

6th ERAS SOCIETY WORLD CONGRESS

Improving Perioperative Care Worldwide

Scientific Programme

THURSDAY 24 May 2018

0800-0900 – Industry Sponsored Session with breakfast

0900-0910 – Welcome Address – *O. Ljungqvist (SE)*

0910-0930 – Presidential address

Improving outcome after bariatric surgery by the use of national registry-based studies –
Anders Thorell

0930-1100 – New frontiers in ERAS

Chairs: D. Vrochides (US) and F. Grass (CH)

0930-0945 Thoracic Surgery – *T. Batchelor (UK)*

0945-1000 Emergency laparotomy – *M. Scott (US)*

1000-1015 Ambulatory care – *R. Urman (US)*

1015-1030 Paediatric surgery – *M. Brindle (CA)*

1030-1045 Cardiac surgery – *D. Engelman (US)*

1045-1100 Panel discussion

1100-1130 – **Coffee break and poster round**

1130-1215 – Ken Fearon Lecture

Chairs: D. Lobo (UK) and M. Scott (US)

1130-1215 Critical aspects of clinical trials on clinical nutrition in surgery and ERAS –
L. Gianotti (IT)

1215-1300 Interactive discussion – the complex case

Lead and Chair: *G. Nelson (CA)*

Discussants: O. Ljungqvist (SE), A. Balfour (UK), H. De Boer (NL), T. Rockall (UK), R. Barlow (UK)

1300-1345 – **Lunch and poster round**

1345-1445 – Perioperative anaemia

Chairs: W. Fawcett (UK) and H. Hjelmqvist (SE)

1345-1405 The impact of anaemia on outcome – *H. Kehlet (DK)*

1405-1425 Preoperative management – *A. Acheson (UK)*

1425-1445 Intra- and postoperative management – *M. Scott (US)*

1445-1545 – Postoperative ileus

Chairs: L. Gramlich (CA) and N. Levy (UK)

1445-1500 Definitions, pathophysiology and diagnosis – *D. Lobo (UK)*

1500-1515 How to prevent ileus? – *M. Hubner (CH)*

1515-1530 How to treat ileus? – *Y. Cerantola (CH)*

1530-1545 Panel discussion

1545-1605 – Coffee break and poster round**1605-1705 – The “challenging” ERAS patient**

Chairs: N. Demartines (CH) and M. Adham (FR)

1605-1625 The patient with diabetes – *N. Levy (UK)*

1625-1645 The patient with dementia – *E. MacDonald (UK)*

1645-1705 Opioid and substance abuse – *J. Hsu (US)*

1705-1805 – Best abstracts

Chairs: D. Lobo (UK) and M. Scott (US)

FRIDAY 25 May 2018

0730-0830 – Industry Sponsored Session

0830-0950 – Challenge the experts

Chairs: M. Hubner (CH) and T. Rockall (UK)

0830-0850 Epidurals vs. wound catheters/rectus sheath blocks – what is the evidence? – *A. Krige (UK)*

0850-0910 The patient with delayed gastric emptying – *N. Demartines (CH)*

0910-0930 Bowel preparation in colorectal surgery – *K. Rollins (UK)*

0930-0950 Why is ERAS not adopted worldwide despite good data? – *H. Kehlet (DK)*

0950-1120 – Does ERAS stop after discharge?

Chairs: H. Kehlet (DK) and R. Barlow (UK)

0950-1010 Nutritional care in ERAS – *L. Gramlich (CA)*

1010-1030 Thromboprophylaxis – *H. De Boer (NL)*

1030-1050 Exercise training – *F. Carli (CA)*

1050-1110 Structured post-discharge follow-up in the era of e-care – *A. Balfour (UK)*

1110-1140 – Coffee break and poster round**1140-1215 – Rapid fire presentations**

Chairs: G. Nelson (CA) and F. Carli (CA)

1215-1300 – Henrik Kehlet Lecture

Chairs: O. Ljungqvist (SE) and N. Demartines (CH)

New concept of benchmarking in Surgery - *P.A. Clavien (CH)*

1300-1400 Lunch and poster round

1400-1500 – ERAS and survival

Chairs: A. Acheson (UK) and M. Iversen (DK)

1400-1420 How safe is surgery for the patient? – *M. Adham (FR)*

1420-1440 ERAS and 30-day mortality – *T. Rockall (UK)*

1440-1500 ERAS and long-term cancer survival – *U. Gustafsson (SE)*

1500-1615 – Patient partnership

Chairs: V. Addor (CH) and J. Nygren (SE)

1500-1520 Validation of measurements of recovery – *J. Kleif (DK)*

1520-1540 How to engage relatives and care givers – *R. Barlow (UK)*

1540-1600 Patient reflections – *A. Balfour (UK)*

1600-1615 Panel discussion

1615-1620 – Concluding lecture – *O. Ljungqvist (SE)***1620-1630 – Prize distribution and end of congress**

Chairs: D. Lobo (UK) and O. Ljungqvist (SE)
