KUONI Congress

Welcome to Switzerland!

Geneva is a truly international city and its great history and development blends the advantages of a small city with the services and possibilities of a large metropolitan area. Internationally renowned as a conference city, Geneva is an ideal location, due to its central setting at the heart of Europe and its multicultural flair, being home to important international organizations such as the United Nations, the World Health Organization or the International Labour Organization.

Geneva charms its visitors with its magnificent view of the Mont-Blanc, Europe's highest peak and a unique setting on the shores of the "Lac Léman", Western Europe's largest lake.

Well connected to the close-by country side Geneva is the perfect destination for adepts of outdoor activities. With its temperate and sunny climate in the summer ecological treasures such as the Rhone riverside and the beaches of the lake invite to be discovered.

Combining exceptional history, refined cuisine, entertainment and culture Geneva offers a great variety of activities. Every year in the summer the famous Geneva Festival attracts numerous visitors from all over the world.

Our Services

Our DMCs strive to stay ahead by continuously providing our clients with the most original and exciting ideas and services from different destinations around the world. Whether it's for a congress, a meeting, a training course, a

seminar or a project kick-off event, Kuoni Destination Management will find the ideal venues and facilities to make your corporate gathering a raving success. If you have any questions at all, about the room allotments or about

any way in which we can assist you designing your stay around the congress, then don't hesitate to contact us. We look forward to giving you a very warm, sunny welcome in 2017!

Kuoni's Social Responsibility Program

Kuoni focuses on concrete actions and pilot projects related to climate change, coral reef protection, water protection and biodiversity as well as facilitating the transfer of knowledge on environmental management to our partners.

Furthermore Kuoni demonstrates its commitment to respect human rights by focusing its efforts on the rights of the most vulnerable of our society. Particular attention is given to protecting children from sexual exploitation and helping to establish fair working conditions.

Oekom Research, one of the world's leading rating agencies in the field of sustainable investments, has awarded the Kuoni Group the rating C+. This puts Kuoni in the «Prime» category, which means it now qualifies as an investment from an ecological and social point of view.

In addition, Kuoni joined the United Nations Global Compact Initiative in 2013. In so doing, the company undertakes to integrate the Initiative's goals in its corporate strategy and daily business and to promote them further through suitable partnerships.
