
	Vifor Pharma					
13:00 – 14:00	Lunch & Exhibition					Exhibition Hall
14:00 – 15:00	Moderated Poster Session					Exhibition Hall
15:00 - 16.00	Stream 1	Stream 2	Stream 3	Stream 4	Stream 5	
	Keeping our Patient’s Safe – It’s Everyone’s Job’ - CPD Session Chairs: Marissa Dainton and Kartin Jones Katrin Jones; Consultant Nephrologist, Freeman Hospital, Newcastle upon Tyne Frances Wood; Head of Patient Safety - Review and Response, NHS Improvement Paul Rylance; Consultant in General and Renal Medicine / Director NHS Teaching Academy Honorary Professor, University of Birmingham Gerry Boyle; Renal Technician, Dumfries and Galloway Learning Objectives • Understanding of the National Patient Safety Reporting System operated by NHS Improvement and how this applies to renal practice. • Knowledge and understanding of the enablers and barriers to developing a culture of patient safety within renal care environments. • Exploration of how to engage and involve service users in developing a safety culture.	Renal Pharmacy Chairs: Hayley Wells and Andrea Devney <i>De-prescribing in Older People - Fraz Mir, Cambridge</i>	Novel insights into Immune mechanisms in glomerular disease Chairs: Lorraine Harper and Alan Salama <i>What has animal models taught us about glomerulonephritis? – Stephen McAdoo; Imperial Fellow / Honorary Consultant, Imperial College London</i> <i>What has genetics taught us about glomerulonephritis – Daniel Gale; Clinician Scientist and Honorary Consultant Nephrologist, UCL Centre for Nephrology, Royal Free Hospital</i>	Diabetes in Renal Disease Chair: Indranil Dasgupta and Helen McLaughlin <i>Treatments for diabetes and their role in kidney disease - Peter Winocour; Consultant Diabetologist, ENHIDE, QE2 Hospital, Welwyn Garden City</i> <i>Managing glycaemia on the haemodialysis unit - moving away from benign neglect - June James; Consultant Nurse and Associate Professor of Diabetes Care, Leicester and Andrew Frankel; Consultant Nephrologist, Imperial College Healthcare NHS Trust</i>	Social Media and Digital Technologies Chairs: Matt Graham-Brown and Damian Foggerty <i>Harnessing social media using data using digital technologies for health care research and public health - Patty Kostkova; University College London</i> <i>The Google DeepMind Acute Kidney Injury project - Chris Laing; UCL</i> <i>Machine learning, artificial intelligence and healthcare: Where the field is now and where it might be soon - Tom Oates; Consultant Physician, Barts Health NHS Trust</i>	
16:00 -16:30	Highlights of the Day					
16.00-17:00	Coffee (with take away cups available)
