

Tuesday, October 24, 2017					
	Plenary	Parallel 1	Parallel 2	Parallel 3	Parallel 4
8:00 AM - 8:10 AM	<u>Opening Ceremony</u> with remarks from ISCoS President				
8:10 AM - 8:55 AM	<u>Plenary #1 - Guttman Lecture</u> Andrew Blight, PhD: It's not rocket science - translational challenges in spinal cord injury				
9:00 AM - 10:30 AM	<u>Workshop 1</u> Acute and surgical management of vertebral fracture in spinal cord injury: What other disciplines in the team should know. Abel Rainer, Harvinder Chhabra, Michael Haak, Ashok Reddy, Francois Theron	<u>Workshop 2</u> Using computerized adaptive tests to measure outcomes in adults and children with spinal cord injury. MJ Mulcahey, Mary Slavin	<u>Workshop 3</u> Electronic medical record data collection and reporting - including International SCI Data Sets and Standards for Neurological Classification of SCI. Stacey Cohen, Fin Beiring-Sorensen, Gianna Maria Rodriguez	<u>Workshop 4</u> Debates on neurogenic bladder dysfunction. Interaction with other organs' and systems' dysfunction. Charalampos Konstantinidis, Andrei Krassioukov, Christina-Anastasia Rapidi, Jean Jacques Wyndaele	<u>Workshop 5</u> An emerging service delivery model in follow-up process and beyond: Comparison of different approaches to Telehealth support. Chitra Kataria, Sajeesh Kumar, Adesola Odole, Nishu Tyagi, Lisette Van Gemert
10:35 AM - 11:35 AM	<u>Poster Viewing 1</u> with refreshments				
11:40 AM - 1:10 PM	<u>Workshop 6</u> Why (and how to) report rehabilitation activities in clinical trials. Kim Anderson, Edelle Field-Fote, Karim Fouad, Marcel Post	<u>Workshop 7</u> ISCoS Prevention Committee symposium: Non-traumatic spinal cord injury: Is prevention possible? Harvinder Chhabra, Yannis Dionyssiotis, Peter New, Francois Theron, Kamil Yazicloglu	<u>Workshop 8</u> Barriers to community integration for persons with SCI. Stanley Ducharme, Nazirah Hassan, Anne O'Loughlin, Shivjeet Raghav	<u>Workshop 9</u> Evaluation and decision making in neurogenic bowel dysfunction. Anton Emmanuel, Bruno Gallo Santacruz, Stephen Kirshblum, Klaus Krogh	<u>Workshop 10</u> Management of pressure ulcers in spinal cord injury patients. Srinivasa Chakravarty Budithi, Naveen Kumar, Aheed Osman
1:15 PM - 2:15 PM	<u>Sponsored Lunch - Day 1</u>				
2:20 PM - 3:05 PM	<u>Plenary #2 - ISRT Lecture</u> Stephen McMahon, FMedSci				
3:10 PM - 4:10 PM	<u>Poster Viewing 2</u> with refreshments				
4:15 PM - 5:45 PM	<u>Workshop 11</u> Advancements in implanted electrical stimulation technology for spinal cord injury. Dennis Bourbeau, Anne Bryden, Ronald Triolo	<u>Workshop 12</u> Comprehensive interprofessional management of spinal cord injury in infants and young children. Randal Betz, MJ Mulcahey, Lawrence Vogel, Kathy Zebracki	<u>Workshop 13</u> Sexual dysfunction and treatment options after spinal cord injury in males. Lique Coolen	<u>Workshop 14</u> ISCoS SCI educational initiatives: Lessons learnt and further development of strategies to increase quality and coverage of SCI education globally. Lisa Harvey, Federico Montero, Stephen Muldoon, Ronald Reeves	<u>Workshop 15</u> A prelude to randomized controlled trials: Clinical research pilot studies. Kim Monden, Susan Charlifue
6:00 PM - 8:00 PM	<u>Welcome Cocktail</u> Reception with poster awards, ISCoS Society Medal Award, poster viewing, music, food and wine				

Wednesday, October 25, 2017					
	Plenary	Parallel 1	Parallel 2	Parallel 3	Parallel 4
8:00 AM - 8:55 AM	<u>Sponsored Breakfast</u>				
	<u>Discipline Specific Meeting 1</u> Annual network meeting for Spinal cord Injury Occupational therapists, SCIOT - Dr. Johanna Wangdell	<u>Discipline Specific Meeting 2</u> Spine Trauma Study Group Networking meeting - Dr. Harvinder Chhabra	<u>Discipline Specific Meeting 3</u> Nurse meeting - will need to start at 7:30 - Miss Debbie Green	<u>Discipline Specific Meeting 4</u> Free	<u>Discipline Specific Meeting 5</u> Free
9:00 AM - 9:45 AM	<u>Plenary #3 - RHI Lecture</u> Professor Dame Nicky Cullum, DBE, PhD				
9:50 AM - 10:45 AM	<u>Poster Viewing 3</u> with refreshments				
10:50 AM - 12:20 PM	<u>Workshop 16</u> Journal update: Spinal Cord and Spinal Cord Cases and Series. Marcalee Alexander, Lisa Harvey, Marcel Post, John Steeves	<u>Workshop 17</u> Repurposing Acute Therapeutics For Enhanced Recovery of Spinal cord Injury (RATER-SCI). Frank Bradke, Armin Curt, Catherine Jutzeler, John Kramer, Catherine Mercier, Dolor Soler	<u>Workshop 18</u> Supporting global disaster planning and response for SCI in low resource settings. James Middleton, Jan Reinhardt, Birgit Proding, Pete Skelton, Ziqiang Han, Colm Whooley, Colleen O'Connell, Stephen Muldoon, Eric Weerts, James Gosney	<u>Workshop 19</u> Comparing different innovative peer led approaches that maximise life outcomes for people affected by spinal cord injury. Andrew Dickinson, John Hogberg, Lucy Robinson, Kevin Schultes	<u>Workshop 20</u> Multidisciplinary Approach To The Management of Spasticity in Spinal Cord Injury. Wagih El Masri, Belgin Erhan, Murat Hanci, Claes Hultling
12:25 PM - 1:30 PM	<u>Sponsored Lunch - Day 2</u>				
1:35 PM - 3:05 PM	<u>Discipline Specific Meeting 6</u> SCIPT meeting - Mrs. Ulla Bergner	<u>Discipline Specific Meeting 7</u> Quality of Life Special Interest Group - Dr. Susan Charlifue	<u>Discipline Specific Meeting 8</u> International Spinal Cord Injury Data Sets Committee meeting - Prof. Fin Biering-Sorensen	<u>Discipline Specific Meeting 9</u> Autonomic Standards Networking Meeting - Dr. Jill Wecht	<u>Discipline Specific Meeting - 10</u> Consumer meeting - Ms. Jane Horsewell
3:10 PM - 4:10 PM	<u>Poster Viewing 4</u> with refreshments				
4:15 PM - 5:45 PM	<u>ISCoS AGM</u>				
7:00 PM - 11:45 PM	<u>Gala Dinner</u>				

Thursday, October 26, 2017					
	Plenary	Parallel 1	Parallel 2	Parallel 3	Parallel 4
9:00 AM - 9:45 AM	<u>Plenary #4</u> Stephen Muldoon				
9:50 AM - 10:50 AM	<u>Poster Viewing 5</u> with refreshments				
10:55 AM - 12:25 PM	<u>Workshop 21</u> Important Considerations for Moving Spinal Cord Injury Clinical Trials Forward: a SCOPE Perspective. James Guest, Linda Jones, MJ Mulcahey, Keith Tansey	<u>Workshop 22</u> Getting to Orgasm: It's possible. Marcalee Alexander, Giolio DelPopolo, Lelley Marson, Jean Gabriele Previnaire	<u>Workshop 23</u> SCI Clinical Research Engagement Workshop. Kim Anderson-Erisman, Kent Bassett-Spiers, Douglas Brown, Harvinder Chhabra, Armin Curt, Keith Hayes, Jane Hsieh, Phalgun Joshi, Vanessa Noonan, Emma Peleg	<u>Workshop 24</u> Starting SCI Rehabilitation in Africa - the Spinalis concept - an eight year experience in Botswana, Namibia and Zambia. Claes Hultling, Inka Lofvenmark, Sharon Masaka	<u>Workshop 25</u> Healthy lifestyle in spinal cord injury: from knowledge to practice - an international perspective. Rita van den Berg-Emons
12:30 PM - 1:15 PM	<u>Lunch and Poster Viewing</u>				
1:20 PM - 2:05 PM	<u>Plenary #5</u> Professor Dr. med Thomas Kessler				
2:10 PM - 3:40 PM	<u>Workshop 26</u> Clinical Trials: Lessons Learned, Challenges, Solutions. Armin Curt, Jane Hsieh, Linda Jones, John Steeves	<u>Workshop 27</u> Put On Your Air Mask First! Keeping that passion alive through the generations! Marcalee Alexander, Claes Hultling, Amie Jackson, Ruth Marshall	<u>Workshop 28</u> Exoskeletal-Assisted Walking in Acute Inpatient and Chronic Outpatient Spinal Cord Injury Rehabilitation. Luciano Bissolotti, Gail Forrest, Chester Ho, Ann Spungen	<u>Workshop 29</u> How to Deliver a Cognitive Behavioural Therapy Pain Management Programme for Spinal Cord Injury: Both Face to Face and Online. Dearbhla Burke, Brona Fullen, Olive Lennon, John Lynch, Fiona Maye, Sadb Ni Ghiollain, Maeve Nolan, Eimear Smith	<u>Workshop 30</u> Self-efficacy: concept, measurement and relevance for quality of life after SCI. James Middleton, Marcel Post, Denise Tate
3:45 PM - 4:30 PM	<u>Plenary #6 (tentative)</u> Poster Presentation Awards
