

SCAPA 2022 FALL CME CONFERENCE

Riding the Waves of Change

October 5-9, 2022

Sonesta Resort - Hilton Head Island, SC

- **CME Sessions** – 25 CME hours (includes 4 hours of controlled substance and a TBD number of pharmacology hours)
- **Workshops** – 4 workshops for onsite attendees only
- **Sponsored Meals** – 3 breakfasts and 4 lunches for onsite attendees only
- **Non-Sponsored Meals** – Friday Cookout, Sunday Continental Breakfast

Last Updated: August 26 2022

Schedule is subject to change.

Wednesday, October 5

7:00a-8:00p Registration

7:00a-3:30p Beverage Station

7:15a-1:15p Workshop 1 BLS/ACLS Recertification - Rich Harvey

Objectives for this workshop are: demonstrate adult and pediatric one and two-rescuer CPR, demonstrate adult and pediatric foreign body airway obstruction techniques, integrate the automatic external defibrillator into resuscitations, recognize and initiate early management of acute coronary syndromes, including appropriate disposition, and understand the importance of team dynamics and communication in life saving situations.

Participants should purchase their own manuals. Workshop includes lunch. Attendance is limited to 20.

1:30-3:00p Exhibit Set-up

1:30-2:25p CME Session 1 Nasal Conditions: Be in the Know on the Nose – Amy Allen, PA-C, EdD, DFAAPA

2:30-3:25p CME Session 2 Chronic Disease and Nutrition: A Call to Action - Raising Awareness About Nutritional Health – Viet Le, PA-C – *This AAPA Clinical Case Challenge Series is supported by an independent educational grant from Abbott Nutrition and is created and managed in collaboration with the France Foundation.*

3:30-4:00p Refreshment Break with Exhibitors

3:30-8:15p Beverage Station with Exhibitors

4:00-4:55p CME Session 3 Clinical Advances in the Management of Atopic Dermatitis and Alopecia Aresta for PAs and NPs – Kimberly K. Dempsey, EdD, PA-C, DFAAPA - *This AAPA Clinical Case Challenge Series is supported by an independent educational grant from Pfizer and is created and managed in collaboration with the France Foundation.*

5:00-5:55p CME Session 4 Wounds and Skin Disorders – Hanna Harris, NP – *This presentation is provided in collaboration with the Burn Center of Augusta*

6:00-6:15p Refreshment Break with exhibitors

6:15-7:10p CME Session 5 Diabetes: New Treatment Options – Bauer Vaughters, MD

7:15-8:15p Welcome Reception with exhibitors

Thursday, October 6

7:00a-3:30p Registration

7:00a-3:30p Exhibit Hall

7:00a-3:30p Beverage Station with Exhibitors

7:15-8:15a Non-CME Breakfast Symposium: Diabetes Talk – Bauer Vaughters, MD – *Hosted by Novo Nordisk*

8:30-9:25a CME Session 6 Anemia 101 – Allan Platt, PA-C, MMSc, DFAAPA

9:30-10:25a CME Session 7 Chicken Pox and Herpes – Laura Gunder-McClary, DHSc, MHE, PA-C

10:25-11:00a Refreshment Break with Exhibitors

11:00-11:55a CME Session 8 Point of Care Ultrasound in the Acute Care and ICU Setting – Andrew Goodner, PA-C

12:00-1:00p Non-CME Lunch Symposium
Dual Inhibition; Targeting Systemic and Localized Type 2 Inflammation in Appropriate Pediatric, Adolescent and Adult Patients with Asthma – Ned Rupp, MD - *Hosted by Regeneron/Sanofi*

12:00-1:00p Non-CME Lunch Symposium
Linked Hypophosphatemia – Speaker TBD - *Hosted by Ultragenyx*

1:15-2:10p CME Session 9 A Patient Centered Approach to Managing IBS-C and CIC – Brian Lacy, Ph.D., M.D., FACG - *This presentation is supported by an independent educational grant from Takeda Pharmaceuticals USC, Inc and is being created and managed by the Primary Care Education Consortium.*

2:15-3:10p CME Session 10 Arrhythmia Management in Acute Care and ICU Setting – Andrew Goodner, PA-C

3:30-6:30p Workshop 4 POCUS – Andrew Goodner, PA-C

Point of Care Ultrasound (POCUS) is a bedside ultrasound exam performed by a treating healthcare professional who interprets the ultrasound images immediately at the patient's bedside to manage their care. POCUS is the future of medicine. It significantly helps confirm or refute diagnoses based on the physical exam in the absolute fastest way possible at the bedside. In this workshop, you will:

- Review the fundamentals of POCUS technology, images and anatomy
- Cover all basic clinical applications for POCUS
- Discuss the common missteps and how to troubleshoot POCUS images
- Practice POCUS on live models for basic image acquisition

Attendance is limited to 20.

7:00p Free night

Friday, October 7

7:00a-3:30p Registration

7:00a-3:30p Exhibit Hall

7:00a-3:30p Beverage Station with Exhibitors

7:15-8:15a CME Breakfast Symposium: GLP-1 Receptor Agonists: Metabolic Effects and Their Role in Managing T2DM– Speaker TBD – *This presentation is supported by an educational grant from*

Novo Nordisk and is jointly provided by PCME and Rockpointe. CME certificates will be provided by Rockpointe.

8:30-9:25a CME Session 11 **Pulmonary Nodules – What Do I Do Now!?**– Judson Lewis, MD

9:30-10:25a CME Session 12 **Out of the Shadows: Normalizing the Management of Uterine Fibroids and Endometriosis** – Breann Garbas, DHSc, MPAS, PS-C – *This AAPA Clinical Case Challenge Series is supported by an independent educational grant from Pfizer and Myovant Science, and is being created and managed in collaboration with the France Foundation.*

10:30-11:00a Refreshment Break with Exhibitors

11:00-11:55a CME Session 13 **It's Not a Migraine** – Michael Leddy, PA-C, MMS, MAEd

12:00-1:00p Non-CME Lunch Symposium Preventing COPD Exacerbations: The Need for Proactive, Optimized Management of COPD – Morgan Evans, DNP, APRN-BC, AE-C – <i>Hosted by AstraZeneca</i>	12:00-1:00p Non-CME Lunch Symposium Cardiology Talk – Eric Shoup, MS, PA-C, CLS – <i>Hosted by Esperion</i>
--	--

1:15-2:10p CME Session 14 **Emergency Medicine Talk** – Tracey Flemming, MD

2:15-3:10p CME Session **Pediatric Talk** – Jamie A. Singleton, MD, FAAP

3:30-4:30p SCAPA Board Meeting

3:30-6:30p Workshop 2 **Basic Suture** – Robin Mozenter Tippet, PA-C, MPAS, DFAAPA, CPC

Suturing expert Robin Mozenter Tippet will help participants learn how to suture through a step-by-step approach. Powerpoint lecture preceding 2 1/2 hour hands-on workshop. Workshop includes basic skills, suture techniques to include simple, mattress (horizontal and vertical and modified), running skin suture, buried interrupted deep suture, running subcuticular skin closure, dermabond, and staples. Attendance is limited to 10.

7:00-9:00p Cookout

Saturday, October 8

7:00a-3:30p Registration

7:00a-1:30p Exhibit Hall

7:00a-1:30p Beverage Station with Exhibitors

7:15-8:15a CME Breakfast Symposium **Clinical Cases in PAH I: Cardiovascular Considerations** – James Seibold, MD – *This activity, jointly provided by the University of Nebraska Medical Center and Practice Point Communications®, is supported by independent educational grants from United Therapeutics Corporation, Bayer U.S. and Actelion Pharmaceuticals U.S., Inc., A Janssen Pharmaceutical Company of Johnson & Johnson.*

8:30-9:25 CME Session 16 **Implicit Bias in Women's Healthcare** – Carol B. Alan, MD

9:30-10:25a CME Session 17 **Orthopedic Clinical Vignettes** – Rodney Alan, MD

10:30-11:00a Refreshment Break with Exhibitors

11:00-11:55a CME Session 18 **Public Health and Preventive Medicine** – Faith Polkey, MD

12:00-1:30pm **Non-CME Lunch Symposium and SCAPA Membership Meeting** ARCALYST® (rilonacept) for Patients Suffering with Recurrent Pericarditis. – Speaker TBD - *Hosted by Kiniksa Pharmaceuticals*

1:45-2:40p **CME Session 19 Breaking the Barrier: The PA's Role and Mental Health** – Dawn Morton-Rias, Ed.D., PA-C

2:45-3:40p **CME Session 20 Rheumatology Talk** – Deanna Baker Frost, MD

1:30-3:00p Exhibit Break Down

4:00-6:00p **Workshop 7 Coding** – E. G. “Nick” Ulmer, Jr., MD CPC

Understanding the 2022 E&M Ambulatory Changes

- Know how to document and code ambulatory encounters based on time
- Know how to document and code ambulatory encounters based on medical decision making
- Describe examples of how to correctly apply documentation to the correct charge for an encounter

Telehealth 2022: Current State

- Define how the Public Health Emergency has transformed Telehealth since 2020
- Be able to explain what “Telehealth” is
- Be able to correctly apply Telehealth in clinical scenarios to compliantly capture revenues for this scope of work

“Show Me The Money”: Clinically Correct Coding and Billing

- An interactive case discussion where the speaker will “walk through” a case and show ways to capture revenues in various scenarios.

7:00p Free night

Sunday, October 9

7:00a-12:00p Registration

7:00-11:30a Beverage Station

7:00-7:30a Continental Breakfast

7:15-8:40a **CME Session 21 Controlled Substance: Optimizing Pain Management in the Older Adult** – Talisha P. Ratliff, PharmD and Erika Tillery, PharmD, BCPP, BCGP, FASCP

8:40-8:55a Refreshment Break

8:55-10:20a **CME Session 22 Controlled Substance: Medications for Opioid Use Disorder (mOUD) + PDMP Tips & Tricks** – Megan Pruitt, PharmD

10:30-11:25a **CME Session 23 Controlled Substance: A Primer on Emerging Drugs of Abuse** - Charles “Trey” Wingerson, PharmD

11:25a Door Prize Drawing (Must be present to win)
