8:00-17:00	Trauma nursing course - Only Tuesday November 28		Hospital Angeles Interfonas
8:00-17:00	Trauma quality improvement course - Only Tuesday 28 November		Hospital Angeles Interfonas
8:00-17:00	Basic Endovascular Skills for Trauma (BEST-HERO)		Hospital Angeles Interfonas
	Wednesday, November 29		Wednesday, November 29
	Salon Principal		
07:00-15:00	REGISTRATION		
07:00-08:00	Meeting of SPT Executive Committee - Private, with invitation Only		
08:00-08:30	Welcome Organizing Committee		
08:30-09:00	Conference: The Trauma in Mexico. Dr. Felipe Cruz Vega		
	Moderador: Dr. Porfirio Cervantes Pérez		
	North vs. South Moderators: Carlos Ordóñez, Michael Abouantano		
	CASE I: TRAUMA North: Dr. Bruce Crookes, Vicente Gracia, Terence O'Leary		
	South: Gustavo Machán, Renato Pogetti, Pablo Otolino		
	CASE II: TRAUMA North: Gregory Peck, Andrew Pelzman, Tanya Zakrison		
	South: Francisco Collet, Alberto García, Ana María Pacheco		
	CASE III: TRAUMA North: Paula Ferrada, Sharon Henry, Michael Parra		
	South: Marco Ribeiro, Juan C. Salamea, Napoleón Méndez		
	CASE IV: EGS AMERICA: Manuel Lorenzo, Sandro Rizoli, Antonio Mantos		
	EUROPA: Ari Leppaniemi, Pablo Moreno, Lucas Ansaloni		
11:30-12:00	RECESS AND VISIT COMMERCIAL EXPO		
12:00-12:30	Conference Aurelio Rodríguez - Dr. David Feliciano		
	Moderador: Dr. Octavio Ruiz Speare		
12:30-13:30	Meeting of the Publications Committee - Private, with invitation		Meeting of Committee and sub-committees Education and Research - Open
13:30-14:00	FORUM OF STUDENTS		
	Salón México 1	Salón México 2	Salón México 3
14:00-15:00	RECESS AND FOOD		
15:00-16:40	SIMPOSIUM: APPROACH OF PATIENT WITH ABDOMINAL TRAUMA Coord. Alejandro Grife Coromina	SIMPOSIUM: THE TRAUMA SYSTEMS...Coord. Manuel Gómez Palacio Villazón	SIMPOSIUM: THORACIC URGENCIAS Coord. Ricardo Ferrada, Dr. Juan Carlos Vázquez Minero
15:00-15:15	Laparoscopy in abdominal tx: advantages... Francisco Collet	Improvement of Quality of PTS based on the Local Trauma Registry... Jorge Neira	What is considered a severe thoracic trauma... Vicente Gracia
15:15-15:30	Laparoscopy on the abdominal inconveniences... Eduardo Huaman	The Cartagena Consensus: where are we going? Edgar Rodas	VATS Utility Early... José Crivinel
15:30-15:45	Minimally invasive trauma experience... Andrew Pelzman	PTS trauma records... Michael Abouantano	Surgical Approach to Unusual Thoracic Injuries... Charles Lucas
15:45-16:00	Non-operative management... Gustavo Machán	PTS initiatives to improve quality... The experience in Peru... Charles Mock	Manejo de fracturas externas... Pablo Moreno
16:00-16:15	Detection of soft diaphragmatic lesions in thoracic-abdominal trauma... Ana María Pacheco	Evaluation of Trauma Centers in LA. The experience in Bolivia... Michael Abouantano	Indications for costal fixation... Mark de Moya
16:15-16:40	Session of Answers and questions	Session of Answers and questions	Session of Answers and questions
16:40-17:00	RECESS AND VISIT COMMERCIAL EXPO		
17:00-18:40	SIMPOSIUM: CHALLENGES IN TRAUMA I Coord. Dra. Lucia Rivas Moreno	SIMPOSIUM: ANASTOMOTIC LEAKS Coord. Dra. Sharon Henry	SEPTIC COMPLICATIONS IN TRAUMA Coord. Dr. José Crivinel
17:00-17:20	Management of complex liver lesions... Ricardo Ferrada	Risk factors and classification... Pablo Stajak	Sepsis in chest trauma... Dr. Alberto Espinoza Mendoza
17:20-17:40	Genitourinary Trauma... Esteban Folanini	Post-traumatic duodenal fistula... Ari Leppaniemi	Post-traumatic mediastinitis... Dr. Francisco Carballo Cruz
17:40-18:00	Pancreato-duodenal trauma complex... David Feliciano	Widespread atmospheric fistulas... José Díaz	Sepsis in cervical esophageal trauma... Dr. Jesús Ferrer Escobedo Arzunas
18:00-18:20	Resuscitation thoracotomy: critical maneuver... Tanya Zakrison	General case of fistulas... Luc Christiane Dominguez	Pharyngo-esophageal trauma: a challenge for the surgeon... Pablo Otolino
18:20-18:40	Session of Answers and questions	Session of Answers and questions	Session of Answers and questions
19:00-21:00	Opening Ceremony (Cocktail for all participants of the Congress)		
	Thursday, November 30		Thursday, November 30
	Main room		
07:00-08:00	Meeting SPT Statutes Committee - Private, invitation only		Meeting of the Committee and Development Sub-Committees and Scholarships - Open
	México vs Resto el Mundo Moderadores: Ari Leppaniemi, Ignacio Magaña S.		
	CASO I TRAUMA: México: Alberto Basilio, Alberto Espinoza Mendoza, Luis M. García Núñez,		
	Norte América: Marc DelMoya, Edgar Rodas, Ernest E. Moore		
	CASO II TRAUMA: México: Jesús Escobedo/Francisco J. Carballo Cruz, Edgar F. Hernández García		
	Sudamérica: Carlos Morales, Martha Guadalupe, William Sánchez		
	CASO III TRAUMA: México: Felipe Vega, Oliver Núñez, David A. Scavo		
	Europa: Salomone D. Saverio, Massimo Sartelli, Yoram Kluger		
	CASO IV EGS: México: Héctor Noyola, Eduardo Moreno P. Graciela Zermelo		
	PTS: Julio Trotschinsky, Ricardo Herrera, José Díaz.		
	Salón México 1	Salón México 2	Salón México 3
10:00-10:30	RECESS AND VISIT COMMERCIAL EXPO		
10:30-12:30	COMPETITION OF RESEARCH: Oral Presentation, General Category: TIME: Presentation of 7 minutes, and 3 Q&A	COMPETITION OF RESEARCH: Oral Presentation Category Resident: Abstract Code, Title of Abstract and Presenter - TIME: Presentation of 8 minutes, and 4 Q&A	COMPETITION OF RESEARCH: Oral Presentation, Category Student: TIME: Presentation of 8 minutes, and 4 Q&A Coord.
12:30-13:30	Presidential Conference: Dr. Carlos Ordóñez		Meeting of the Committee and Subcommittees on Trauma Systems - Open
13:30-13:00	RECESS AND FOOD		
13:00-16:40	SIMPOSIUM: INTRAABDOMINAL HYPERTENSION Coord. Dr. Pablo Stajak	SIMPOSIUM: PELVIC AND PERIPHERAL VASCULAR TRAUMA Dr. Jorge Rabat	SIMPOSIUM: PREVENTING COMPLICATIONS Coord. Dr. Luca Ansaloni, Dr. Bartolomeu Nascimento (joint)
13:00-13:20	Open abdomen: how, when... Marcelo Ribeiro	Integral management of a pelvic fracture... Alejandro Scavo	TCC: its importance in the management of the traumatized patient... Tanya Zakrison
13:20-13:40	How and when to remove a packing... Carlos Morales	Role of Pelvic Packing... Ernest E. Moore	Potential role of beta-blockers in comminuted fractures... Sandro Rizoli
13:40-14:00	Choice of management in open abdomen... Ari Leppaniemi	Peritoneal arterial lesions... Antonio Mantos	Prevention of DVT and TEP... Ana María Pacheco
14:00-14:20	Abdominal compartment syndrome... Bruno Pereira	Role of the General Surgeon... Aurelio Rodríguez	Provision of prehospital medical services... Robert Lawrence
14:20-14:40	Session of Answers and questions	Session of Answers and questions	Session of Answers and questions
14:40-16:00	RECESS AND VISIT COMMERCIAL EXPO		
16:00-17:00	SIMPOSIUM: MEXICAN COLLEGE OF MILITARY SURGEONS Coord. Dr. Bruce Crookes		SIMPOSIUM: VASCULAR INJURIES THORACIC/ABDOMINAL Coord. Juan C. Duchesne
17:00-17:20	Wound ballistics... Dr. Ignacio Magaña Sánchez	Reboas en trauma de Tórax y abdomen, experiencia en Colombia... Carlos Ordóñez	Prehospital care model in Mexico... Rodrigo Álvarez C
